Collier County

Clerk of the Circuit Court and Comptroller

3315 Tamiami Trail East, Suite 102

Naples, Florida 34112-5324

March 22, 2022

To the Citizens and Members of the Board of County Commissioners,
Collier County, Florida:

It is with pleasure that we present to you, the citizens of Collier County and members of the Board of County Commissioners, the Comprehensive Annual Financial Report for the fiscal year ended September 30, 2021. This report was prepared by the Finance and Accounting Department of the Clerk of the Circuit Court and Comptroller as part of the Clerk's legally prescribed duties. Responsibility for the accuracy of the data and the completeness and fairness of the presentation, including all disclosures, rests with management. To the best of our knowledge and belief, the information presented herein is accurate in all material respects and is reported in a manner designed to present fairly the financial position and results of County operations.

The Clerk of the Circuit Court and Comptroller's Finance and Accounting Department, as well as County management, is responsible for establishing and maintaining internal controls to provide reasonable, but not absolute, assurance regarding the safeguarding of assets against loss from unauthorized use or disposition, the reliability of financial records for preparing financial statements and maintaining accountability of assets. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived, and the evaluation of costs and benefits requires estimates and judgments by management.

Chapter 218.39 of the Florida Statutes requires an independent certified public accountant's financial audit of counties in the State. State law requires the County to submit a complete set of financial statements within forty-five days after the issuance of the audit report (but no later than nine months after the fiscal year end) presented in accordance with accounting principles generally accepted in the United States. For the fiscal year ended September 30, 2021, the independent auditor, CliftonLarsonAllen LLP, issued an unmodified ("clean") opinion on the financial statements. Their report is included in the Financial Section of this report. In addition to meeting the requirements set forth in State statutes, the audit was also designed to meet the requirements of the *Government Auditing Standards*, the Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and the Rules of the Auditor General, Chapter 10.550 *Local Governmental Entity Audits*.

Governmental accounting and auditing principles require that management provide a narrative introduction, overview and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement MD&A and the two should be read in concert. Collier County's MD&A can be found in the Financial Section immediately following the independent auditors' report.

PROFILE OF THE GOVERNMENT

Collier County is a Constitutional form of government and was established in 1923 under the Constitution and the laws of the State of Florida. The Board of County Commissioners is the legislative body for Collier County and comprises five members elected in the five different Commission districts of the County. The Board of County Commissioners appoints a county manager to carry out policies and oversee the county's day to day

Phone- (239) 252-2646

Website- www.CollierClerk.com

Fax- (239) 252-2755

Email- CollierClerk@collierclerk.com

operations. In addition to the County Commissioners, voters elect the following five constitutional officers on a Countywide basis: the Clerk of the Circuit Court and Comptroller, Property Appraiser, Sheriff, Supervisor of Elections and Tax Collector.

The County provides its citizens with a wide range of services that include tax assessment and collections, law enforcement, emergency management, fire and emergency medical services, animal services, library, museum and cultural services, parks and recreation operations, road maintenance and construction, economic development and social and human services. Additionally, the County owns and operates a water and wastewater utility, a solid waste landfill and recycling program, a landfill gas to energy facility, three airports, a transit system and an amateur sports complex.

The fiscal year for county government begins October 1 and ends September 30. Budgets are prepared annually and formal budgetary integration is employed as a management control throughout the year. The level of budgetary control, the level at which expenditures cannot legally exceed the appropriated amount, is established at the departmental level for personal services, operating expenditures and non-project related capital outlay separately. Debt service and transfers are controlled at the fund level and capital projects and grants are controlled at the individual project or grant level. The Board of County Commissioners conducts budget workshops during June of each year and a proposed budget is released in July. The budgets of Constitutional Officers are presented to the appropriate authorizing bodies according to State statute. Two public hearings are held in September to allow taxpayer input and to adopt the final budget.

ECONOMIC CONDITION AND OUTLOOK

Collier County, the state's second largest county, is on the southwest coast of Florida, directly west of Miami. With a 2021 population of 389,754 (a 20.4 percent increase over the last ten years), Collier County is one of the fastest growing counties in the state over the last ten years. The resident population includes Unincorporated County (pop. 349,128) and three municipalities: the Cities of Naples (pop. 22,206), Marco Island (pop. 17,995) and Everglades (pop. 425). The County's economic base is concentrated in tourism, agriculture, fishing, construction, ranching and forestry with a growing services economy and an active technology sector. Gulf of Mexico beaches and the Everglades National Park are important attractions to this area.

The County's manufacturing base grew from 289 establishments in 2008 to 342 in 2021, led by companies providing products varying from surgical and medical instruments, kitchen cabinets and countertops to aircraft engines and parts. Recently, the area has become particularly attractive to logistical and warehousing service providers, with a 1 million square foot distribution center breaking ground in July of 2021.

Sports tourism is a growing segment of Collier's economy. The Minto United States Open Pickleball Championship continues to expand and generally attracts national and international participation. The Paradise Coast Sports Complex is a multipurpose entertainment facility situated near I-75 and Collier Boulevard. At completion, the Complex will contain twenty-one multipurpose fields, an outdoor fitness center, a food truck pavilion and a championship stadium. The first phase of the facility opened in October of 2020 and final completion is expected in 2022. The Complex is designed to attract national tournaments, while at the same time providing additional fields needed for local field play for sports such as soccer and baseball.

To further promote economic growth, diversify the economy and encourage high-wage job creation, the Board of County Commissioners has created Economic Innovation Zones. The Ave Maria Innovation Zone, the Interchange Activity Center No. 9 Innovation Zone and the Golden Gate City Economic Development Zone were created to provide specific geographic areas a dedicated source of economic development funding through tax increment revenues. Flexible zoning overlays that will allow for reduced developmental timeframes for qualified target industry uses within the Zones are in process.

Taxable property market valuation for fiscal year 2021 totaled \$110.3 billion, a very high \$282,972 per capita. The County's millage for General Fund operations in fiscal year 2021 remained at only 36% of the statutory 10

mill limit, or \$3.56 per thousand dollars of taxable value. Unemployment levels in recent years approximate, or are slightly below, the statewide average. The 2021 annual County unemployment rate stood at 3.6%, while the statewide average is 4.3%. Income levels are high, with a per capita personal income of \$104,723.

LONG TERM FINANCIAL PLANNING

Each Florida local government must prepare a comprehensive plan for managing growth, providing vital services and protecting the environment. In Collier, several annual processes take place which influence long range planning and the development of the budget. Each year the County performs a three-year budget projection of primary ad valorem supported funds (General Fund and the Unincorporated Area Municipal Services Taxing District Fund) prior to developing budget policy. In addition, there are several annual long range planning processes such as the Capital Improvement Element (CIE), the Annual Update and Inventory Report (AUIR), the Long Range Transportation Plan, the Water and Wastewater Master Plans, the Master Mobility Plan and concurrency planning. The County is required to prepare and present to the Board of County Commissioners an Annual Update and Inventory Report (AUIR) and adopt a five-year Capital Improvement Element (CIE). Both of these processes focus on the schedule of capital improvements for the County. The AUIR is an annual status report on public facilities and the CIE is a planning document that identifies public facilities that will be required during the next five or more years.

The Capital Improvement Element is the foundation of Collier County's annual Capital Improvement Program (CIP). The amount planned for CIP projects in fiscal years 2022-2026 is \$1.4 billion. Included in the County's current CIP for fiscal years 2022-2026 are approximately \$442.5 million in water and wastewater projects, \$455.0 million in transportation projects, \$174.8 million in stormwater projects and \$41.5 million in government facilities projects. In addition, parks and recreation projects of approximately \$67.9 million are planned, as well as \$58.3 million for tourist development funded projects, \$25.2 million in solid waste projects, \$62.1 million in public safety projects, \$70.8 million in human services projects and miscellaneous projects totaling \$11.4 million. Approximately \$209.6 million of the fiscal year 2022 – 2026 Capital Improvement Program is currently planned to be funded by bond or loan proceeds and \$219.3 million is planned to be funded by the infrastructure sales tax.

RELEVANT FINANCIAL POLICIES

Relevant financial policies include the appropriation of carryforward as a funding source in the following year, maintaining General Fund budgeted reserves between 8% and 16% of operating expenditures and Unincorporated Area General Fund budgeted reserves of between 3% and 8% of operating expenditures. Additional policies include the assessment of impact fees at such levels as allowed by law and supported by studies, prioritizing gas taxes for payment of debt service on the Series 2012 and 2014 Gas Tax Revenue and Refunding Bonds and the establishment of a long term capital reserve funded in annual amounts of up to \$5 million to protect the County's general governmental infrastructure.

For enterprise operations such as the Water and Sewer District and Solid and Hazardous Waste Management, that do not receive support from general government sources, budgeted reserves are targeted to a range of forty-five to ninety days of operating expenditures.

Debt administration policies include the limitation of the debt repayment period to the useful life of the underlying assets and the establishment of a 5% benchmark for net present value savings generated by refinancing. Lesser net present value savings may be considered on a case-by-case basis. Consistent with Collier County's Debt Management Policy, outstanding debt is continually monitored in relation to existing conditions in the debt market. When sufficient cost savings can be realized debt will be refinanced. In addition, the debt policy establishes a maximum ratio of total general governmental debt service to bondable revenues from current sources of 13%.

The Clerk of the Circuit Court's Finance and Accounting Department monitors the daily cash needs of the County and invests the County's funds in accordance with the Collier County Investment Policy. The primary objective of the investment policy is the preservation of capital and the protection of investment principal.

Authorized investments include certificates of deposit, the Local Government Funds Surplus Trust Fund (Florida PRIME), other intergovernmental pools, U.S. Treasury securities, U.S. agency securities, commercial paper, corporate bonds and bankers' acceptances. The par weighted average maturity of the total managed portfolio, to first call or maturity, was 1.08 years as of September 30, 2021. The total return for fiscal year 2021 was .09%, a reflection of extremely low interest rates and unrealized losses due to changes in fair value of long term investments as of September 30, 2021. Investment income of \$6.4 million was realized during fiscal year 2021. Changes in the fair value of investments are recorded as part of interest income when presented in the financial statements.

MAJOR INITIATIVES

While the County is currently focused on many initiatives, some of the most significant include the following:

- Development of the Golden Gate Golf Course property, workforce and first responder housing and mental health initiatives
- Construction of the Heritage Bay governmental facilities campus
- Upgrades to Information Technology infrastructure and the County's various management, financial and accounting software
- Completion of the construction, and operation, of the Big Corkscrew Regional Park and the Paradise Coast Sports Complex
- Public safety capital projects including a new evidence facility for the Sheriff
- The extension of Vanderbilt Beach Road, Randall curve improvements and bridge rehabilitation and replacement
- Enhancements in storm-water capital infrastructure and maintenance service levels
- Construction of utility infrastructure in the County Water and Sewer District's northeast service area
- Design the expansion of water and wastewater treatment in the Golden Gate service area

AWARDS

GFOA Certificate of Achievement:

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Collier County, Florida for its Comprehensive Annual Financial Report for the fiscal year ended September 30, 2020. The Certificate of Achievement is a prestigious national award, recognizing conformance with the highest standards for preparation of state and local government financial reports.

In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized Comprehensive Annual Financial Report whose contents conform to program standards. The Comprehensive Annual Financial Report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. Collier County has received this award for the past thirty-five years, from fiscal year 1986 to 2020. We believe our current report conforms to the Certificate of Achievement program requirements, and we are submitting it to the GFOA for consideration for an award again this year.

Distinguished Budget Presentation Awards:

The Government Finance Officers Association of the United States and Canada presented an award for Distinguished Presentation to Collier County for its annual budget for the fiscal year beginning October 1, 2020. In order to receive this award, a government unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device. The Distinguished Budget Presentation Award is valid for a period of one year only. Collier County has received this award for the last thirty-five consecutive years.

The Government Finance Officers Association of the United States and Canada presented an award for Distinguished Presentation to the Office of the Collier County Clerk of the Circuit Court and Comptroller for its annual budget for the fiscal year beginning October 1, 2020. In order to receive this award, a government unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device. The Distinguished Budget Presentation Award is valid for a period of one year only. The Clerk's Office has received this award for the last nineteen consecutive years.

ACKNOWLEDGEMENTS

The preparation and publication of this Comprehensive Annual Financial Report represents a significant effort by the Finance and Accounting Department as well as numerous County personnel who contribute to its production. In particular, we would like to express our appreciation to Edith Manuel, Finance Manager, Suzanne Boothby, Grants Manager, Leslie Miller, Operations Manager and all of the staff of the Finance and Accounting Department.

Sincere appreciation is also expressed to CliftonLarsonAllen, the Board of County Commissioners, the Constitutional Officers, the County Manager, Deputy County Managers, Department Heads and the Division Directors for their assistance throughout the year in matters pertaining to the financial affairs of the County.

We hope you find this report informative, accurate and easily readable. If you should have any questions related to this report or if additional information is desired, do not hesitate to contact Derek M. Johnssen, Director of Finance and Accounting, at 239.252.7863.

Respectfully,

Crystal K. Kinzel
Clerk of the Circuit Court and Comptroller

Derek M. Johnssen, CPA

Certificate of Achievement for Excellence in Financial Reporting

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Collier County, Florida for its comprehensive annual financial report for the fiscal year ended September 30, 2020. This was the thirty-fifth consecutive year that the government has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

INDEPENDENT AUDITORS' REPORT

Honorable Board of County Commissioners
Collier County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Collier County, Florida, (County) as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County as of September 30, 2021, and the respective changes in financial position and, where applicable, cash flows thereof, and the respective budgetary comparison schedules for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

Change in Accounting Principle

As discussed in Note 1 to the financial statements, in 2021 the County adopted GASB Statement No. 84, *Fiduciary Activities*. As a result of the implementation of this standard, the County reported a restatement of beginning fiduciary net position for the change in accounting principle (see Note 19). Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that management's discussion and analysis (MD&A) on pages 4 – 13, the schedules of the County's proportionate share of the net pension liability and of County contributions on page 84, and the schedules of other postemployment benefits total OPEB liability and related ratios for the retiree health plans on page 86 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The combining and individual nonmajor fund financial statements and other supplemental information, and the introductory and statistical sections, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and other supplemental information are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Matters (Continued)

Other Information (Continued)

The introductory section and the statistical section have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 7, 2022, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

CliftonLarsonAllen LLP

Naples, Florida
March 7, 2022

**MANAGEMENT'S DISCUSSION AND ANALYSIS
(UNAUDITED)**

As Clerk of the Circuit Court and Comptroller of Collier County, Florida, I present the readers of the County's financial statements this narrative overview and analysis of the financial activities of Collier County for the fiscal year ended September 30, 2021. Readers are encouraged to consider the information presented in this narrative in conjunction with additional information offered in the letter of transmittal, found on pages i-vi of this report.

Financial Highlights

- Collier County's assets and deferred outflows exceeded its liabilities and deferred inflows as of September 30, 2021 by \$3,238,609,539. Of this amount, \$284,121,166 represents unrestricted net position and may be used to meet future County obligations. Unrestricted net position increased by \$92,150,091 from the previous year.
- The County's total net position increased by \$296,297,046 when compared to fiscal year 2020, with a \$233,724,640 increase from governmental activities and a \$62,572,406 increase resulting from business-type activities.
- As of September 30, 2021, Collier County's governmental fund financial statements showed combined ending fund balances of \$990,656,234, an increase of \$211,833,586 over the previous fiscal year. Of the total combined ending governmental fund balance, \$117,115,903 is reported as unassigned.
- The General Fund reported an unassigned fund balance of \$117,115,903 at September 30, 2021, an increase in unassigned General Fund balance of \$12,817,278 when compared to September 30, 2020.
- The County's proportionate share of the Florida Retirement System's defined pension benefit and health insurance subsidy net pension liabilities was \$141,933,600 as of September 30, 2021, a decrease of \$284,836,434 from the previous year.
- Total bonded debt, notes, outstanding loans, leases and financed purchase obligations owed by Collier County increased by \$217,204,627 during fiscal year 2021, with an increase in governmental activities debt of \$74,145,816 and an increase in business-type activities debt of \$143,058,811. Additional information on debt activity can be found in Note 7 to the financial statements beginning on page 56.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction and explanation of Collier County's basic financial statements. Collier County's basic financial statements include government-wide and fund financial statements, as well as notes to the basic financial statements.

Government-Wide Financial Statements

Government-wide financial statements are designed to provide the reader an overview of the financial position of the County and are similar to private sector financial statements. These statements are comprised of a Statement of Net Position and a Statement of Activities and are found on pages 16 to 19 of this report.

The Statement of Net Position shows the financial position of Collier County as of September 30, 2021. The statement shows the County's assets plus deferred outflows of resources less its liabilities plus deferred inflows of resources, with the difference being reported as net position. Changes in net position are useful indicators of financial condition.

The Statement of Activities follows the Statement of Net Position and reports the changes in net position over the fiscal period. All changes in net position are reported as soon as the underlying events that gave rise to the change occur, regardless of the timing of the related cash flows. Thus, revenues and expenses are reported for some items, such as accounts receivable, notes receivable or certain unused leave, that will manifest themselves in cash inflows and outflows, respectively, in future fiscal periods.

These statements distinguish Collier County functions that are supported by taxes and intergovernmental revenues (governmental activities), from business-type activities, which are intended to have their costs primarily recovered through user fees and charges.

Governmental activities reported in the financial statements are general government, public safety, physical environment, transportation, economic environment, human services and culture and recreation. Business-type activities in Collier County include water and sewer, solid waste collections, airport operations, transit operations and emergency medical services.

Fund Financial Statements

A fund is a group of related accounts used to maintain control over resources that have been segregated to meet specific objectives. As dictated by generally accepted accounting principles, Collier County uses fund accounting to ensure and demonstrate compliance with finance related legal requirements. The funds of the County can be divided into the following three categories: governmental, proprietary and fiduciary.

Governmental funds

Governmental funds, presented on pages 20 to 28, account for substantially the same functions as governmental activities reported under the government-wide Statement of Net Position and Statement of Activities. The difference is that the governmental fund financial statements focus on inflows and outflows of expendable resources, as well as balances of expendable resources available at the end of the fiscal year, on a near term basis. As such, these statements present a narrower view of financial condition, but are nonetheless useful in evaluating Collier County's near term financing requirements and available resources.

Comparison between the two sets of financial statements allows the reader to better assess the future impact of the government's near term financial decisions. Both the governmental fund balance sheet and the statement of revenues, expenditures and changes in fund balances provide a reconciliation to the respective government-wide financial statements to facilitate comparison.

Governmental funds presented individually in Collier County's statements include five major funds, the General Fund and the Bayshore Gateway and Immokalee Community Redevelopment Agencies, Grants and Shared Revenue Fund and the Infrastructure Sales Tax fund. There are many smaller governmental funds under Collier County management and they are aggregated in a total column named "other governmental funds". Combining statements for these other governmental funds have been presented elsewhere in this report.

Collier County adopts an annual budget as described in Note 1 to the financial statements. A budgetary comparison statement has been provided for the General Fund and each major special revenue fund to demonstrate compliance with this budget. Budgetary comparison schedules for the Infrastructure Sales Tax capital project major fund and non-major governmental fund required to adopt an annual budget is presented in the combining statements presented elsewhere in this report.

Proprietary funds

Collier County maintains two different types of proprietary funds, enterprise and internal service, which are reflected on pages 30 to 34 of this report.

Enterprise funds report, with more detail, the same functions presented as business-type activities in the government-wide financial statements for water and sewer, solid waste disposal, emergency medical services, transit and the airport authority. The Collier County Water and Sewer District Fund, the Solid Waste Disposal Fund and the Emergency Medical Services Fund are presented individually as major funds.

Internal service funds are primarily maintained to allocate and accumulate costs internally for Collier County. The County uses internal service funds to account for health insurance, worker's compensation insurance, property and casualty insurance, fleet operations and information technology. The internal service funds are presented in total in the proprietary fund financial statements, but may be viewed on a combining basis elsewhere in the report.

Fiduciary funds

Fiduciary funds are used to account for resources held for the benefit of parties outside of Collier County government. These funds are not presented in the government-wide financial statements as they do not represent resources available to support Collier County functions. The fiduciary funds begin on page 35 of this report. All of the County's fiduciary funds are custodial funds. Custodial funds are used to report amounts that the government has custody of, but does not have control over the use of the funds.

Notes to the Financial Statements

The notes provide additional information essential to a full understanding of the data provided in both the government-wide and fund financial statements. The notes appear on pages 37 to 81 of this report.

Other Information

The combining and individual nonmajor fund financial statements and schedules mentioned above present more detailed views of nonmajor governmental and enterprise funds and begin on page 89. This section contains combining balance sheets and statements of revenues, expenditures and changes in fund balance for governmental funds, including budgetary comparisons, and combining statements of net position and statements of revenues, expenses and changes in fund net position for enterprise funds. Also included are combining financial statements for internal service and custodial funds.

Additional information about the County, which may be of interest to the reader, can be found under the Statistical section of this report. The Statistical section has been prepared in accordance with Governmental Accounting Standards Board Statement No. 44, Economic Condition Reporting: The Statistical Section. This section contains data regarding financial trends, revenue capacity, debt capacity, demographic and economic conditions and operating indicators of the County.

Government-Wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. Assets and deferred outflows exceeded liabilities and deferred inflows by \$3,238,609,539 as of the fiscal year ending September 30, 2021 for Collier County. Positive balances were reported in all categories of net position in the governmental and business-type activities for fiscal year 2021.

Collier County's net position at September 30, 2021 increased by \$92,150,091 for unrestricted net position and increased \$110,183,021 for restricted net position. Restricted net position consists of resources subject to external restriction on how they may be used while unrestricted net position may be used to meet the County's ongoing obligations. Increases in restricted net position were mainly due to a \$69,670,321 increase in restricted net position related to Infrastructure Sales Tax capital projects and a \$14,013,160 increase in restricted net position related to tourist development. The increase in unrestricted net position was mainly the County's proportionate share of the increase in overall financial position of the Florida Retirement System (FRS) Pension Plan. This increase was due primarily to investment returns in the FRS Pension Plan.

Collier County's investment in capital assets such as land, roads, buildings, parks and machinery and equipment, net of depreciation or any outstanding debt related to the asset, amounts to 69.3% of net position as of September 30, 2021, compared to 73.0% as of September 30, 2020. During fiscal year 2021, the County's net investment in capital assets increased by \$93,963,934, but decreased as a proportion of total net position due to the overall increase in combined restricted and unrestricted net position discussed above. Capital assets provide services to the citizens and consequently do not represent spendable resources and cannot be used to liquidate the debt incurred to purchase or construct capital assets.

The following are Collier County's net position and changes in net position for the fiscal years ended September 30, 2020 and 2021, shown in condensed form:

Expenses and revenues, in the form of fees, fines, grants and contributions, for governmental activities are shown graphically by function. General revenues, such as property taxes, must be used to the extent that the fees, fines, grants and contributions do not cover the cost of the governmental function. Public safety is the largest category of expenses followed by general government.

Revenues and Expenses Governmental Activities
Fiscal Year 2021

Revenues for governmental activities are shown graphically by type. The largest type of revenue for governmental activities is property taxes followed by infrastructure sales tax.

Revenue by Type Governmental Activities
Fiscal Year 2021

Revenues and expenses are shown by business-type activity. The Water and Sewer system is the largest business-type activity followed by the Solid Waste system.

Revenues and Expenses Business-type Activities
Fiscal Year 2021

Revenues for business-type activities are shown graphically by type. The largest type of revenue is fines, fees and charges for services followed by capital grants and contributions.

Revenue by Type Business-type Activities
Fiscal Year 2021

Governmental Activities

The current year increase in the net position of governmental activities amounted to \$233,724,640, an increase of 12.5% when compared to the previous year's net position. The previous fiscal years' increase in net position was 6.7%. The current years' increase is mainly due to the following:

- Overall, revenues related to governmental activities increased by 18.5%, or \$138,417,816 while expenses increased by 4.5%, or \$27,815,665.
- Governmental activities revenues increased primarily due to the 1% Local Government Sales Tax. Effective January 1, 2019, the tax generated \$99,588,370 in revenue during fiscal year 2021. Also contributing to the increase was an increase in total ad valorem taxes collected in fiscal year 2021, when compared to fiscal year 2020, of \$24,466,613. The increase in ad valorem revenues was due to a 6.1% increase in county wide taxable value.
- Public safety expenses decreased by \$29,301,477 largely due to decrease in costs related to the COVID-19 pandemic, versus fiscal year 2020, and pension costs. The focus of Collier County in the 2020 fiscal year was response to the COVID-19 pandemic, while the 2021 fiscal year shifted the focus to recovery. As such, economic environment expenses increased by \$10,071,799 or 98.9% and human services expenses increased by \$56,309,484 or 269.3% primarily due to COVID-19 related expenses and community assistance programs such as rental and mortgage assistance, small business assistance and food bank support.
- Interest expense increased 18.5% over fiscal year 2020, primarily due to interest and closing costs related to the Series 2020A and 2020B Special Obligation Bonds. These issuances are discussed in more detail in the notes to these financial statements.

Business-type Activities

The increase in net position related to business-type activities amounted to \$62,572,406 in the aggregate, representing a 5.8% increase over the previous year's net position. The previous fiscal year's increase in net position was 5.2%. The current year's increase is mainly due to the following:

- Collier County Water and Sewer District (District) saw an increase of \$37,448,992 in net position. The increase in the District's net position is largely due to a 2.9% user fee rate increase that went into effect October 1, 2020 and \$34,493,156 of water and sewer capital grants and contributions, the majority of which is related to developer infrastructure contributions.
- Solid Waste Disposal experienced an increase of \$9,464,511 in net position. This increase is primarily due to a 2.9% rate increase, \$1,155,581 in operating grants and contributions and \$1,344,998 in insurance reimbursements related to reimbursements for Hurricane Irma.
- Emergency Medical Services saw an increase of \$8,401,400 in net position. This increase primarily due to the decrease in personal services as a result in the decrease in the allocated pension plan expense of \$7,734,734.

Fund Financial Statement Analysis

As mentioned above, Collier County utilizes fund accounting to ensure compliance with finance related legal requirements.

Governmental Funds

Governmental funds provide information on near term inflows, outflows and balances of spendable resources. Unassigned fund balance is a useful measure of net resources available to be spent at the end of the fiscal year. Governmental funds consist of the General Fund, Special Revenue Funds, Permanent Funds, Debt Service Funds and Capital Project Funds.

As of September 30, 2021, Collier County governmental funds reported combined fund balances of \$990,656,234, an increase of \$212,726,886 when compared to prior year combined fund balances. The governmental funds had non-spendable fund balances of \$9,407,504 consisting of inventory, prepaid items, notes receivable, endowments and advances to other funds. The restricted fund balance was \$722,877,680 and consists of monies whose expenditure is externally constrained by grantors, creditors, binding law or enabling legislation. Of the remaining \$258,371,050 in fund balance, \$44,582,017 is classified as committed, \$96,673,130 is recorded as assigned and \$117,115,903 is recorded as unassigned.

The following were noteworthy activities and changes relating to the major governmental funds for fiscal year 2021:

- The General Fund is the primary operating fund of Collier County. At September 30, 2021, total fund balance in the General Fund was \$132,761,951, of which \$117,115,903 was unassigned. As a percentage of total general fund expenditures and net transfers, the unassigned portion is 27.8%. The total fund balance increased by \$12,933,195 or 10.8%, compared to the September 30, 2020 total fund balance. The General Fund's total fund balance increased due to increased Ad Valorem Tax collections of \$19,577,047. This increase was directly related to a 6.1% increase in county wide taxable value. The increase in revenue was offset by a \$5.3 million increase in the Sheriff's personal services due to step raises given and retirement payouts.

- The Bayshore Gateway Community Redevelopment Agency was created to benefit blighted areas in the Bayshore Gateway Triangle community. During fiscal year 2021, the Bayshore Gateway Community Redevelopment Agency collected \$2,348,500 in tax increment revenues. In addition, the agency received \$638,963 in miscellaneous revenues for rents and net proceeds from sale of land inventory and earned \$6,188 in interest income. Operating expenditures of \$1,520,181, mainly consisting of personal services and improvements to the water lines and fire hydrants within the district. In addition, capital expenditures of \$2,716,244 were made for land and a parking lot.
- The Immokalee Community Redevelopment Agency was created to benefit blighted areas in Immokalee. During fiscal year 2021, the Immokalee Community Redevelopment Agency collected \$893,300 in tax increment revenues. Operating expenditures of \$409,775, mainly personal services and general operating expenditures, were associated with the Immokalee Community Redevelopment Agency. In addition, capital expenditures of \$875,607 were made for bus shelters and sidewalk projects in the district. In addition, debt service expenditures of \$35,166 were made for leased office space.
- The Grants and Shared Revenue fund was established to account for the revenues received from federal, state and local grants. The Grants and Shared Revenue fund saw an increase in intergovernmental revenue of \$62,877,965 and an increase in human services expenditures of \$56,426,796 primarily as a result of state and local grants related to the COVID-19 pandemic for community assistance. Grant funded capital outlay included \$1,635,367 for stormwater improvements and \$140,810 in vehicles and equipment.
- The Infrastructure Sales Tax fund was established to account for the proceeds of the 1% Infrastructure Sales Tax. The tax was effective as of January 1, 2019 and fiscal year 2021 collections were \$99,588,370. The Infrastructure Sales Tax Fund earned interest revenue of \$121,201 and capital outlay totaled \$28,642,763. Capital outlay included \$15,452,233 for the Big Corkscrew Island Regional Park, \$2,601,618 for various air conditioning improvements, \$2,711,985 for road and bridge projects, \$5,317,011 for the Sheriff's Forensics Building and other jail improvements, \$1,155,510 for building automation and energy management system improvements, \$293,124 for hurricane resiliency projects, \$975,540 in electrical system upgrades for the main campus, \$68,657 for the Emergency Operations Center garage enclosure and \$67,085 for the new Emergency Medical Services Station in Golden Gate Estates.

Proprietary Funds

Proprietary fund statements provide the same information as the business-type activities in the government-wide financial statements, but in greater detail, and on a fund basis for enterprise funds.

At September 30, 2021, total net position amounted to \$1,141,034,869 for enterprise funds, as compared to \$1,077,516,482, as of September 30, 2020, an increase of \$63,518,387. Net position changes as a result of operations, non-operating revenues and expenses, capital contributions and grants and donations. For fiscal year 2021, the County Water and Sewer fund's activities represent the largest share of the increase in the business-type net position.

For the year ended September 30, 2021, the Collier County Water and Sewer District (District) reported capital grants and contributions of \$34,493,156, which consists of water and sewer impact fees of \$16,273,483, \$18,180,218 in developer infrastructure contributions and other capital contributions of \$39,455.

Net Operating Income/(Loss)

	2021	2020
County Water and Sewer	\$ 11,192,448	
Solid Waste Disposal	7,401,517	
Emergency Medical Services	(13,574,387)	
Non-major enterprise funds	(12,854,780)	
Total	\$ (7,835,202)	\$ -

The Collier County Water and Sewer District's net operating income decreased by \$2,529,195, or 18.4%, when compared to fiscal year 2020. The decrease in net operating income was primarily the result of a 2.9% rate increase effective October 2020, offset by a 5.3% increase in total operating expenses, including depreciation and amortization. Personal services expenses decreased due to a reduction of \$3,744,503 in pension expense, and operating expenses increased by \$11,692,838 mostly due to increases in utility parts and temporary labor costs. County Water and Sewer payments in lieu of taxes paid to the General Fund of \$8,934,700 were reclassified from operating expense to transfers out for financial statement purposes. These payments are reclassified pursuant to generally accepted accounting principles as the amount charged is not an approximation of services rendered.

The Solid Waste Disposal fund's net operating income increased by \$2,532,093, or 52.0%, when compared to fiscal year 2020. The increase in net operating income was primarily the result of a 2.9% increase in tipping rate offset by a 5.4% increase in total operating expenses, including depreciation and amortization. The Solid Waste Disposal payments in lieu of taxes paid to the General Fund of \$414,800 were reclassified from operating expense to transfers out for financial statement purposes. These payments are reclassified pursuant to generally accepted accounting principles as the amount charged is not an approximation of services rendered.

The Emergency Medical Services fund’s net operating loss decreased by \$7,161,461, or 34.5%, when compared to fiscal year 2020. The decrease in net operating loss was mainly brought by the decrease in personal services as a result of a reduction in the allocated pension plan expense of \$7,734,734.

Capital Assets

Collier County’s financial statements present capital assets in two distinct groups, those that are depreciated and those not subject to depreciation. Buildings and equipment are examples of assets that are depreciated and land and construction in progress are examples of assets not depreciated. Collier County’s investment in capital assets for the governmental and business-type activities amounted to \$2,811,206,727, net of accumulated depreciation. This investment in capital assets includes land, buildings and improvements, water and wastewater plants, machinery and equipment, parks, roads, beach renourishment and drainage structures. Investment in capital assets for the current fiscal year net of accumulated depreciation increased by \$121,273,006, when compared to the previous year. There was an increase in the governmental activities capital assets of \$76,119,764, or 4.5%, while the business-type activities capital assets increased by \$45,153,242, or 4.5%. The major capital asset activities during the current and previous fiscal years are as follows:

- Capitalization as construction in process of \$87,628,218 in governmental activity costs including \$23,176,558 related to the construction of the Paradise Coast Sports Complex, \$17,136,658 for the Big Corkscrew Island Regional Park, \$10,026,784 for the acquisition of the HHH Ranch and \$5,614,205 for Thomasson Drive Beautification. The remaining \$31,674,013 is related to \$5,607,657 in other transportation projects, \$1,814,404 in beach renourishment, \$11,056,106 in public safety projects, \$6,709,406 in stormwater projects and \$6,486,438 in other capital projects.
- The business-type activities capitalized \$91,185,571 of construction in process during fiscal year 2021 including \$7,668,990 for a new EMS helicopter, \$15,230,694 for the Marco Airport Terminal renovations, \$2,100,084 for the Immokalee Runway improvements, \$27,278,616 in master pump and force main system improvements, \$18,073,530 for Vanderbilt Drive Utility improvements, \$8,354,524 for improvements to the Naples Park Basin, and \$12,124,418 in other County Water and Sewer projects. The remaining \$354,715 was for various Mass Transit projects.
- Developer donated water and wastewater infrastructure in fiscal year 2021 amounted to \$18,180,218 and \$16,625,111 in fiscal year 2020. Subdivisions are required to meet County standards when installing water and wastewater services. Once completed and inspected, these assets are donated to and accepted by the County.
- Collier County acquired \$39,481,138 of land and non-depreciable assets in fiscal year 2021, compared to \$5,831,649 for fiscal year 2020. Fiscal year 2021 land purchases were primarily related to the acquisition of the Camp Keais property and various transportation projects.

Additional information regarding Collier County’s capital assets can be found in Note 6 beginning on page 55 of this report.

Debt Administration

At September 30, 2021, Collier County had total bonded debt, notes, loans, leases and financed purchase obligations of \$809,595,785, an increase of \$217,204,627 from the previous year. The following table illustrates the balances of all bonds, notes, loans, capital leases and financed purchase obligations for the fiscal years ended September 30, 2021 and 2020:

Outstanding Debt

	2021	2020
Limited General Obligation Bonds	\$ -	\$ 1,060,000
Revenue Bonds	607,311,269	348,349,213
Direct Placement Loans Payable	143,698,000	160,773,962
Commercial Paper and Notes Payable	50,429,848	74,010,065
Leases	8,128,231	8,063,564
Financed purchase obligations	28,437	134,354
Total	\$ 809,595,785	\$ 592,391,158

Collier County’s Special Obligation Revenue Bonds carry ratings of Aa1, AAA and AA by Moody’s, Standard and Poor’s and Fitch Ratings, Inc., respectively. The Series 2017 and 2019 Special Obligation Refunding Revenue Notes (Bank Term Loans) were issued as direct placements with commercial banks and therefore carry an implied rating of Aa1, AAA and AA by Moody’s, Standard and Poor’s and Fitch Ratings, Inc., respectively. The County’s Series 2012 Gas Tax Revenue Bonds carry ratings of A2, A+ and AA- by Moody’s, Standard and Poor’s and Fitch Ratings, Inc., respectively. The Series 2014 Gas Tax Revenue Bond (Bank Term Loan) was issued as a direct placement with a commercial bank and therefore carries an implied rating of A2, A+ and AA- by Moody’s, Standard and Poor’s and Fitch Ratings, Inc., respectively. Collier County’s Tourist Development Tax Revenue Bonds carry ratings of Aa3 and AA+ by Moody’s and Fitch Ratings, Inc., respectively. Collier County’s Water and Sewer Revenue Bonds carry ratings of Aaa and AAA, respectively, by Moody’s and Fitch Ratings, Inc. The Series 2015 and 2018 County Water and Sewer Revenue

Bonds were issued as direct placements with commercial banks and, as such, carry an implied rating of Aaa and AAA by Moody's and Fitch Ratings, Inc., respectively.

The Constitution of the State of Florida, Florida Statute 200.181 and Collier County set no legal debt limit. Further information regarding Collier County's long-term debt can be found in Note 7 beginning on page 56 of this report.

General Fund Budgetary Highlights

During the 2021 fiscal year, the General Fund expenditure appropriations increased by \$4,287,977. Significant variances between the original budget and the final amended budget are listed below:

- \$767,900 decrease in Other general administration operating to provide funding for land acquisition and to transfer funds to the County Manager's Office for retirement payouts.
- \$673,900 increase in the Clerk of the Circuit Court personal services due to an increase in staff to process client and subrecipient grant assistance from COVID-19 grant funds as well as a reorganization of the Inspector General's office.
- \$930,100 increase in the Clerk of the Circuit Court operating for office furniture and data processing equipment.
- \$457,008 increase in Public Services personal services due to a reorganization.
- \$719,000 increase in Sheriff's personal services related to special detail duties.
- \$761,820 increase in Economic Development operating due to re-budgeting of lapsed appropriations from the previous fiscal year and to provide impact fee assistance for the new Immokalee Career Path Learning Lab.

Significant variances between actual results and final budget amounts in the General Fund occurred during fiscal year 2021. Tax revenues were under budget by \$11,674,776 primarily due to the early payment discount allowed for property taxes. The discount ranges from a maximum 4.0% to 1.0%, depending on the date of payment. The Economic Development operating was \$1,173,643 under budget due to delays in various projects due to the pandemic. The Economic Development Department re-budgeted these funds in fiscal year 2022. Park operations were \$1,633,222 under budget in large part due to the delay of opening the new Big Corkscrew Regional Park, cost savings while the water park was closed for renovations and lower than expected maintenance costs at the Golden Gate Golf Course property. The Parks Department has re-budgeted \$780,947 of those funds in fiscal year 2022 to finish acquiring new equipment and supplies for the new park.

Economic Factors and Year 2022 Budgets and Rates

The following factors were taken into account in preparing the fiscal year 2022 budget:

- A 3.0% increase in countywide taxable property values.
- Millage neutral General Fund tax rate.
- A \$1,000 per employee general wage adjustment.
- Maintain health care program contributions at 80% employer and 20% employee across all agencies (excluding Sheriff).

During fiscal year 2021, the General Fund unassigned fund balance increased by \$12,817,278 to \$117,115,903. As of January 31, 2022, \$102,203,636 of the fiscal year 2021 unassigned fund balance has been appropriated as carryforward for fiscal year 2022, with \$65,403,725 budgeted in reserves.

Contact Information

This financial report is intended to give the user a general overview of Collier County Government's finances. Any questions resulting from review of this information may be addressed to:

Collier County Clerk of the Circuit Court and Comptroller
Department of Finance and Accounting
3299 Tamiami Trail East, Suite #403
Naples, Florida 34112-5746

COLLIER COUNTY, FLORIDA
RECONCILIATION OF THE BALANCE SHEET OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF NET POSITION
September 30, 2021

Differences in amounts reported for governmental activities in the statement of net position on pages 16-17:

Fund balances - total governmental funds	\$	990,656,234
--	----	-------------

Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds. Those assets consist of:

Land and other non-depreciable assets	\$	524,086,375	
Construction in progress		94,184,755	
Depreciable assets, net of \$1,186,273,214 in accumulated depreciation		1,114,343,686	1,732,614,816

Certain revenues will be collected after year-end, but are not available to pay for the current period's expenditures, and therefore are reported as deferred inflows in the funds.		6,604,694
---	--	-----------

Certain liabilities applicable to the County's governmental activities are not due and payable in the current period and accordingly are not reported as fund liabilities. Interest on long-term debt is not accrued in the governmental funds, but is recognized as an expenditure when due. All liabilities are reported in the statement of net position. Balances at September 30, 2021 are:

Accrued interest on bonds	\$	(6,605,243)	
Bonds, loans and notes payable		(394,712,000)	
Financed purchase obligations		(28,437)	
Lease obligations		(7,415,266)	
Compensated absences		(34,326,791)	
Total OPEB liability		(34,495,752)	
Pension liability		(114,631,647)	
Unamortized premium		(26,725,629)	(618,940,765)

Unamortized deferred charges on refunding		9,207,197
---	--	-----------

OPEB deferred outflows		9,044,421
Pension deferred outflows		63,441,710

OPEB deferred inflows		(1,166,076)
Pension deferred inflows		(180,598,443)

Internal service funds are used by the County to charge self-insurance, fleet management, motor pool capital recovery and information technology services to individual funds. The assets, deferred outflows, liabilities and deferred inflows of the internal service funds are included in governmental activities in the statement of net position. Internal service fund net position is:

Total net position - governmental activities		89,422,267
		\$ 2,100,286,055

COLLIER COUNTY, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND
CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
For the Fiscal Year Ended September 30, 2021

Differences in amounts reported for governmental activities in the statement of activities on pages 18-19:

Net change in fund balances - total governmental funds \$ 212,726,886

Governmental funds report capital outlays as expenditures. However, in the statement of net position the cost of these assets is allocated over their estimate useful lives and reported as depreciation and amortization expense.

Capital outlay	\$ 164,344,250	
Depreciation and amortization expense	<u>(86,658,757)</u>	77,685,493

Donations of capital assets are not financial resources to governmental funds, but receiving donated assets increases net position in the statement of net position. 801,740

Capital assets transferred to and from proprietary funds are not recorded in the governmental funds as there is no flow of current financial resources. 2,440,560

In the statement of net position, the gain or loss on the sale of capital assets is reported. However, in the governmental funds the proceeds from the sale of capital assets increase financial resources. The change in net position differs from the change in fund balances by the net book value of assets disposed. (2,811,082)

The statement of net position records the loss on termination of lease payable obligations as a reduction of net position. However, this is not recorded in the governmental funds as there is no flow of current financial resources. 1,265,311

Certain revenues not considered available are not recognized in the governmental funds but are included in the statement of activities. 453,411

Debt proceeds provide current financial resources for governmental funds, but issuing debt increases liabilities in the statement of net position. Repayment of principal on long-term debt is an expenditure in governmental funds, but a reduction of long-term liabilities in the statement of net position.

Bond proceeds	\$ (99,175,000)	
Bond, loan and note principal payments	29,837,218	
Payment to current refunding escrow	10,000,000	
Premium on bonds issued	(16,925,397)	
Lease proceeds	(2,657,716)	
Payments on lease obligations	<u>1,246,423</u>	(77,674,472)

Certain amounts reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds.

Compensated absences	\$ (2,609,554)	
OPEB expense	(1,331,211)	
Pension expense	21,996,675	
Accrued interest on bonds and loans	(1,348,440)	
Amortization of bond insurance premium	(3,114)	
Amortization of deferred charges on refunding	(1,274,546)	
Amortization of premium	<u>2,260,160</u>	17,689,970

The net revenues of internal service funds are reported with governmental activities. 1,146,823
 Change in net position - governmental activities \$ 233,724,640

The notes to the financial statements are an integral part of this statement.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Collier County, Florida (County) have been prepared in accordance with accounting principles generally accepted in the United States of America for governmental entities (GAAP). The more significant of the County's accounting policies are described below.

THE REPORTING ENTITY

Entity status for financial reporting purposes is governed by Governmental Accounting Standards Board (GASB) Statement No. 14, The Financial Reporting Entity, as amended. The GASB is the standard setting body for the establishment of GAAP in governmental entities. Determination of the financial reporting entity of the County is founded upon the objective of accountability. These financial statements include the County government (the primary government) and two types of legally separate component units (blended and discrete). Component units are legally separate agencies that the primary government is financially accountable for or organizations which should be included in the reporting entity because of the nature and significance of their relationship with the primary government.

Financial accountability is determined by the primary government's ability to appoint the voting majority of the entity's board and impose its will on the organization or there is a potential specific financial benefit/burden relationship. Financial accountability also exists if an organization is fiscally dependent and there is a potential specific financial benefit/burden relationship.

The primary government consists of Collier County, a political subdivision of the State of Florida that was established in 1923 by the Florida State Legislature. The County is governed by a Board of County Commissioners which consists of five members elected within single member districts. In addition, there are five separately elected Constitutional Officers: the Tax Collector, Property Appraiser, Sheriff, Clerk of the Circuit Court and Comptroller and Supervisor of Elections. The Constitutional Officers are elected county wide. Under the direction of the Clerk of the Circuit Court and Comptroller, the Finance and Accounting Department maintains the accounting system for the operations of the Board of County Commissioners, Supervisor of Elections and the Clerk of the Circuit Court and Comptroller. The Tax Collector, Property Appraiser and Sheriff each maintain their own accounting systems. For financial reporting purposes, the operations of the Board of County Commissioners and the Constitutional Officers are combined and presented as the primary government.

The County's blended component units consist of organizations whose respective governing Boards are composed entirely of the Board of County Commissioners serving ex-officio. These entities are legally separate, however the County has the financial and operational responsibility for these component units. In accordance with GASB Statement No. 14, as amended, these organizations are reported as if they were part of the County's operations.

Collier County Water and Sewer District (District) - The District was established by Chapter 88-499, Laws of Florida, as amended by Chapter 03-353, to provide water, sewer and effluent services to portions of the unincorporated area of Collier County.

Collier County Community Redevelopment Agency (CRA) - The CRA was established by Resolution 2000-82 to benefit blighted areas in both the Immokalee Redevelopment and Bayshore/Gateway Triangle Redevelopment Areas. These two redevelopment areas are geographically separate and distinct.

Collier County Airport Authority - The Board of County Commissioners was established as the governing body of the Airport Authority by Ordinance 2010-10. The Airport Authority is responsible for construction, improvement, equipment, development, regulation, operation and maintenance of the Marco Island, Immokalee and Everglades Airports and all related airport facilities.

Collier County Metropolitan Planning Organization (MPO) - The MPO was created in 1981 by Collier County Resolution 81-222 pursuant to Section 334.215, Florida Statutes, as amended by Section 339.175, Florida Statutes. The purpose of the MPO is to provide planning for all modes of travel in order to benefit the citizens of Collier County. The MPO is reported as part of the Grants and Shared Revenues fund.

The County's discretely presented component units consist of organizations whose board members are appointed by the Board of County Commissioners. The County is able to impose its will on these entities because of its ability to remove appointed members from the component units' Boards. The Authorities maintain their own financial records, but do not issue separate financial statements. GASB Statement No. 14, as amended, requires that the financial data of the following organizations be reported in separate columns to emphasize that they are legally separate from the County.

Collier County Housing Finance Authority - The Authority was formed in 1980 by Collier County Ordinance 80-66 for the purpose of stimulating the construction of residential housing for low and moderate income families through the use of public financing. Their financial position and results of operations are reported in the accompanying financial statements and the outstanding conduit debt issued by the Authority is disclosed in Note 8, "Conduit Debt Obligations".

Collier County Health Facilities Authority - The Authority was established in 1979 by Collier County Ordinance 79-95 for the purpose of assisting health facilities in the acquisition, construction and financing of projects within the County. Their financial position and results of operations are reported in the accompanying financial statements and the outstanding conduit debt issued by the Authority is disclosed in Note 8, "Conduit Debt Obligations".

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Collier County Industrial Development Authority - The Authority was created in 1978 by Collier County Resolution 78-94, rescinded and replaced by Resolution 79-34, to facilitate the financing of projects that promote economic growth and increase opportunities for employment in the County. Their financial position and results of operations are reported in the accompanying financial statements and the outstanding conduit debt issued by the Authority is disclosed in Note 8, "Conduit Debt Obligations".

Collier County Educational Facilities Authority - The Authority was created in 1999 by Collier County Resolution 99-17 to assist institutions for higher education in the construction, financing and refinancing of projects. Their financial position and results of operations are reported in the accompanying financial statements and the outstanding conduit debt issued by the Authority is disclosed in Note 8, "Conduit Debt Obligations".

Financial information on the individual component units can be obtained from their respective administrative offices or from the Finance and Accounting Department of the Clerk of the Circuit Court and Comptroller.

GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The basic financial statements are made up of the government-wide financial statements and fund financial statements. Both of these sets of financial statements distinguish between the governmental and business-type activities of Collier County. The government-wide financial statements consist of a Statement of Net Position and a Statement of Activities. These statements report on the financial condition of Collier County, at the reporting entity level. Internal balances represent net amounts due between the governmental and business-type activities. As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements with the exception of interfund services provided and used. The internal service activity has also been eliminated from the government-wide financial statements. Aggregate internal service fund activity is reported in full as a single column in the proprietary fund financial statements. Fiduciary funds are not included in these presentations as their assets do not represent amounts that are available for Collier County government operations. The Statement of Net Position reports all financial and capital resources of Collier County's governmental and business-type activities. Net position equals assets plus deferred outflows of resources minus liabilities plus deferred inflows of resources, and is shown in three categories: net investment in capital assets; restricted net position and unrestricted net position. The Statement of Activities reports results of operations on a functional activity (program) basis and demonstrates to what degree the particular program has been self-supporting.

Direct expenses are those that are specifically associated with a service, program or department and, thus are clearly identifiable to a particular function. The effect of indirect expense allocations has been eliminated in the government-wide financial statements. Depreciation expense for capital assets that can specifically be identified with a function is recorded as a direct expense of that function. Depreciation for capital assets that serve all functions is recorded as a direct expense of the general government function on the government-wide Statement of Activities. All interest on general long term debt is considered indirect and is reported separately in the government-wide Statement of Activities.

Program revenues are reported in the following three categories: charges for services, operating grants and contributions and capital grants and contributions. Charges for services are amounts charged to customers for a particular service, and are netted against the cost of the relevant program. Internal charges for indirect services are allocated across functions as direct expenses. Grants and contributions refer to revenues restricted for capital or operational use in a particular program. The general revenue category encompasses all other revenue types and represents revenue collected to support all functions of Collier County government.

The fund financial statements follow the government-wide statements and report more detailed information about operations of major funds on an individual basis and nonmajor funds on an aggregate basis for the governmental and proprietary funds. Following the governmental fund balance sheet and statement of revenues, expenditures and changes in fund balances are reconciliations explaining the differences between the governmental fund presentation and the government-wide presentation.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

BASIS OF PRESENTATION

The following are reported as major governmental funds:

General Fund – the General Fund is the general operating fund of the County. All general tax revenues and other receipts that are not accounted for in other funds are accounted for in the General Fund. The general operating funds of the Clerk of the Circuit Court and Comptroller, Property Appraiser, Sheriff, Supervisor of Elections and Tax Collector are presented together with the Board of County Commissioners' general operating fund in the County's consolidated General Fund.

Bayshore/Gateway and Immokalee Community Redevelopment Area Special Revenue Funds – the Redevelopment funds are used to account for the receipt and expenditure of tax increment revenues generated by the Bayshore/Gateway and Immokalee Community Redevelopment Areas.

Grants and Shared Revenue Special Revenue Fund – the Grants and Shared Revenue fund is used to account for the receipt and expenditure of federal, state and local grants.

Infrastructure Sales Tax Capital Project Fund – the Infrastructure Sales Tax fund is used to account for the receipt and expenditure of an additional one-cent sales surtax approved by the voters.

The following are reported as major enterprise funds:

County Water and Sewer Fund – the County Water and Sewer fund is used to account for the provision of water, wastewater and effluent services to certain portions of the County's unincorporated area.

Solid Waste Disposal Fund – the Solid Waste Disposal fund is used to account for the provision of solid waste disposal services to users throughout the County.

Emergency Medical Services Fund – the Emergency Medical Services fund is used to account for the provision of emergency ambulance and paramedical services to users throughout the County.

Collier County also maintains the following nonmajor fund types:

Special Revenue Funds – Special revenue funds are used to account for the proceeds of specific revenue sources that are restricted or committed to expenditure for specific purposes other than debt service or capital projects.

Permanent Fund – Permanent funds are used to account for resources that were legally restricted to the extent that only earnings and not principal may be spent. Collier County operates a permanent fund to defray costs associated with the maintenance and management of conservation land.

Debt Service Funds – Debt service funds are used to account for the accumulation of resources that are restricted, committed or assigned to expenditure for principal and interest related to long-term obligations.

Capital Project Funds – Capital project funds are used to account for the accumulation of resources that are restricted, committed or assigned to expenditure for capital outlays including the acquisition or construction of capital facilities and other capital assets.

Enterprise Funds – Enterprise funds are used to account for activities for which a fee is charged to external users for goods or services.

Internal Service Funds – Internal service funds are used to account for the provision of goods and services by one department to other departments within the County or to other governmental units on a cost reimbursement basis. Collier County currently reports the following Internal Service Funds: Self-Insurance, Sheriff's Self-Insurance, Fleet Management, Motor Pool Capital Recovery and Information Technology.

Fiduciary Funds - Custodial Funds – Fiduciary funds - custodial funds are used to account for assets held by Collier County as an agent for individuals, private organizations and other governments. Custodial funds are custodial in nature. Custodial funds are accounted for using the accrual basis of accounting. The Sheriff, Clerk of the Circuit Court and Comptroller and Tax Collector all maintain custodial funds.

MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

Measurement focus indicates the type of resources being measured such as current financial resources (current assets less current liabilities) or economic resources (all assets and liabilities). Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. The basis of accounting relates to the timing of the measurements made regardless of the measurement focus applied.

The government-wide and proprietary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. With this measurement focus, all assets and liabilities associated with the operation of these funds are included on the Statement of Net Position and the operating statements present increases (i.e., revenues) and

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

decreases (i.e., expenses) in net position. Under the accrual basis of accounting, revenues are recognized in the period in which they are earned and measurable, and expenses are recognized in the period incurred. Grant and similar revenues are recognized when eligibility requirements are met. Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. Operating expenses for proprietary funds include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in fund balance. Under the modified accrual basis of accounting, revenues are recognized when they become measurable and available to finance expenditures of the fiscal period. Generally, revenues are considered available when they are collected within the current period or within 60 days after the end of the fiscal year. Grant revenues are an exception and are considered available when eligibility requirements are met. Primary revenues which have been treated as susceptible to accrual include, where material, charges for services, interest earnings and certain taxes and intergovernmental revenues. Property taxes are discussed later in Note 1. Expenditures are recorded when the related fund liability is incurred. Exceptions to this general rule include accrued compensated absences, pension, other postemployment benefits and principal and interest on long-term debt.

When both restricted and unrestricted resources are available, restricted resources will be used first for incurred expenses, and then unrestricted as needed. When using the unrestricted resources, committed amounts would be reduced first, followed by assigned amounts, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

BUDGETS AND BUDGETARY DATA

The following are the statutory procedures followed by the Board of County Commissioners in establishing the budgets for the County:

1. Within fifteen days after certification of the ad valorem tax roll by the Property Appraiser, the County budget officer prepares and presents to the Board a tentative budget for the ensuing fiscal year. The budget includes all estimated receipts and all estimated expenditures, reserves and balances to be carried forward at the end of the year as specified in Section 129.03, Florida Statutes.
2. Within eighty days of the certification of value, but not earlier than sixty-five days after certification, the Board holds a public hearing on the tentative budget and proposed millage rate. At this hearing the Board amends and adopts the tentative budget, recomputes the proposed millage rate, and announces publicly the percentage, if any, by which the recomputed proposed millage rate exceeds the rolled-back rate. If the millage rate tentatively adopted exceeds that proposed, each taxpayer within the jurisdiction is notified of the increase by first class mail, at the expense of the Board.
3. Within fifteen days of the meeting adopting the tentative budget, the Board advertises the County's intent to adopt a final budget and millage rate.
4. A public hearing is held by the Board to finalize the budget and adopt a millage rate. This hearing is held not less than two days and not more than five days after the day that the advertisement is first published. Prior to September 30, the millage levy is adopted by a separate vote. The millage rate adopted is not allowed to exceed the tentatively adopted millage rate, except as allowed for by emergency provision with strict public notice requirements. This is followed by the approval and ratification of the final budget.
5. The resolution approved at the final hearing is forwarded to the Property Appraiser, Tax Collector and Florida Department of Revenue, not later than thirty days following the adoption of the Resolution, the Board certifies to the State of Florida, Department of Revenue, Division of Ad Valorem Tax, that it has complied with the provisions of Chapter 200, Florida Statutes.
6. The County Manager approves intradepartmental budget changes within the same fund of \$50,000 or less that do not impact reserves or recognize revenue. All other budgetary changes must be approved by the Board of County Commissioners as a matter of policy. The initial adopted budget was amended in accordance with Florida Statutes.
7. Florida State Section 129.07, as amended in 1978, provides that expenditures in excess of total fund budgets are unlawful. However, because the Board approves all budgetary changes between departments, except those approved by the County Manager, the departmental budget becomes the level of control.

Formal budgetary integration is employed as a management control device during the fiscal year for all funds. Budgets have been legally adopted by the Board for all Board departments except for the custodial funds. The Property Appraiser and the Tax Collector adopt budgets for their general funds independently of the Board. The Clerk of Courts operates as a fee officer, and as such, prepares its non-court budget in accordance with Section 218.35, Florida Statutes.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Sheriff and Supervisor of Elections prepare budgets for their general funds, which are submitted to and approved by the Board. The Clerk of Court's budget for court related functions is prepared according to Section 28.36 Florida Statutes and submitted to the Clerks of Court Operations Corporation for approval by the Legislative Budget Commission.

Budgets are adopted for all governmental departments except as described in the previous paragraph. These budgets are adopted on a basis consistent with generally accepted accounting principles (GAAP) except for certain non-budgeted revenues and expenditures and mark to market activity on investments. All unencumbered appropriations lapse at the end of the current year. For further information regarding encumbrances, refer to Note 17 on page 78.

Capital project costs are budgeted in the year they are anticipated to be obligated. In subsequent years, the unused budget is reappropriated until the project is completed. Proprietary funds are budgeted on a basis consistent with generally accepted accounting principles, except that capital related and debt transactions are based upon cash receipts and disbursements. Estimated beginning fund balances are considered in the budgetary process.

For purposes of the budgetary presentation, certain transactions that have been accounted for in the governmental funds statements of revenues, expenditures and changes in fund balances have not been reflected in the budgetary financial statements. Specifically, bad debt expense and the net change in fair value of investments are not presented in the budget to actual statements.

CASH AND INVESTMENTS

Florida Statutes Section 218.415 establishes guidelines for Florida local government investment policies. The County's current investment policy, as amended, was adopted December 9, 2014 by Resolution 2014-260 and is consistent with the requirements of that statute. This investment policy authorized the following investments:

1. U.S. Treasury and Government Guaranteed – U.S. Treasury obligations and obligations the principal and interest of which are backed or guaranteed by the full faith and credit of the U.S. Government;
2. Federal Agency/Government Sponsored Enterprise – Debt obligations, participations or other instruments issued or fully guaranteed by any U.S. Federal agency, instrumentality or government sponsored enterprise;
3. Corporates – U.S. dollar denominated corporate notes, bonds or other debt obligations issued or guaranteed by a domestic corporation, financial institution, non-profit or other entity;
4. Municipals – Obligations, including both taxable and tax-exempt, issued or guaranteed by any State, territory or possession of the United States, political subdivision, public corporation, authority, agency board, instrumentality or other unit of local government of any State or territory;
5. Agency Mortgage Backed Securities – Mortgage backed securities, backed by residential, multi-family or commercial mortgages, that are issued or fully guaranteed as to principal and interest by a U.S. Federal agency or government sponsored enterprise, including but not limited to pass-throughs, collateralized mortgage obligations and real estate mortgage investment conduits;
6. Non-Negotiable Certificates of Deposit - Non-negotiable interest bearing time certificates of deposit or savings accounts in banks organized under the laws of this state or in national banks organized under the laws of the United States and doing business in this state, provided that any such deposits are secured by the Florida Security for Public Deposits Act, Chapter 280, Florida Statutes;
7. Depository Bank Account – Negotiated Order of Withdrawal accounts in banks organized under the laws of this state or in national banks organized under the laws of the United States and doing business in this state, provided that any such deposits are secured by the Florida Security for Public Deposits Act, Chapter 280, Florida Statutes;
8. Commercial Paper – U.S. dollar denominated commercial paper issued or guaranteed by a domestic corporation, company, financial institution, trust or other entity, including both unsecured debt and asset backed programs;
9. Repurchase Agreements – Repurchase agreements must be governed by written agreement, counterparty must be a Federal Reserve Bank, a Primary Dealer or a nationally chartered commercial bank. Acceptable underlying securities must be direct obligations of, or that are fully guaranteed by, the United States or any agency of the United States, or U.S. Agency backed mortgage related securities with an aggregate current market value of at least 102% (or 100% if the counterparty is a Federal Reserve Bank) of the purchase price plus current accrued price differential;
10. Money Market Funds – Shares in open end and no load money market mutual funds, provided such funds are registered under the Investment Company Act of 1940 and operate in accordance with Security and Exchange Commission Rule 2a-7;
11. Fixed-Income Mutual Funds – Shares in open end and no load fixed income mutual funds whose underlying investments would be permitted for purchase under the investment policy and all its restriction;

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

12. Local Government Investment Pools – State, local government or privately sponsored investment pools that are authorized pursuant to state law;
13. The Florida Local Government Surplus Funds Trust Funds (Florida Prime).

The County maintains a cash and investment pool that is available for use by all funds. Investment income is allocated to individual funds based upon their average daily balance in the cash and investment pool. Each fund's individual equity in the County's cash and investment pool is considered to be a cash equivalent as the funds can deposit or withdraw cash at any time without notice or penalty. The statement of cash flows for the proprietary funds also uses this methodology.

Investments in debt securities are recorded at fair value based upon values obtained from an independent pricing service. Investments in the Local Government Investment Pools (FL PALM and FLCLASS) and the Local Government Surplus Funds Trust Fund (Florida PRIME) are stated at fair value. The County categorizes its fair value measurements within the fair value hierarchy established in GASB Statement No. 72, *Fair Value Measurements and Application*.

Florida Public Assets for Liquidity Management's FL PALM Portfolio Board of Trustees has determined that it will manage the FL PALM Portfolio in accordance with GASB Statement No. 79, *Certain External Investment Pools and Pool Participants* requirements, as applicable, for continued use of amortized cost. Therefore, the fair value of the County's position in the pool is the same as the value of the pool shares. Throughout the year, and as of September 30, 2021, FL PALM Portfolio contained certain floating and adjustable rate securities. These investments represented 34.0% of the FL PALM Portfolio's investments as of September 30, 2021. In addition, and in accordance with GASB 79, the County should disclose the presence of any limitations or restrictions on withdrawals in notes to the financial statements. The FL PALM portfolio Board of Trustees (Trustees) can suspend the right of withdrawal or postpone the date of payment if the Trustees determine that there is an emergency that makes the sale of a Portfolio's securities or determination of its net asset value not reasonably practical.

Florida Cooperative Liquid Assets Securities System (FLCLASS) follows Financial Accounting Standards Board (FASB) Accounting Standards Topic (ASC) 820 *Fair Value Measurement and Disclosure* for financial reporting purposes. ASC 820 defines fair value, establishes a single framework for measuring fair value, and requires disclosures about fair value measurement. FLCLASS does not meet all of the specific criteria outlined in GASB 79 for measurement at amortized cost. FLCLASS measures its investments at fair value in accordance with paragraph 41 of GASB 79 and paragraph 11 of GASB Statement No. 31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools*, as amended, and therefore a participant's investment in FLCLASS is not required to be categorized within the fair value hierarchy for purposes of paragraph 81a(2) of GASB 72. Throughout the year, and as of September 30, 2021, FLCLASS Daily Liquidity Pool and FLCLASS Enhanced Cash Pool contained certain floating and adjustable rate securities. These investments represented 29.0% and 7.9%, respectively, of the FLCLASS Daily Liquidity Pool and Enhanced Cash Pool as of September 30, 2021.

Florida PRIME, administered by the State Board of Administration (SBA) is considered a qualifying external investment pool that meets all of the necessary criteria to elect to measure all of the investments at amortized cost. Therefore, the fair value of the County's position in the pool is the same as the value of the pool shares. The Florida PRIME investments are not categorized because they are not evidenced by securities that exist in physical or book entry form. Throughout the year, and as of September 30, 2021, Florida PRIME contained certain floating and adjustable rate securities. These investments represented 9.6% of Florida PRIME's portfolio at September 30, 2021.

In accordance with GASB Statement No. 79, *Certain External Investment Pools and Pool Participants*, as a participant in a qualifying external investment pool, the County should disclose the presence of any limitations or restrictions on withdrawals (such as redemption notice periods, maximum transaction amounts, and the qualifying external investment pool's authority to impose liquidity fees or redemption gates) in notes to the financial statements.

With regard to redemption gates, Chapter 218.409(8)(a), Florida Statutes, states that "The principal, and any part thereof, of each account constituting the trust fund is subject to payment at any time from the moneys in the trust fund. However, the Executive Director may, in good faith, on the occurrence of an event that has a material impact on liquidity or operations of the trust fund, for 48 hours limit contributions to or withdrawals from the trust fund to ensure that the Board can invest moneys entrusted to it in exercising its fiduciary responsibility. Such action must be immediately disclosed to all participants, the Trustees, the Joint Legislative Auditing Committee, the Investment Advisory Council, and the Participant Local Government Advisory Council. The Trustees shall convene an emergency meeting as soon as practicable from the time the Executive Director has instituted such measures and review the necessity of those measures. If the Trustees are unable to convene an emergency meeting before the expiration of the 48-hour moratorium on contributions and withdrawals, the moratorium may be extended by the Executive Director until the Trustees are able to meet to review the necessity for the moratorium. If the Trustees agree with such measures, the Trustees shall vote to continue the measures for up to an additional 15 days. The Trustees must convene and vote to continue any such measures before the expiration of the time limit set, but in no case may the time limit set by the Trustees exceed 15 days."

With regard to liquidity fees, Florida Statute 218.409(4) provides authority for the SBA to impose penalties for early withdrawal, subject to disclosure in the enrollment materials of the amount and purpose of such fees. At present, no such disclosure has been made.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

As of September 30, 2021, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant’s daily access to 100 percent of their account value.

RECEIVABLES

All trade receivables are reported net of an allowance for uncollectibles, which is generally all receivables outstanding in excess of one year, except for Emergency Medical Services receivable, which uses an estimated uncollectible percentage.

INVENTORIES AND PREPAID COSTS

Inventory is valued at cost using the first-in, first-out method. Inventory in the governmental funds consists of supplies held for consumption. The cost is recorded as an expenditure at the time inventory items are consumed rather than when purchased. Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items. Inventories and prepaid costs reported within governmental funds are classified as non-spendable, which indicates that they do not constitute available resources. Inventories and prepaid costs in the government-wide and proprietary fund financial statements are reported as an expense when consumed.

Inventory held for resale consists of real estate holdings, acquired through various programs, which the County intends to sell. The value of these properties includes the original purchase price plus the cost of any rehabilitation. Inventory held for resale of \$3,923,733 is classified as restricted, which indicates that they do not constitute available resources.

CAPITAL ASSETS

Capital assets, which include property, plant, equipment and infrastructure (e.g., roads and bridges, water and wastewater systems, drainage systems and similar items), are reported in the proprietary fund financial statements and in the governmental or business-type activities columns in the government-wide financial statements. Capital assets are reported at cost where historical records are available and at estimated fair value in the absence of historical cost records. Capital contributions are recorded at acquisition value on the date donated.

The County capitalizes expenditures with a cost of \$5,000 or more and with a useful life in excess of one year. Betterments and major improvements which significantly increase value, change capacity or extend useful lives are also capitalized. Expenditures for maintenance and repairs are charged to operating expenses. The cost of capital assets retired or sold, together with the related accumulated depreciation, is removed from the respective accounts and any gain or loss on disposition is credited or charged to earnings in the government-wide financial statements and proprietary fund financial statements.

Depreciation is calculated using the straight-line method. The estimated useful life of the various classes of depreciable capital assets is as follows:

Capital Asset Class	Estimated Useful Life
Buildings	20-45 years
Infrastructure	3-30 years
Improvements other than buildings	4-45 years
Machinery and equipment	3-20 years

FINANCED PURCHASE OBLIGATIONS

In the government-wide financial statements and proprietary fund financial statements, financed purchase obligations and the related cost of assets acquired are reflected in the Statement of Net Position. For financed purchase obligations originating in governmental funds, an expenditure for the asset and an offsetting other financial source are reflected in the fund financial statements in the year of inception.

LEASES

The County is a lessee for noncancellable leases of land, building, office space and equipment. The County recognizes a lease liability and an intangible right-to-use lease asset (lease asset) in the government-wide and proprietary fund financial statements.

At the commencement of a lease, the County initially measures the lease liability at the present value of payments expected to be made during the lease term. Subsequently, the lease liability is reduced by the principal portion of lease payments made. The lease asset is initially measured as the initial amount of the lease liability, adjusted for lease payments made at or before the lease commencement date, plus certain initial direct costs. Subsequently, the lease asset is amortized on a straight-line basis over the term of the lease.

Key estimates and judgments related to leases include how the County determines (1) the discount rate it uses to discount the expected lease payments to present value, (2) lease term, and (3) lease payments.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The County uses the interest rate charged by the lessor as the discount rate. When the interest rate charged by the lessor is not provided, the County generally uses its estimated incremental borrowing rate as the discount rate for leases.

The lease term includes the noncancellable period of the lease. Lease payments included in the measurement of the lease liability are comprised of fixed payments and any purchase option price that the County is reasonably certain to exercise. In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options are only included in the lease term if the lease is reasonably certain to be extended.

The County monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease asset and liability if certain changes occur that are expected to significantly affect the amount of the lease liability.

Leased assets are reported with other capital assets and lease liabilities are reported with long-term debt on the statement of net position.

Payments due under the lease contracts include fixed payments plus, for many of the County's leases, variable payments. For office space leases that include variable payments, those payments include the County's proportionate share of property taxes, insurance, and common area maintenance. For office equipment leases for which the County has elected not to separate lease and non-lease components, maintenance services are provided by the lessor at a fixed cost and are included in the fixed lease payments.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- Fixed payments (including in-substance fixed payments), less any lease incentives receivable.
- Amounts expected to be payable by the County under residual value guarantees.
- The exercise price of a purchase option if it is reasonably certain the option will be executed.
- Payments of penalties for terminating the lease, if the lease term reflects the County exercising that option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. Extension and termination options are included in a number of property and equipment leases across the County. These are used to maximize operational flexibility in terms of managing the assets used in the County's operations. The majority of extension and termination options held are exercisable only by the County and not by the respective lessor.

The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the group, the lessee's incremental borrowing rate is used. The incremental borrowing rate is the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

Variable payments that depend on an index or a rate (such as the Consumer Price Index or a market interest rate) are initially measured using the index or rate as of the commencement of the lease term.

The County is a lessor for noncancellable leases of land, building, office space and equipment. The County recognizes a lease receivable and a deferred inflow of resources in the government-wide, proprietary fund and governmental fund financial statements.

At the commencement of a lease, the County initially measures the lease receivable at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of lease payments received. The deferred inflow of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflow of resources is recognized as revenue over the term of the lease.

Key estimates and judgments include how the County determines (1) the discount rate it uses to discount the expected lease receipts to present value, (2) lease term, and (3) lease receipts.

The County uses its estimated incremental borrowing rate as the discount rate for leases.

The lease term includes the noncancellable period of the lease. Lease receipts included in the measurement of the lease receivable is comprised of fixed payments from the lessee.

The County monitors changes in circumstances that would require a remeasurement of its lease, and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

DEFERRED OUTFLOWS/INFLOWS OF RESOURCES

In addition to assets, the statement of financial position reports a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

The deferred outflows of resources reported in the County's statement of net position represent changes in actuarial assumptions, the net difference between projected and actual earnings on investments, changes in the proportion and differences between the County's contributions and proportionate share of contributions and the County's contributions subsequent to the measurement date, relating to the Florida Retirement System Pension Plan and the Retiree Health Insurance Subsidy Program. In addition, deferred outflows related to the difference between expected and actual economic experience relating to the Florida Retirement System Pension and the Other Post Employment Benefits Plan were reported. These amounts will be recognized as increases in pension expense and OPEB expense in future years. The County also reports the deferred charge on refunding as a deferred outflow in the proprietary and government wide statements of net position. A deferred charge results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

In addition to liabilities, the statement of financial position reports a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The deferred inflows of resources reported in the County's statement of net position represent the difference between expected and actual economic experience, changes in actuarial assumptions, net difference between projected and actual earnings on investments, and changes in the proportion and differences between the County's contributions and proportionate share of contributions relating to the Florida Retirement System Pension Plan, the Retiree Health Insurance Subsidy Program and the Other Post Employment Benefits Plan. These amounts will be recognized as reductions in pension expense and OPEB expense in future years. The County has also recorded amounts associated with long term receivables, primarily related to deferred impact fee agreements and leases, as deferred inflows.

BOND PREMIUMS, LOSS ON DEFEASANCE AND ISSUANCE COSTS

Bond premiums and bond insurance costs for the governmental activities and the business-type activities are deferred and amortized over the term of the bonds using the straight-line method which approximates the effective interest method. Bond premiums are presented as an increase to the face amount of bonds payable, while bond insurance costs are recorded as deferred charges and shown on the face of the Statement of Net Position as a component of noncurrent assets.

Pursuant to GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*, the gain or loss on defeasance of debt is reported as a deferred inflow or outflow of resources. The gain or loss is calculated as the difference between the reacquisition price of the refunded debt and the net carrying amount at the time of the refunding. The gain or loss is amortized on a straight line basis over the shorter of the life of the new debt or the remaining life of the old debt as a component of interest expense.

In the governmental fund financials, bond premiums and issuance costs, including bond insurance costs, are recognized in the current period. The face amount of debt is reported as other financing sources. Premiums received on debt issuances are also reported as other financing sources. Issuance costs, including bond insurance costs, whether or not they have been paid from debt proceeds are reported as debt service expenditures.

PROPERTY TAXES

Property taxes become due and payable on November 1st of each year and become delinquent on April 1st of the following year. Property taxes receivable and a corresponding allowance for uncollectible property taxes are not included in the financial statements, as delinquent taxes as of September 30, 2021 are not significant. Discounts on property taxes are allowed for payments made prior to the April 1st delinquent date as follows: November - 4%, December - 3%, January - 2%, and February - 1%. Tax certificates for the full amount of any unpaid taxes must be sold no later than June 1st of each year.

No accrual for the property tax levy becoming due in November 2021 is included in the accompanying financial statements, since such taxes are collected to finance expenditures of the subsequent period.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Key dates in the property tax cycle for the fiscal year ended September 30, 2021 are as follows:

<u>Property Tax Cycle</u>	<u>Date</u>
Assessment roll compiled	January 1, 2020
Assessment roll certified	July 1, 2020
Millage resolution approved	Within 35 days of the certification of the assessment roll
Beginning of fiscal year for tax levy	October 1, 2020
Taxes due and payable (levy date)	November 1, 2020
Collection dates	By November 30: 4% discount By December 31: 3% discount By January 31: 2% discount By February 29: 1% discount
Due date	March 31, 2021
Delinquent (lien date)	April 1, 2021
Tax certificates sold	Prior to June 1, 2021

ACCOUNTING ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimated.

UNEARNED REVENUE

In instances where assets have been received by the County for services to be rendered in future periods, asset balances are offset by an unearned revenue liability account in the financial statements. Unearned revenues of the County as of September 30, 2021 are gift certificates issued and prepayments on accounts.

ACCRUED COMPENSATED ABSENCES

The County follows the provisions of GASB Statement No. 16, *Accounting for Compensated Absences*. This statement provides for the measurement of accrued vacation leave and other compensated absences using the pay or salary rates in effect at the balance sheet date. It also requires additional amounts to be accrued for certain salary related payments associated with the payment of compensated absences.

It is the Board of County Commissioners' policy to allow employees of record on August 2, 1996 a sick leave payment upon termination for any service period earned prior to August 2, 1996 and a payout of unused vacation up to 440 hours for all employees. The Sheriff's policy allows for a percentage of unused sick leave payout based upon years of service, not to exceed 2,000 hours, and up to 500 hours of unused vacation time.

Both the Clerk of the Circuit Court and Comptroller's and Tax Collector's policies allow for a percentage of unused sick leave payout based upon years of service, and up to 240 hours of unused vacation hours. The Property Appraiser's policy allows for a percentage of unused sick leave payout based upon years of service, not to exceed 1,040 hours, and up to 200 hours of unused vacation hours. The Supervisor of Election's policy allows for a percentage of unused sick leave payout based upon years of service, and up to 440 hours of unused vacation.

Payments for compensated absences are made by the respective fund. Accrued compensated absences are recorded as liabilities in the government-wide financial statements and the proprietary fund financials. A liability is reported in governmental funds only if they have matured, for example, as a result of employee resignations or retirements, and are considered due and payable as of year end.

PENSIONS

In the government-wide and proprietary funds statements of net position, liabilities are recognized for the County's proportionate share of each pension plan's net pension liability. For purposes of measuring the net pension liability, deferred outflows/inflows of resources, and pension expense, information about the fiduciary net position of the Florida Retirement System (FRS) defined benefit plan and the Health Insurance Subsidy (HIS) and additions to/deductions from FRS's and HIS's fiduciary net position have been determined on the same basis as they are reported by the FRS and HIS plans. For this purpose, plan contributions are recognized as of employer payroll paid dates and benefit payments and refunds of employee contributions are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

OTHER POST EMPLOYMENT BENEFITS (OPEB)

In the government-wide and proprietary funds statements of net position, liabilities are recognized for the County's total OPEB liability as determined by an actuarial review of the healthcare coverage purchased by retirees to continue participation in the County's self-insured health plan. The County is responsible for covering the excess of retiree claims over premium payments made by retirees to the County, which creates an other post employment benefit. OPEB expense is recognized immediately for changes in the OPEB liability resulting from current year service cost, interest on the total OPEB liability and changes of benefit terms or actuarial assumptions.

ADOPTION OF NEW ACCOUNTING PRONOUNCEMENTS

For the year ended September 30, 2021, the financial statements include the impact of the adoption of GASB Statement No. 84, *Fiduciary Activities*. The primary objective of this statement is to enhance the consistency and comparability of fiduciary activity reporting by state and local governments. This statement establishes criteria for identifying fiduciary activities and a reporting model to improve the usefulness of fiduciary activity information for assessing the accountability of governments in their role as a fiduciary. For additional information, please see Note 19 on page 81.

NOTE 2 – CASH AND INVESTMENTS

The County maintains a cash and investment pool that is available for use by all funds. Each fund's portion of this pool is displayed on the balance sheet under the heading of *Cash and Investments*. Investment income is allocated monthly to participating funds based on the percentage of each fund's average daily balance in the total pool.

CREDIT RISK

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The County's investment policy limits credit risk by restricting authorized investments to the Florida Local Government Surplus Trust Fund (Florida PRIME), other Local Government Investment Pools rated AAAm/Aaa-mf, S1 or equivalent, local direct obligations of, or obligations backed by the full faith and credit of the United States Government, U.S. government sponsored Corporation/Instrumentalities (except for Student Loan Marketing Association), certificates of deposit collateralized by U.S. Government Securities or Agencies, fixed income mutual funds collateralized by U.S. Government Securities or Agencies, domestic bankers' acceptances rated "AA" or higher, prime commercial paper rated "A-1" and "P-1", tax-exempt obligations rated "AA" or higher and issued by state or local governments, NOW accounts fully collateralized in accordance with Chapter 280, Florida Statutes and qualifying repurchase agreements. The policy requires that each firm involved in a repurchase agreement must execute the County's master repurchase agreement, a third party custodian must hold collateral for all repurchase agreements with a term of more than one day and the market value of the collateral shall maintain a minimum price of 101 percent on U.S. Government securities and 104 percent on Agencies and Instrumentalities with a term over five (5) years, and must be marked to market at least weekly.

Florida PRIME is an investment pool administered by the State Board of Administration (SBA), under the regulatory oversight of the State of Florida. As of September 30, 2021, the County had \$393,987,398 invested in the State Board of Administration's Local Government Surplus Funds Trust Fund Investment Pool. All of these funds are held in the Florida PRIME pool. Florida PRIME is rated "AAAm" by Standard & Poor's Global Ratings Services.

Florida Cooperative Liquid Assets Securities System (FLCLASS) is an intergovernmental investment pool established pursuant to the Florida Interlocal Cooperation Act of 1969, as amended, (Section 163.01, Florida Statutes) and is an authorized investment under Section 218.415, Florida Statutes. FLCLASS is supervised by a board of trustees comprised of eligible participants of the FLCLASS program. As of September 30, 2021, the County had \$110,415,080 invested in FLCLASS. Of this amount, \$20,389,909 was invested in the FL CLASS Daily Liquidity Fund and \$90,025,171 was invested in the FL CLASS Enhanced Cash Pool. The FLCLASS Daily Liquidity Pool is rated "AAAm" by Standard and Poor's Global Ratings Services and the FLCLASS Enhanced Cash Pool is rated "AAAf/S1" by Fitch Ratings.

Florida Public Assets for Liquidity Management (FL PALM) is a common law trust organized under the authority of the Florida Interlocal Cooperation Act of 1969, as amended, (Section 163.01, Florida Statutes) and Section 218.415 of the Florida Statutes. FL PALM was created on October 22, 2010 by contract among its participating governmental units and is governed by trustees. The fund is an investment opportunity for State school districts, political subdivisions of the State or instrumentalities of political subdivisions of the State. As of September 30, 2021, the County had \$60,190,973 invested in FL PALM. Of this amount, \$4,190,973 was invested in the FL PALM Portfolio and \$56,000,000 was invested in the FL PALM Term Pool. The FL PALM Portfolio is rated "AAAm" by Standard and Poor's Global Ratings Services.

All cash deposits are held in qualified public depositories pursuant to Florida Statutes Chapter 280, "Florida Security for Public Deposits Act". Under the Act, all qualified public depositories are required to pledge eligible collateral having a market value equal to or greater than the average daily or monthly balance of all public deposits, multiplied by the depository's collateral pledging level. The pledging level may range from 25% to 150% depending upon the depository's financial condition. Any losses to public deposits are covered by applicable deposit insurance, sale of securities pledged as collateral, and if necessary, assessments against other qualified public depositories of the same type as the depository in default.

CUSTODIAL CREDIT RISK

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. As of September 30, 2021, the County had demand deposits of \$120,565,759. All balances in excess of the Federal Depository Insurance Corporation (FDIC) insurance for these demand deposits are fully collateralized by the multiple financial institutions' collateral pool in accordance with Florida Statutes Section 280. The discretely presented component unit demand deposits of \$387,083 are secured by the FDIC as individual entity balances do not exceed \$250,000. Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of the investment or collateral securities that are in the possession of an outside party. The County's investment policy requires execution of a third-party custodial safekeeping agreement for purchased securities and collateral, and requires that securities be held in the County's name.

NOTE 2 – CASH AND INVESTMENTS (Continued)

CREDIT RISK

The County’s investment policy establishes limitations on portfolio composition in order to control the concentration of credit risk. The following maximum limits per sector, are established by policy:

Sector	Investment Policy Limit
U.S. Treasury	100%
U.S. Agencies	80% - Maximum 40% per issuer
Corporates	25%
Certificates of Deposit	30%
Repurchase Agreements	20%
Commercial Paper	25%
State Investment Pools	50%

INTEREST RATE RISK

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. One of the primary objectives of the investment policy is to match investment cash flow and maturity with known cash needs and anticipated cash flow requirements. The County limits exposure to interest rate risk by structuring the portfolio to meet daily cash flow demands. Investments shall have an average maturity of not more than five years, except for mortgage securities. Mortgage securities will not be used to match liabilities that are reasonably definable as to amount and disbursement date and are used to invest funds associated with reserves or liabilities that are not associated with a specifically identified cash flow schedule.

The weighted average days to maturity (WAM) of Florida PRIME on September 30, 2021, was 49 days. The weighted average life (WAL) of Florida PRIME at September 30, 2021, was 64 days. The weighted average days to maturity (WAM) of the FL PALM Portfolio was 53 days, while the weighted average life (WAL) was 80 days. The weighted average days to maturity (WAM) of the FLCLASS Liquidity Pool on September 30, 2021, was 47 days, while the weighted average life (WAL) was 84 days. The weighted average days to maturity (WAM) of the FLCLASS Enhanced Cash Pool at September 30, 2021 was 177 days, while the weighted average life (WAL) was 192 days. Next interest rate reset dates for floating rate securities are used in the calculation of the respective weighted average days to maturity.

The portion of the County’s cash and investments invested in U.S. Government Agencies is detailed as follows, at September 30, 2021:

Issuer	% of Portfolio
Federal Home Loan Bank	22.64%
Federal Farm Credit Bank	3.77%
Federal Home Loan Mortgage Corporation	9.10%
Federal National Mortgage Association	2.95%
Federal Agricultural Mortgage Corporation	0.59%
Total U.S. Government Agencies	<u>39.05%</u>

Reconciliation of cash and investments to the basic financial statements:

Primary government:	
Cash and investments	\$ 627,749,439
Cash with Fiscal Agent	10,678,128
Restricted cash and investments - current	119,810,831
Restricted cash and investments - noncurrent	887,598,563
Custodial funds:	
Cash and investments	39,239,345
Total	<u>\$ 1,685,076,306</u>

NOTE 2 – CASH AND INVESTMENTS (Continued)

FAIR VALUE MEASUREMENTS

GASB Statement No. 72, *Fair Value Measurements and Application*, sets forth the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under GASB Statement No. 72 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the County has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. Unobservable inputs, if any, reflect the County's own assumptions about the inputs market participants would use in pricing the asset or liability (including assumptions about risk). Unobservable inputs are developed based on the best information available in the circumstances and may include the County's own data.

The County has the following recurring fair value measurements as of September 30, 2021:

US Treasury Notes and Bills classified as Level 1 of the fair value hierarchy were valued using prices quoted in active markets for those securities. As of September 30, 2021, the fair value of the County's US Treasury Notes and Bills was \$253,255,422.

US Agency obligations and corporate notes classified as Level 2 of the fair value hierarchy were valued using quoted prices for similar assets in active markets for those securities. As of September 30, 2001, the fair value of the County's US Agency obligations was \$657,973,419 and the fair value of its corporate note was \$77,353,088.

NOTE 3 – TRADE RECEIVABLES

Trade receivables for Governmental and Business-type Activities are net of an allowance for doubtful accounts as follows:

	Trade Receivables	Less Allowance for Doubtful Accounts	Net Trade Receivables
General Fund	\$ 716,115	\$ 489,980	\$ 226,135
Grants and Shared Revenue	13,254	-	13,254
Nonmajor Governmental Funds	2,623,120	401,096	2,222,024
Total receivables reported in Governmental Funds	<u>3,352,489</u>	<u>891,076</u>	<u>2,461,413</u>
 Total receivables reported in Internal Service Funds	 <u>737,494</u>	 <u>-</u>	 <u>737,494</u>
 Total Governmental Activities trade receivables	 <u>\$ 4,089,983</u>	 <u>\$ 891,076</u>	 <u>\$ 3,198,907</u>
 County Water and Sewer	 \$ 14,321,327	 \$ 96,084	 \$ 14,225,243
Solid Waste Disposal	1,064,124	17,801	1,046,323
Emergency Medical Services	23,658,678	21,362,462	2,296,216
Nonmajor Enterprise Funds	<u>116,050</u>	<u>16,292</u>	<u>99,758</u>
 Total Business-type Activities trade receivables	 <u>\$ 39,160,179</u>	 <u>\$ 21,492,639</u>	 <u>\$ 17,667,540</u>

The County has multi and single-family home rehabilitation and homeownership loan programs funded under the Community Development Block Grant (CDBG), HOME Investment Partnership Loan Program (HOME), Disaster Recovery Initiative (DRI), Neighborhood Stabilization Program (NSP) and the State Housing Initiative Partnership Program (SHIP) in addition to some affordable housing impact fee programs. If the homeowners remain in their homes for the full term of the agreement, the loan or deferred impact fee is forgiven. If the property is transferred or sold before the end of the agreement, the proceeds from the repayment including interest, if any, are then repaid and returned to the appropriate program. A lien is placed against the property to ensure the repayment of the loan and interest, if any. As collection is uncertain on these loans, they are not recognized in the financial statements.

FINANCIAL SECTION

Notes to the Financial Statements

NOTE 4 – LEASE RECEIVABLES

The County leases land, building, office space and equipment to third parties. As of September 30, 2021, the County's lease receivables were valued at \$8,212,187 and the deferred inflow of resources associated with these leases that will be recognized as revenue over the term of the leases was \$7,772,579. The lease receivables for Governmental and Business-type Activities at September 30, 2021 were as follows:

GOVERNMENTAL ACTIVITIES

Land leases - annual lease payments totaling \$87,957 plus interest at a rate of 2.29%, due dates ranging from January 20, 2022 to March 13, 2048.	\$5,510,218
Building and office space leases - annual lease payments totaling \$55,691 plus interest at a rate ranging from 2.29% - 2.31%, due dates ranging from October 1, 2021 to January 1, 2029.	506,113
Equipment leases - annual lease payments totaling \$73,668 plus interest at a rate of 2.29%, due dates ranging from December 19, 2021 to May 21, 2030.	<u>803,343</u>
Total Governmental Activities Lease Receivables	<u><u>\$6,819,674</u></u>

BUSINESS-TYPE ACTIVITIES

Land leases - annual lease payments totaling \$15,081 plus interest at a rate ranging from 0.15% to 2.29%, due dates ranging from October 1, 2021 to August 26, 2041.	\$810,267
Building and office space leases - annual lease payments totaling \$187,813 plus interest at a rate of 2.29%, due dates ranging from October 1, 2021 to August 1, 2028.	<u>582,246</u>
Total Business-type Activities Lease Receivables	<u><u>\$1,392,513</u></u>

The payments for the lease receivables are expected to be received in the subsequent years as follows:

Fiscal Year	Governmental Activities		Business-like Activities	
	Principal	Interest	Principal	Interest

NOTE 4 - LEASE RECEIVABLES (Continued)

The County has two leasing agreements which qualify to be treated as regulated in accordance with the requirements of GASB 87. The County leases land and a building to third parties under these agreements. The land lease is for twenty one years with an option to extend for nine years and annual lease payments of \$2,448. The building lease is for ten years and monthly lease payments of \$1,753. The County recognized \$23,200 in lease revenue during the current fiscal year related to these leases. As of September 30, 2021, the remaining nominal amount of revenue that will be recognized as revenue over the lease term associated with these leases amounts to \$102,922 which is expected to be received for each of the subsequent five years and in five-year increments thereafter as stated below:

<u>Fiscal Year</u>	<u>Business-type Activities</u>
2022	\$23,491
2023	18,230
2024	2,448
2025	2,448
2026	2,448
2027-2031	12,240
2032-2036	12,240
2037-2041	12,240
2042-2046	12,240
2047-2051	4,896

NOTE 5 – INTERFUND PAYABLES AND RECEIVABLES

ADVANCES

Advances were made to funds for the purposes of capital acquisitions and improvements. Reimbursements will take place over the next several years as funds are available. Advances to and advances from other funds at September 30, 2021 were as follows:

	<u>Advance To</u>	<u>Advance From</u>
Governmental Activities:		
General Fund	\$ 500,962	\$ -
Immokalee Community Redevelopment Agency	-	88,901

Notes to the Financial Statements

NOTE 5 – INTERFUND PAYABLES AND RECEIVABLES (Continued)

DUE FROM AND DUE TO

Interfund receivables and payables generally result from recording the excess fees associated with Tax Collector and Property Appraiser services, as excess fees are allocated from the General Fund back to the funds that paid for the collection services. Excess fees are calculated after year end, and as such are interfund receivables and payables. Other outstanding balances are the result of time delays between the provision and payment of interfund services and to cover temporary cash deficits.

Due from and due to other funds at September 30, 2021 were as follows:

	<u>Due From</u>	<u>Due To</u>
Governmental Activities:

CURRENT YEAR FINANCING ACTIVITIES

On November 3, 2020, Collier County issued the Series 2020A Special Obligation Revenue Bonds and the Series 2020B Taxable Special Obligation Revenue Bonds in the respective par amounts of \$75,100,000 and \$24,075,000. The Series 2020A bonds were issued for various stormwater and aquatic facility improvements as well as to refinance an outstanding commercial paper loan. The Series 2020B bonds were issued for purposes of acquiring certain real property. The final maturity of the Series 2020A bonds is October 1, 2045, with interest rates from 4.00% to 5.00%. The final maturity of the Series 2020B bonds is October 1, 2029, with an interest rate fixed at 2.00%.

On July 27, 2021, the Board of County Commissioners of Collier County, Florida and ex-officio as the governing Board of the Collier County Water-Sewer District (District) issued the Series 2021 Water and Sewer Revenue Bonds in the par amount of \$128,900,000. These bonds were issued for purposes of financing the acquisition, construction and equipping of various utility capital improvements related to Golden Gate City and surrounding areas, the northeast service area and the utilities' portion of the planned Government Operations Business Park. The Series 2021 bonds were issued on a parity with the District's outstanding Water and Sewer Refunding Revenue Bond, Series 2015, Water and Sewer Refunding Revenue Bond, Series 2016, Water and Sewer Revenue Bond, Series 2018 and Water and Sewer Revenue Bond, Series 2019. The final maturity of the Series 2021 bonds is July 1, 2046, with interest rates from 4.00% to 5.00%

NOTE 7 – LONG-TERM DEBT (Continued)

RESTRICTIVE COVENANTS

According to County resolutions authorizing the issuance of the Series 2010B, 2011, 2013, 2020A and 2020B Special Obligation Refunding Revenue Bonds and Series 2017 and 2019 Special Obligation Refunding Revenue Notes, the County has covenanted, subject to certain restrictions and limitations, to appropriate in its annual budget, by amendment if necessary, from non-ad valorem revenues amounts sufficient to pay principal and interest on the combined Special Obligation Bonds and Notes. The total non-ad valorem revenue collections pledged to payment of the Special Obligation Bonds and Notes for the fiscal year ended September 30, 2021 was \$137,768,005.

According to County resolutions authorizing the issuance of the Series 2012 Gas Tax Revenue Refunding Bonds and Series 2014 Gas Tax Refunding Revenue Bond, the issues are payable from and secured by liens on gas tax revenues.

Total pledged gas tax revenue collections for the fiscal year ended September 30, 2021 were \$22,919,743.

According to County resolutions authorizing the issuance of the Series 2018 Tourist Development Tax Revenue Bonds, the issues are payable from and secured by a lien on tourist development tax revenues. Total tourist development tax revenues for the fiscal year ended September 30, 2021 were \$36,192,118.

The County Water and Sewer District (District) has pledged future water and sewer customer revenues, net of certain operating expenses, to repay \$285,306,000 in Series 2015, 2016, 2018, 2019 and 2021 senior lien revenue bonds and direct placement loans. Proceeds from the bonds and loans were used for the expansion of the District's water and sewer systems as well as the refinancing of bonds issued for purposes of rehabilitation or expansion of the District's water and sewer systems. Principal and interest are payable through July 1, 2046, solely from the net revenues and certain other fees and charges derived from operation of the County's Water and Sewer District (District). The pledge of net revenues by the District from the operation of the system does not constitute a lien upon the system or any other property of the County. The resolutions authorizing the revenue bonds include an obligation for the District to fix, establish and maintain such rates and collect such fees so as to provide in each year net revenues, as defined in the bond resolutions, which together with system development fees (impact fees) and special assessment proceeds (if applicable) received shall be at least 125% of the annual debt service requirements for the bonds; provided, however, that net revenues in each fiscal year shall be adequate to pay at least 100% of the annual debt service on the bonds. Fiscal year 2021 pledged revenues, net of operating expenses (excluding depreciation and amortization), were \$64,014,693, and \$80,288,176 when system development fees were included. Principal and interest paid on the bonds during fiscal year 2021 totaled \$12,565,757, providing coverage of 509% and 639%, respectively. In addition, bond covenants require a renewal and replacement amount equal to \$300,000 in the District funds. The District was in compliance with these covenants for the year ended September 30, 2021.

In addition, the District has a note outstanding in the amount of \$50,360,000 with Synovus Financial Corporation. This note is collateralized by a lien on pledged revenues consisting of net revenues from the operations of the County Water and Sewer System and system development fees. The lien is subordinate in all respects to the liens placed upon pledged revenues established by bonded and direct placement loan indebtedness. The District's note was in compliance with these covenants for the year ended September 30, 2021.

LEGAL DEBT MARGIN

The Constitution of the State of Florida and the Florida Statutes set no legal debt limit.

FINANCED PURCHASE OBLIGATIONS

Financed purchase obligations at September 30, 2021 amounted to \$28,437. These obligations, which are collateralized by equipment and vehicles, have total annual installments of \$29,702 including interest of 4.45% and mature through 2022. As of year-end, equipment acquired through financed purchase in the governmental activities had a historical cost of \$240,498 and accumulated depreciation of \$228,473.

FINANCIAL SECTION

Notes to the Financial Statements

NOTE 7 – LONG-TERM DEBT (Continued)

Future payments of financed purchase obligations as of September 30, 2021 were as follows:

	Governmental Activities
2022	\$ 29,702
Total payments	29,702
Less amount representing interest	(1,265)
Present value of financed purchase payments	<u>\$ 28,437</u>

LEASES PAYABLE

The County is a lessee for noncancellable leases of land, building, office space and equipment. At September 30, 2021, the County's lease payable of \$8,128,231 was composed of the following:

GOVERNMENTAL ACTIVITIES

Leases with options to purchase equipment - annual payments totaling \$66,101 plus interest at rates ranging from 0.32% to 11.75%, due dates ranging from October 1, 2021 to February 1, 2023.	\$85,164
Land leases - annual payments totaling \$38,896 plus interest at rates ranging from 1.51% to 2.40%, due dates ranging from October 1, 2021 to July 1, 2051.	378,771
Building and office space leases - annual payments totaling \$195,320 plus interest at rates ranging from 0.17% to 2.11%, due dates ranging from October 1, 2021 to December 11, 2039.	2,174,140
Equipment and vehicle leases - annual payments totaling \$576,290 plus interest at rates ranging from 0.14% to 1.93%, due dates ranging from October 1, 2021 to September 1, 2033.	<u>4,787,323</u>
Total Governmental Activities Leases Payable	<u>\$7,425,398</u>

BUSINESS-TYPE ACTIVITIES

Lease with option to purchase equipment - annual payments totaling \$5,575 plus interest at a rate of 1.51%, due dates ranging from October 1, 2021 to September 1, 2023.	\$11,234
Building and office space leases - annual payments totaling \$62,504 plus interest at rates ranging from 1.56% to 1.93%, due dates ranging from October 1, 2021 to September 1, 2034.	606,781
Equipment leases - annual payments totaling \$27,369 plus interest at rates ranging from 0.24% to 1.55%, due dates ranging from October 1, 2021 to October 1, 2024.	<u>84,818</u>
Total Business-type Activities Leases Payable	<u>\$702,833</u>

NOTE 7 – LONG-TERM DEBT (Continued)

The future principal and interest lease payments as of September 30, 2021, were as follows:

Fiscal year	Governmental Activities		Business-type Activities	
	Principal	Interest	Principal	Interest
2022	\$ 877,023	\$ 96,375	\$ 95,448	\$ 11,552

NOTE 8 – CONDUIT DEBT OBLIGATIONS

COMPONENT UNIT CONDUIT DEBT

The Industrial Development Authority, Housing Finance Authority, Health Facilities Authority and Educational Facilities Authority, all component units of Collier County, issue debt instruments for the purpose of providing capital financing to independent third parties. Industrial development revenue bonds have been issued to provide financial assistance to public entities for the acquisition and construction of industrial and commercial facilities. Housing revenue bonds have been issued for the purpose of financing the development of multi-family residential rental communities. The health facility revenue bonds were issued to provide financing for the construction of health park facilities. The educational facility revenue bonds were used to provide financing for the construction of educational facilities. These bonds were secured by the financed property, a letter of credit or a corporate guarantee. The primary revenues pledged to pay the debt are those revenues derived from the project or facilities constructed. Neither the issuing authority, nor the County, is obligated in any manner for repayment of the bonds and as such they are not reported as liabilities in the accompanying financial statements.

As of September 30, 2021, the outstanding principal amount payable on all component unit conduit debt was \$630,406,651 and is made up of the following:

Industrial development revenue bonds	\$ 284,254,344
Housing finance revenue bonds	83,961,859
Health facilities revenue bonds	196,313,242
Educational facilities revenue bonds	<u>65,877,206</u>
Total	<u>\$ 630,406,651</u>

NOTE 9 – DEFINED BENEFIT PENSION PLANS

BACKGROUND

The Florida Retirement System (FRS) Pension Plan was created by Chapter 121, Florida Statutes, effective December 1, 1970. The FRS is a qualified retirement plan under Section 401(a), Internal Revenue Code, created to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program under the defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan. Chapter 112, Florida Statutes, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any State-administered retirement system in paying the costs of health insurance.

Essentially all regular employees of the County are eligible to enroll as members of the State-administered FRS. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions and benefits are defined and described in detail. Such provisions may be amended at any time by the Florida Legislature. The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost sharing, multiple employer defined benefit plans and other nonintegrated programs.

NOTE 9 – DEFINED BENEFIT PENSION PLANS (Continued)

A comprehensive annual financial report of the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from the Florida Department of Management Services' web site (www.dms.myflorida.com).

The County's pension expense totaled \$6,933,515 for both the FRS Pension Plan and HIS Plan for the year ended September 30, 2021.

FLORIDA RETIREMENT SYSTEM PENSION PLAN

PLAN DESCRIPTION

The Florida Retirement System Pension Plan (FRS Plan) is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

Regular Class – Members of the FRS who do not qualify for membership in the other classes.

Elected County Officers Class – Members who hold specified elective offices in local government.

Senior Management Service Class (SMSC) – Members in senior management level positions.

Special Risk Class – Members who are special risk employees, such as law enforcement officers, meet the criteria to qualify for this class.

Employees enrolled in the FRS Plan prior to July 1, 2011, vest at 6 years of creditable service and employees enrolled in the FRS Plan on or after July 1, 2011, vest at 8 years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service, except for members classified as special risk who are eligible for normal retirement benefits at age 55 or at any age after 25 years of service. All members enrolled in the FRS Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service, except for members classified as special risk who are eligible for normal retirement benefits at age 60 or at any age after 30 years of service. Employees enrolled in the FRS Plan may include up to 4 years of credit for military service toward creditable service. The FRS Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The FRS Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments to eligible participants.

DROP, subject to provisions of Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the FRS Plan to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

BENEFITS PROVIDED

Benefits under the FRS Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the 5 highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the 8 highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits.

NOTE 9 – DEFINED BENEFIT PENSION PLANS (Continued)

The following chart shows the percentage value for each year of service credit earned:

Class, Initial Enrollment and Retirement Age/Years of Service:	% Value (per year of service)
Regular Class members initially enrolled before July 1, 2011	
Retirement up to age 62 or up to 30 years of service	1.60
Retirement at age 63 or with 31 years of service	1.63
Retirement at age 64 or with 32 years of service	1.65
Retirement at age 65 or with 33 or more years of service	1.68
Regular Class members initially enrolled on or after July 1, 2011	
Retirement up to age 65 or up to 33 years of service	1.60
Retirement at age 66 or with 34 years of service	1.63
Retirement at age 67 or with 35 years of service	1.65
Retirement at age 68 or with 36 or more years of service	1.68
Elected County Officers' Class	3.00
Senior Management Service Class	2.00
Special Risk Class	
Service from December 1, 1970 through September 30, 1974	2.00
Service on and after October 1, 1974	3.00

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3 percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3 percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3 percent. FRS Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

CONTRIBUTIONS

The Florida Legislature establishes contribution rates for participating employers and employees. Effective July 1, 2011, all FRS Plan members (except those in DROP) are required to make 3% employee contributions on a pretax basis. The employer contribution rates by job class for the periods from October 1, 2020 through June 30, 2021 and from July 1, 2021 through September 30, 2021, respectively, were as follows: Regular employees – 10.00% and 10.82%; Special Risk – Regular-24.45% and 25.89%; County Elected Officials – 49.18% and 51.42%; Senior Management Services – 27.29% and 29.01%; and DROP participants – 16.98% and 18.34%. The County's contributions to the FRS Plan were \$30,034,061 for the year ended September 30, 2021.

PENSION COSTS

At September 30, 2021, the County reported a liability of \$58,187,652 for its proportionate share of the FRS Plan's net pension liability. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2021. The County's proportion of the net pension liability was based on the County's contributions received by FRS during the measurement period for employer payroll paid dates from July 1, 2020, through June 30, 2021, relative to the total employer contributions received from all of FRS's participating employers. At June 30, 2021, the County's proportion was 0.770303%, which was a decrease of 0.024639% from its proportion measured as of June 30, 2020.

FINANCIAL SECTION

Notes to the Financial Statements

NOTE 9 – DEFINED BENEFIT PENSION PLANS (Continued)

For the year ended September 30, 2021, the County recognized pension expense of \$139,132 for its proportionate share of FRS's pension expense. In addition, the County reported its proportionate share of FRS's deferred outflows of resources and deferred inflows of resources from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Economic Experience	\$ 9,973,457	\$ -
Changes in Actuarial Assumptions	39,814,876	-
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	-	203,002,090
Changes in Proportion and Differences Between County Contributions and Proportionate Share of Contributions	6,750,144	12,656,898
County Contributions Subsequent to the Measurement Date	<u>8,431,859</u>	<u>-</u>
Total	<u>\$ 64,970,336</u>	<u>\$ 215,658,988</u>

Deferred outflows of resources related to pensions of \$8,431,859, resulting from County contributions to the FRS Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the year ended September 30, 2022. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized as a decrease in pension expense as follows:

Year Ending September 30	Amount
2022	\$ (27,554,347)
2023	(32,706,101)
2024	(43,283,893)
2025	(54,961,322)
2026	(614,848)

ACTUARIAL ASSUMPTIONS

The total pension liability in the July 1, 2021, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.40% per year
Salary Increases	3.25%, including inflation
Investment Rate of Return	6.80%, Net of Pension Plan investment expense

Mortality rates were based on the PUB-2010 base table projected generationally with Scale MP-2018. The actuarial assumptions used in the July 1, 2021 valuation were based on the results of an actuarial experience study for the period July 1, 2013, through June 30, 2018.

The long-term expected rate of return on pension plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption.

NOTE 9 – DEFINED BENEFIT PENSION PLANS (Continued)

The target allocation, as outlined in the FRS Plan’s investment policy, and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Annual Arithmetic Return	Compound Annual (Geometric) Return	Standard Deviation
Cash	1.0%	2.1%	2.1%	1.1%
Fixed income	20.0%	3.8%	3.7%	3.3%
Global equity	54.2%	8.2%	6.7%	17.8%
Real estate (property)	10.3%	7.1%	6.2%	13.8%
Private equity	10.8%	11.7%	8.5%	26.4%
Strategic investments	3.7%	5.7%	5.4%	8.4%
Totals	<u>100.0%</u>			
Assumed Inflation - Mean			2.4%	1.2%

DISCOUNT RATE

The discount rate used to measure the total pension liability for the FRS Plan in fiscal year 2021 was 6.80% which was the same rate as in fiscal year 2020. The projection of cash flows used to determine the discount rate assumed that employee and employer contributions will be made at the rate specified in statute. Based on that assumption, the pension plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

PENSION LIABILITY SENSITIVITY

The following presents the County’s proportionate share of the net pension liability for the FRS Plan, calculated using the discount rate disclosed in the preceding paragraph, as well as what the County’s proportionate share of the net pension liability would be if it were calculated using a discount rate one percentage point lower or one percentage point higher than the current discount rate:

Description	1% Decrease in Discount Rate	Current Discount Rate	1% Increase in Discount Rate
FRS Plan Discount Rate	5.80%	6.80%	7.80%
County’s Proportionate Share of the FRS Plan Net Pension Liability	\$ 260,219,076	\$ 58,187,652	\$ (110,687,967)

PENSION PLAN FIDUCIARY NET POSITION

Detailed information about the FRS Plan’s fiduciary net position is available in a separately-issued FRS Pension Plan and Other State-Administered Systems Annual Comprehensive Financial Report. That report may be obtained through the Florida Department of Management Services website at www.dms.myflorida.com.

RETIREE HEALTH INSURANCE SUBSIDY PROGRAM

PLAN DESCRIPTION

The Retiree Health Insurance Subsidy Program (HIS Plan) is a non-qualified, cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

BENEFITS PROVIDED

For the fiscal year ended June 30, 2021, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive a HIS Plan benefit, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

NOTE 9 – DEFINED BENEFIT PENSION PLANS (Continued)

CONTRIBUTIONS

The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. The FRS contribution rates include a 1.66% HIS Plan subsidy for the periods October 1, 2020 through June 30, 2021 and from July 1, 2021 through September 30, 2021, pursuant to Section 112.363, Florida Statutes. The County contributed 100 percent of its statutorily required contributions for the current and preceding 3 years. HIS Plan contributions are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event the legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or canceled. The County's contributions to the HIS Plan were \$4,008,775 for the year ended September 30, 2021.

PENSION COSTS

At September 30, 2021, the County reported a liability of \$83,745,948 for its proportionate share of the HIS Plan's net pension liability. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2021. The County's proportion of the net pension liability was based on the County's contributions received during the measurement period for employer payroll paid dates from July 1, 2020, through June 30, 2021, relative to the total employer contributions received from all participating employers. At June 30, 2021, the County's proportion was 0.682721%, which was a decrease of 0.009243% from its proportion measured as of June 30, 2020.

For the year ended September 30, 2021, the County recognized pension expense of \$6,794,383 for its proportionate share of HIS's pension expense. In addition, the County reported its proportionate share of HIS's deferred outflows of resources and deferred inflows of resources from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Economic Experience	\$ 2,802,351	\$ 35,077
Changes in Actuarial Assumptions	6,580,556	3,450,546
Net Difference Between Projected and Actual Earnings on HIS Program		
Investments	87,302	-
Changes in Proportion and Differences Between County Contributions and Proportionate Share of Contributions	3,172,251	1,666,906
County Contributions Subsequent to the Measurement Date	1,059,004	-
Total	<u>\$ 13,701,464</u>	<u>\$ 5,152,529</u>

Deferred outflows of resources related to pensions of \$1,059,004, resulting from County contributions to the HIS Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the year ended September 30, 2022. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized as an increase in pension expense as follows:

Year Ending September 30	Amount
2022	\$ 2,271,731
2023	1,066,907
2024	1,402,161
2025	1,424,986
2026	1,074,360
Thereafter	249,786

ACTUARIAL ASSUMPTIONS

The total pension liability in the July 1, 2021, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.40% per year
Salary Increases	3.25%, including inflation
Municipal Bond Rate	2.16%

Mortality rates were based on the PUB-2010 base table projected generationally with Scale MP-2018. The actuarial assumptions used in the July 1, 2021 valuation were based on the results of an actuarial experience study for the period July 1, 2013, through June 30, 2018

NOTE 9 – DEFINED BENEFIT PENSION PLANS (Continued)

DISCOUNT RATE

The discount rate used to measure the total pension liability for HIS plan has decreased from 2.21% in fiscal year 2020 to 2.16% in fiscal year 2021. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

PENSION LIABILITY SENSITIVITY

The following presents the County’s proportionate share of the net pension liability for the HIS Plan, calculated using the discount rate disclosed in the preceding paragraph, as well as what the County’s proportionate share of the net pension liability would be if it were calculated using a discount rate one percentage point lower or one percentage point higher than the current discount rate:

Description	1% Decrease in Discount Rate	Current Discount Rate	1% Increase in Discount Rate
HIS Plan Discount Rate	1.61%	2.16%	3.16
County’s Proportionate Share of the HIS Plan Net Pension Liability	\$ 96,818,428	\$ 83,745,948	\$ 73,035,974

PENSION PLAN FIDUCIARY NET POSITION

Detailed information about the HIS Plan’s fiduciary’s net position is available in a separately-issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report. That report may be obtained through the Florida Department of Management Services website at www.dms.myflorida.com.

SUMMARY

The aggregate amount of net pension liability, related deferred outflows of resources and deferred inflows of resources and pension expense for the County’s defined benefit pension plans are summarized below:

	FRS Plan	HIS Plan	Total
Net pension liability	\$ 58,187,652	\$ 83,745,948	\$ 141,933,600
Deferred outflows of resources related to pensions	64,970,336	13,701,464	78,671,800
Deferred inflows of resources related to pensions	215,658,988	5,152,529	220,811,517
Pension expense	139,132	6,794,383	6,933,515

NOTE 10 – DEFINED CONTRIBUTION PLAN

The Florida State Board of Administration (SBA) administers the defined contribution plan officially titled the FRS Investment Plan (Investment Plan). The Investment Plan is reported in the SBA’s annual financial statements and in the State of Florida Comprehensive Annual Financial Report. As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. County employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member’s accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected County Officers, etc.), as the FRS defined benefit plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering the plan, including the FRS Financial Guidance Program, are funded through an employer contribution of .06% of payroll from July 1, 2020 to June 30, 2021 and .06% of payroll from July 1, 2021 to June 30, 2022 in addition to forfeited benefits of plan members. The County’s Investment Plan pension expense totaled \$5,400,770 for the year ended September 30, 2021.

For all membership classes, employees are immediately vested in their own contributions and are vested after 1 year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the FRS Pension Plan is transferred to the Investment Plan, the member must have the years of service required for FRS Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Non-vested employer contributions are placed in a suspense account for up to 5 years. If the employee returns to FRS-covered employment within the 5-year period, the employee will regain control over their account. If the employee does not return within the 5-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended

FINANCIAL SECTION

Notes to the Financial Statements

NOTE 10 – DEFINED CONTRIBUTION PLAN (Continued)

June 30, 2021, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the County.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the FRS Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the FRS Pension Plan, or remain in the Investment Plan and rely upon that account balance for retirement income.

NOTE 11 – TRANSFERS

Transfers between funds were used to (1) move revenues from the fund that statute or budget requires they be collected in to the fund that statute or budget requires they be expended from, (2) move receipts restricted to debt service to the debt service fund as payments become due and (3) use unrestricted revenues collected in the General Fund to finance operating and capital programs accounted for in other funds in accordance with budgetary authorizations.

Transfers for the year ended September 30, 2021 were as follows:

Transfers from Fund	Transfers to Fund	Amount
Governmental Activities:		
General Fund	Grants and Shared Revenue	\$ 45,380,429
	Nonmajor Governmental Funds	74,337,253
	County Water and Sewer	548
	Emergency Medical Services	4,553,798
	Nonmajor Business-type	7,362,610
	Internal Service Funds	216,100
Bayshore Gateway Community Redevelopment Agency	General Fund	53,800
	Nonmajor Governmental Funds	3,071,500
Immokalee Community Redevelopment Agency	General Fund	53,800
	Bayshore Gateway Community Redevelopment Agency	74,100
Grants and Shared Revenues	General Fund	31,000,000
	Nonmajor Governmental Funds	5,000,000
	County Water and Sewer	10,000,000
Nonmajor Governmental Funds	General Fund	4,870,006
	Bayshore Gateway Community Redevelopment Agency	455,503
	Immokalee Community Redevelopment Agency	87,503
	Grants and Shared Revenue	1,756,264
	Nonmajor Governmental Funds	58,488,598
	County Water and Sewer	23,100
Business-type Activities:		
County Water and Sewer	General Fund	9,190,011
	Grants and Shared Revenue	10,300
	Nonmajor Governmental Funds	218,500
	Solid Waste Disposal	547,200
	Internal Service Funds	274,400
Solid Waste Disposal	General Fund	962,544
	County Water and Sewer	122,418
	Internal Service Funds	5,200
Emergency Medical Services	Internal Service Funds	7,800
Nonmajor Business-type	Nonmajor Governmental Funds	15,000
Internal Service Funds	General Fund	1,076,600
	Nonmajor Governmental Funds	400,000
Total Transfers		\$ 259,614,885

NOTE 12 – NET POSITION/FUND BALANCE CLASSIFICATION

Net position represents the difference between total assets plus deferred outflows of resources and liabilities plus deferred inflows of resources and is categorized as follows:

Net investment in capital assets: Total capital assets, net of debt issued and deferred amounts on refundings related to the acquisition of these assets and net of depreciation is reported separately in the net position section.

Restricted for growth related capital expansion: Impact fees are restricted for growth related capital expansion.

Restricted for transportation capital projects: Gas taxes and other revenues restricted for transportation capital improvements.

Restricted for tourist development: Tourist development tax proceeds are restricted for tourist related activities.

Restricted for Conservation Collier: Balances generated by the former levy of one quarter mill of ad valorem revenues restricted for the maintenance and management of environmentally sensitive land.

Restricted for community redevelopment: Tax increment revenues generated in the redevelopment areas are restricted for redevelopment purposes.

Restricted for grants: State and federal government grant monies restricted for grant related purposes.

Restricted for infrastructure sales tax capital projects: Infrastructure sales tax proceeds are restricted for infrastructural capital improvements.

Restricted for debt service: Balances are restricted in conjunction with the issuance of bonds and have been funded by operating transfers from the appropriate funds. The use of monies in the sinking fund is restricted to the payment of principal and interest on long-term debt.

Restricted for court programs: Balances are restricted for court programs

Restricted for public safety: Balances are restricted for public safety programs.

Restricted for nonexpendable purposes – other: Balances are restricted in conjunction with the maintenance and management of certain conservation lands for mitigation purposes.

Restricted for special revenues – other: Balances are restricted for specific uses associated with the revenue collected.

Restricted for renewal and replacement: Balance is restricted in conjunction with the issuance of County Water and Sewer District Bonds for use in funding the cost of additions, replacement or major repair of District capital assets.

Unrestricted: Balances are not restricted for specific purposes.

Governmental funds report fund balances as either spendable or non-spendable as follows:

Non-spendable fund balance: Amounts that are not in spendable form or that are legally or contractually required to be maintained intact. Items that are not spendable also include inventories, prepaid amounts and long term portions of advances, loans and notes receivable.

Spendable fund balance:

Restricted fund balance – Amounts that can be spent only for specific purposes through restrictions placed upon them by external resource providers such as creditors, grantors or contributors; or imposed by law through constitutional provisions or enabling legislation.

Committed fund balance – Amounts that can be spent only for specific purposes determined by the County's highest decision making authority, the Board of County Commissioners, via ordinance. Commitments may be modified or removed by the Board of County Commissioners only by amending the ordinance that created the original commitment.

Assigned fund balance – Amounts that are intended to be spent for specific purposes as determined by the Board of County Commissioners, but that are neither restricted nor committed to the specific purpose.

Unassigned fund balance – Unassigned fund balance is the residual classification for the County's general fund. Amounts in this classification are spendable but have not been deemed restricted, committed or assigned. Unassigned fund balance may also include negative balances for any governmental fund whose expenditures have exceeded the amounts restricted, committed or assigned for those specific purposes.

When both restricted and unrestricted amounts are available, the County spends the restricted amounts first, unless prohibited by law, grant agreements or other contractual arrangement. Further, when committed fund balance is available the County will use it first, followed by assigned fund balance and then unassigned fund balance for purposes in which any of the unrestricted fund balance classifications could be used.

NOTE 13 – RISK MANAGEMENT

The County is exposed to various risks of loss related to tort; theft of, damage to and destruction of assets; errors and omissions; injuries to employees and natural disasters. A self-insurance internal service fund is maintained by the County to administer insurance activities relating to workers’ compensation, health and property and casualty, which covers general, property, auto, public official and crime liabilities. The County self-insurance program covers operations of the Board and the constitutional officers, except for the Sheriff. Under these programs, the self-insurance fund provides coverage up to a maximum amount for each claim. The County purchases commercial insurance for claims in excess of coverage provided by the self-insurance fund and for all other covered risks of loss.

Claim Type	County’s Coverage	Excess Carrier’s Coverage
Property and casualty claims	\$50,000 - \$500,000 ((\$250,000 named storm deductible; 3% deductible of reported values per damaged building; subject to \$5,000,000 deductible cap)	\$50,000 - \$75,000,000
Auto liability claims	\$300,000	\$300,001 - \$5,000,000
Employee health claims	\$1,000,000	\$1,000,001 - Unlimited
Workers’ compensation claims	\$500,000	\$500,001 - Statutory

Settled claims have not exceeded the insurance provided by third party carriers in any of the past three years. All divisions of the County, excluding the Sheriff, participate in this program. Charges to operating departments are based upon amounts believed by management to meet the required annual payouts during the fiscal year and to pay for the estimated operating costs of the programs. For the fiscal year ended September 30, 2021 the operating departments were charged \$47,894,348 for workers’ compensation, health and property and casualty self-insurance programs.

The claims loss reserve for workers’ compensation, health and property and casualty of \$7,708,409 reported at September 30, 2021 was calculated by third party actuaries based upon GASB Statement No. 30, *Risk Financing Omnibus*, which requires that a liability for claims be reported when it is probable that a loss has been incurred and the amount of that loss can be reasonably estimated. The estimated liabilities for unpaid losses related to workers’ compensation and property and casualty were discounted at 3.5%. It should be noted that the discount rate is an estimate based on the expected rate of return over extended periods. The estimated liabilities for unpaid losses related to health were not discounted as their turnover period is much shorter. Claims loss reserves of \$5,488,652 are recorded as current liabilities.

The Sheriff participates in the Statewide Florida Sheriff’s Self-Insurance Fund for its professional liability insurance. The fund is managed by representatives of the participating Sheriff offices and provides professional liability insurance to participating Sheriff agencies. The Florida Sheriff’s Self-Insurance Fund provides liability insurance coverage subject to the following limitations: \$5,000,000 for any one incident or occurrence and \$10,000,000 for an annual aggregate per member.

The Sheriff also participates in the Statewide Florida Sheriff’s Self-Insurance Fund program for workers’ compensation coverage. The Florida Sheriff’s Association Workers’ Compensation Insurance Trust (FSAWIT) is a limited self-insurance fund providing coverage for the first \$500,000 of every claim. Re-insurance is provided through a third party insurer for all claims exceeding \$500,000 up to \$15,000,000.

Settled claims have not exceeded the insurance provided by third party carriers in any of the past three years.

Premiums charged to participating Sheriffs are based upon amounts believed by Fund management to meet the estimated annual payouts during the fiscal year and to pay for the estimated operating costs of the program. All liabilities associated with these self-insured risks are reported in the basic financial statements of the Statewide Florida Sheriff’s Self-Insurance Fund. The Sheriff cannot be additionally assessed for claims paid by the program.

The Sheriff has also established a self-funded employee health plan. An internal service fund is used to account for the activities of the plan. Excess coverage has been purchased which provides specific claim excess coverage for any one incident exceeding \$200,000. In 2021, there was one covered individual who had higher deductible amounts because of a history of high claims. This individual had a deductible of \$1,185,000. Specific claim excess coverage for this individual was for claims exceeding \$1,185,000. The maximum annual individual stop loss payment amount is unlimited. Payments to the internal service fund are based on actuarial estimates of amounts needed to pay prior year and current year claims including claims incurred but not yet reported.

The claims loss reserve for health of \$3,236,000 reported at September 30, 2021 was calculated by third party actuaries based upon GASB Statement No. 30, *Risk Financing Omnibus*, which requires that a liability for claims be reported when it is probable that a loss has been incurred and the amount of that loss can be reasonably estimated. The entire Sheriff’s health claim loss reserve is recorded as a current liability.

NOTE 13 – RISK MANAGEMENT (Continued)

CHANGES IN SELF-INSURANCE CLAIMS PAYABLE

Changes in the self-insurance claims payable for fiscal years 2020 and 2021 were as follows for the County and Sheriff self-insurance programs:

	Property and Casualty	Group Health	Workers' Compensation	Total
Balance at September 30, 2019	\$ 2,736,191	\$ 7,715,000	\$ 1,418,527	\$ 11,869,718

NOTE 14 – LANDFILL LIABILITY

On May 1, 1995, the County entered into a landfill operating agreement with a third party for the privatization of the County's landfill operations. Under the contract, the third party is responsible for the daily operations, capital improvements, closure, postclosure and financial assurance requirements of the active cells within the Naples and Immokalee landfill sites. Collier County is responsible for the postclosure costs relating to portions of the Naples and Immokalee landfill sites. None of the cells that Collier County is responsible for has accepted waste since December 1989. The County is also responsible for staffing and operating the scale house at each site.

In accordance with U.S. Environmental Protection Agency rule *Solid Waste Disposal and Facility Criteria* and GASB Statement No. 18, *Accounting for Municipal Solid Waste Landfill Closure and Postclosure Care Costs*, a liability has been established representing amounts estimated to be spent on postclosure relating to cells for which Collier County is responsible. The County's estimated liability in connection with the landfills is included in the proprietary funds statement of net position. The landfill liability will be reassessed on an annual basis, and any increase due to inflation, changes in technology or additional postclosure care requirements will be recorded as a current cost.

NOTE 15 – OTHER POSTEMPLOYMENT BENEFITS

COUNTY'S PLAN DESCRIPTION AND BENEFITS PROVIDED

The County provides post employment healthcare benefits for retirees through a single employer defined benefit plan (County's OPEB Plan) and can amend the benefits provisions. The participants of this plan include retirees of the Board of County Commissioners, the Clerk of the Circuit Court and Comptroller, the Property Appraiser, the Tax Collector and the Supervisor of Elections. The Sheriff also provides post employment healthcare benefits under a separate plan. In accordance with Florida Statute 112.0801, employees who retire and immediately begin receiving benefits from the FRS have the option of paying premiums to continue in the County's health insurance plan at the same group rate as for active employees.

The Board of County Commissioners and the Tax Collector also subsidize the cost of the post employment healthcare for qualifying retirees and each has the authority to amend benefit provisions. The Board of County Commissioners offers a subsidy for its retirees who have at least 60% of eligible accrued sick leave remaining at the time of retirement and have completed 15 years of continuous service with the Board. In addition, the retiree must retire from the Board, be at least 55 years of age or have completed 30 years of service under the Florida Retirement System (FRS) and be eligible to receive an FRS benefit with no break in time. Such employees are eligible to receive a 50% to 100% subsidy toward the cost of coverage under the active plan. A subsidy is currently provided to 18 retirees. The Tax Collector offers a subsidy of 100% the cost of health care for employees with 10 years of service, between the ages of 54 and 64 and who exchange 800 hours of sick leave at retirement for employees hired prior to June 1, 2015. A subsidy is currently provided to 2 retirees.

The County's OPEB Plan is currently being funded on a pay as you go basis. No trust fund has been established for the plan. The plan does not issue a separate financial report.

NOTE 15 – OTHER POSTEMPLOYMENT BENEFITS (Continued)

PARTICIPANT DATA

As of September 30, 2021, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	49
Active employees	2,433
Total employees	2,482

TOTAL OPEB LIABILITY

The County's total OPEB liability of \$9,500,959 was measured as of September 30, 2021 and was determined by an actuarial valuation as of October 1, 2021. The following table shows the changes in the County's total OPEB liability for the year ended September 30, 2021.

	Total OPEB Liability
Balance, as of October 1, 2020	\$ 9,817,087
Changes:	
Service cost	609,931
Interest on total OPEB liability	162,236
Changes in assumptions or other inputs	(513,843)
Benefit payments	(574,452)
Net changes	(316,128)
Balance, as of September 30, 2021	\$ 9,500,959

OPEB LIABILITY DISCOUNT RATE SENSITIVITY

The following presents the County's total OPEB liability, as well as what the County's total OPEB liability would be if it were calculated using a discount rate one percentage point lower or one percentage point higher than the current discount rate:

Description	1% Decrease in Discount Rate	Current Discount Rate	1% Increase in Discount Rate
OPEB Plan Discount Rate	0.50%	1.50%	2.50%
Total OPEB Liability	\$ 10,272,180	\$ 9,500,959	\$ 8,799,005

OPEB LIABILITY HEALTHCARE TREND RATE SENSITIVITY

The following presents the County's total OPEB liability, as well as what the County's total OPEB liability would be if it were calculated using a healthcare trend rate one percentage point lower or one percentage point higher than the current healthcare trend rate:

Description	1% Decrease in Healthcare Cost Trend Rate	Healthcare Cost Trend Rate	1% Increase in Healthcare Cost Trend Rate
Healthcare Cost Trend Rate	4.00%	5.00%	6.00%
Total OPEB Liability	\$ 8,547,113	\$ 9,500,959	\$ 10,614,283

NOTE 15 – OTHER POSTEMPLOYMENT BENEFITS (Continued)

DEFERRED OUTFLOWS AND INFLOWS OF RESOURCES RELATED TO OPEB

For the year ended September 30, 2021, the County’s OPEB expense was \$880,973. In addition, the County reported deferred outflows of resources and deferred inflows of resources from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Economic Experience	\$ -	\$ 823,755
Changes in assumptions	763,744	60,162
	<u>\$ 763,744</u>	<u>\$ 883,917</u>

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be amortized over 4.6 years and will be recognized as follows:

Year Ending September 30	Deferred Outflows of Resources	Deferred Inflows of Resources
2022	\$ 282,180	\$ 283,712
2023	282,180	235,884
2024	150,267	159,575
2025	39,393	127,998
Thereafter	9,724	76,748

ACTUARIAL METHODS AND ASSUMPTIONS

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

Calculations for financial reporting purposes are based on the benefits provided under terms of the plan as understood by the employer and the plan members in effect at the time of each valuation and on the pattern of sharing of costs between the employer and plan members to that point. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations on the pattern of cost sharing between the employer and plan members in the future. Actuarial calculations reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

The actuarial methods are:

Actuarial cost method Entry Age Actuarial

The actuarial assumptions are:

Discount rate 1.5% (Based on the 20 year AA municipal bond rate)
 Healthcare cost trend rate 5%
 Salary increase 3%
 New employees None

Mortality rates were based on the Pri-2012 Mortality Fully Generational tables using Projection Scale MP-2021.

Since the most recent valuation, the following changes have been made:

The discount rate was changed from 1.6% to 1.5%.

The mortality assumption has been updated from Pri-2012 Mortality Fully Generational using Projection Scale MP-2020 to Pri-2012 Mortality Fully Generational using Projection Scale MP-2021.

SHERIFF’S PLAN DESCRIPTION AND BENEFITS PROVIDED

The Sheriff provides post employment healthcare benefits for retirees through a single employer defined benefit plan (Sheriff’s OPEB Plan) and can amend the benefit provisions. In accordance with Florida Statute 112.0801, employees who retire and immediately begin receiving benefits from the FRS have the option of paying premiums to continue in the Sheriff’s health insurance plan at the same group rate as for active employees.

NOTE 15 – OTHER POSTEMPLOYMENT BENEFITS (Continued)

Prior to 2010, the Sheriff subsidized approximately 26% of the cost for both single and family healthcare for its retirees who have 6 years of creditable service with the Sheriff and who receive a monthly retirement benefit from the Florida Retirement System. Approximately 22% of retirees receive the subsidy.

The Sheriff's OPEB Plan is currently being funded on a pay as you go basis. No trust fund has been established for the plan. The plan does not issue a separate financial report.

PARTICIPANT DATA

As of September 30, 2021, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	141
Active employees	1,150
Total employees	1,291

TOTAL OPEB LIABILITY

The Sheriff's total OPEB liability of \$28,169,914 was measured as of September 30, 2021 and was determined by an actuarial valuation as of October 1, 2020. The following table shows the changes in the Sheriff's total OPEB liability for the year ended September 30, 2021.

	Total OPEB Liability
Balance, as of October 1, 2020	\$ 27,920,433
Changes:	
Service cost	777,037
Interest on total OPEB liability	448,520
Differences between expected and actual experience	451
Changes in assumptions or other inputs	353,427
Benefit payments	(1,329,954)
Net changes	249,481
Balance, as of September 30, 2021	\$ 28,169,914

OPEB LIABILITY DISCOUNT RATE SENSITIVITY

The following presents the Sheriff's total OPEB liability, as well as what the Sheriff's total OPEB liability would be if it were calculated using a discount rate one percentage point lower or one percentage point higher than the current discount rate:

Description	1% Decrease in Discount Rate	Current Discount Rate	1% Increase in Discount Rate
OPEB Plan Discount Rate	0.50%	1.50%	2.50%
Total OPEB Liability	\$ 30,800,891	\$ 28,169,914	\$ 25,840,363

OPEB LIABILITY HEALTHCARE TREND RATE SENSITIVITY

The following presents the Sheriff's total OPEB liability, as well as what the Sheriff's total OPEB liability would be if it were calculated using a healthcare trend rate one percentage point lower or one percentage point higher than the current healthcare trend rate:

Description	1% Decrease in Healthcare Cost Trend Rate	Healthcare Cost Trend Rate	1% Increase in Healthcare Cost Trend Rate
Healthcare Cost Trend Rate	4.00%	5.00%	6.00%
Total OPEB Liability	\$ 25,637,156	\$ 28,169,914	\$ 31,082,145

NOTE 15 – OTHER POSTEMPLOYMENT BENEFITS (Continued)

DEFERRED OUTFLOWS AND INFLOWS OF RESOURCES RELATED TO OPEB

For the year ended September 30, 2021, the Sheriff’s OPEB expense was \$2,574,820. In addition, the Sheriff reported deferred outflows of resources and deferred inflows of resources from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Economic Experience	\$ 5,735,347	\$ 38,168
Changes in assumptions	2,784,663	522,836
	<u>\$ 8,520,010</u>	<u>\$ 561,004</u>

Amounts reported as deferred inflows and outflows of resources related to OPEB will be amortized over 7.07 years:

Year Ending September 30	Deferred Outflows of Resources	Deferred Inflows of Resources
2022	\$ 1,536,775	\$ 136,740
2023	1,536,775	136,740
2024	1,536,775	136,740
2025	1,536,775	129,469
2026	1,299,645	21,315
Thereafter	1,073,265	0

ACTUARIAL METHODS AND ASSUMPTIONS

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

Calculations for financial reporting purposes are based on the benefits provided under terms of the plan as understood by the employer and the plan members in effect at the time of each valuation and on the pattern of sharing of costs between the employer and plan members to that point. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations on the pattern of cost sharing between the employer and plan members in the future. Actuarial calculations reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

The actuarial methods are:

Actuarial cost method Entry Age Actuarial

The actuarial assumptions are:

Discount rate 1.5% (Based on the 20 year AA municipal bond rate)
 Healthcare cost trend rate 5%
 Salary increase None
 New employees None

Mortality rates were based on the Pri-2012 Mortality Fully Generational tables using Projection Scale MP-2020

Since the most recent valuation, the following changes have been made:

The discount rate was changed from 1.6% to 1.5%.

The healthcare cost trend rate was changed from 6% to 5%

The mortality assumption has been updated from RP-2014 Mortality Fully Generational using Projection Scale MP-2019 to Pri-2012 Mortality Fully Generational using Projection Scale MP-2020.

NOTE 15 – OTHER POSTEMPLOYMENT BENEFITS (Continued)

SUMMARY

The aggregate amount of total OPEB liability, related deferred outflows of resources and deferred inflows of resources and OPEB expense for the County's postemployment benefits plans are summarized below:

	County's OPEB Plan	Sheriff's OPEB Plan	Total
Total OPEB liability	\$ 9,500,959	\$ 28,169,914	\$ 37,670,873
Deferred outflows of resources related to OPEB	763,744	8,520,010	9,283,754
Deferred inflows of resources related to OPEB	883,917	561,004	1,444,921
OPEB expense	880,973	2,574,820	3,455,793

NOTE 16 – SIGNIFICANT CONTINGENCIES

LITIGATION

The County is involved as defendant or plaintiff in certain litigation and claims arising in the ordinary course of operations. In the opinion of County legal counsel, the range of potential recoveries or liabilities, other than as disclosed here, will not materially affect the financial position of the County.

STATE AND FEDERAL GRANTS

Grant monies received and disbursed by the County are for specific purposes and are subject to review by the grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditures. Based upon prior experience, the County does not believe that such disallowances, if any, would have a material effect on the financial position of the County.

HURRICANE IRMA

On September 10, 2017, Category 3 Hurricane Irma made landfall in Collier County. Statewide, an estimated 6.5 million Floridians were ordered to evacuate, mostly those living on barrier islands or in coastal areas, in mobile or sub-standard homes and in low lying or flood prone areas. Mandatory evacuations were ordered for portions of Collier County. The primary impacts of Hurricane Irma were widespread power outages and debris, coastal flooding and beach erosion. The County has spent approximately \$108.7 million on recovery efforts and has budgeted an additional \$1.6 million in the 2022 fiscal year. In 2021, the County recognized \$3.8 million in insurance proceeds and \$10 million in revenue from the Federal Emergency Management Agency (FEMA). The County continues to expect reimbursements from FEMA.

NOTE 17 – SIGNIFICANT COMMITMENTS

Collier County has active construction projects as of September 30, 2021. The projects include road construction, governmental facilities and utilities improvements. At year end, the County's significant commitments with contractors include the following:

	<u>Category</u>	<u>Construction Commitments</u>
Governmental Activities:		
Grants and Shared Revenue	Culture and Recreation	\$ 363,704
Infrastructure Sales Tax	Transportation	30,698,271
	Culture and Recreation	9,462,882
Other Governmental Funds	General Government	749,900
	Physical Environment	8,058,502
	Transportation	12,779,994
	Culture and Recreation	38,000,337
Business-type Activities:		
Water and Sewer	Utilities	66,008,272
Solid Waste Disposal	Solid Waste	1,536,269
Other Enterprise Funds	Airports	732,596
Total		<u>\$ 168,390,727</u>

NOTE 17 – SIGNIFICANT COMMITMENTS (Continued)

Encumbrances represent commitments for future expenditures, based on purchase orders or contracts issued, where the goods or services have been ordered but not received. Encumbrance commitments do not include construction contracts, as they are included as contract commitments.

Collier County had the following significant individual encumbrances as of September 30, 2021:

	<u>Category</u>	<u>Encumbrance Commitments</u>
Governmental Activities:		
Bayshore Gateway Community Redevelopment Agency	Economic Environment	\$ 600,000
Grants and Shared Revenue	Physical Environment	631,625
	Transportation	1,108,363
	Economic Environment	9,689,319
Infrastructure Sales Tax	Public Safety	905,513
	Physical Environment	3,355,892
Other Governmental Funds	Public Safety	600,000
	Physical Environment	2,558,451
	Transportation	3,945,658
	Economic Environment	500,000
	Culture and Recreation	679,430
Business-type Activities:		
Water and Sewer	Utilities	2,929,635
Other Enterprise Funds	Airport Authority	4,275,111
	Collier Area Transit	3,237,845
Internal Service Funds	Motor Pool Capital Recovery	504,836
Total		<u>\$ 35,521,678</u>

NOTE 18 – SUBSEQUENT EVENTS

As of the date of this report, Collier County expects to issue the Series 2022A Special Obligation Refunding Revenue Bond (Bank Term Loan) in the par amount of \$32,920,000. The proceeds of the Series 2022A Bond will be used to refund all of the outstanding Special Obligation Refunding Revenue Bonds, Series 2011. The final maturity of the Series 2022A Bond is October 1, 2029, with a fixed interest rate of 1.43%. The refunding achieved a net present value savings of 5.42% on the refunded bonds and an aggregate debt service savings of \$1,864,171. The Series 2022A Special Obligation Revenue Bond was issued as a direct placement financing, secured with a lien on parity with all outstanding Special Obligation Bonds. The refunded Series 2011 Special Obligation Refunding Revenue Bonds have a redemption date of March 15, 2022.

As of the date of this report, Collier County expects to enter into a forward refunding agreement to issue the Series 2022B Special Obligation Refunding Revenue Bond (Bank Term Loan) in the par amount of \$75,365,000. The proceeds of the Series 2022B Bond will be used to refund all of the outstanding Special Obligation Refunding Revenue Bonds, Series 2013. The final maturity of the Series 2022B Bond is October 1, 2035, with an interest rate of 1.85%. The refunding achieved a net present value savings of 14.47% on the refunded bonds and an aggregate debt service savings of \$12,104,059. The Series 2022B Special Obligation Revenue Bond was issued as a direct placement financing, secured with a lien on parity with all outstanding Special Obligation Bonds. The refunded Series 2013 Special Obligation Refunding Revenue Bonds have a redemption date of October 1, 2022.

During fiscal year 2020, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. The COVID-19 pandemic is having significant effects on global markets, supply chains, businesses and communities. Specific to Collier County, COVID-19 may impact various parts of its 2022 operations and financial results including, but not limited to, revenue sources, costs for emergency preparedness and increases in costs for materials and supplies for daily operations. Management believes that Collier County is taking appropriate actions to mitigate the negative impact. In June 2021, Collier County was awarded \$74.8 million in Coronavirus State and Local Fiscal Recovery Funds from the American Rescue Plan Act of 2021. However, the full impact of COVID-19 and the related Federal assistance is unknown and cannot be reasonably estimated at this time.

NOTE 19 – CHANGE IN ACCOUNTING PRINCIPLE

During the year ended September 30, 2021, the County adopted GASB Statement No. 84, Fiduciary Activities. The goal of this statement is to improve financial reporting by establishing specific criteria for identifying activities that should be reported as fiduciary activities.

This change requires the restatement of the September 30, 2020 fiduciary net position of the fiduciary funds as follows:

	<u>Custodial Funds</u>
Fiduciary Net Position, September 30, 2020, as Previously Reported	\$ -
Cumulative Effect of Application of GASB 84	<u>16,164,807</u>
Fiduciary Net Position, September 30, 2020, as Restated	<u>\$ 16,164,807</u>

The Deposit Agency fund and the Pine Ridge and Naples Production Park Agency fund balances at September 30, 2020 did not meet the criteria for fiduciary activities. In fiscal year 2021, the assets and liabilities for these funds were moved to the General Fund and the Improvement Districts respectively.

Notes to the Schedule

Changes in Assumptions: Change in the discount rate of 1.6% as of September 30, 2020 to 1.5% as of September 30, 2021.

The mortality assumption has been updated from RP-2014 Mortality Fully Generational using Projection Scale MP-2019 to Pri-2012 Mortality Fully Generational Projection Scale MP-2020.

Note: Information is required to be presented for 10 years. However, until a full 10-year trend is compiled, the County will present information for only those years for which information is available.

Combining & Individual Fund Financial Statements & Other Supplemental Information

THIS PAGE INTENTIONALLY LEFT BLANK

NONMAJOR GOVERNMENTAL FUNDS

Special Revenue Funds

ROAD DISTRICTS – To account for taxes levied and expenditures to carry on all work on roads and bridges in the County except that provided for in capital project funds.

UNINCORPORATED AREA MUNICIPAL SERVICES TAXING DISTRICT – To account for revenues derived from and expanded for the benefit of the unincorporated areas of the County.

COMMUNITY DEVELOPMENT – To account for building permit and development fees to support licensing, permitting and inspection services.

WATER MANAGEMENT AND POLLUTION CONTROL – To account for taxes levied County-wide to provide water resource management and water pollution control.

PELICAN BAY – To account for taxes levied in the Pelican Bay development to provide water resource management and beautification services.

STORMWATER UTILITY – To account for the accumulation of resources and expenditures related to the management of facilities and services for drainage and flood protection County-wide.

IMPROVEMENT DISTRICTS – To account for taxes levied within municipal service taxing districts to provide for specified improvements and/or the maintenance of such improvements.

FIRE CONTROL DISTRICTS – To account for taxes levied within municipal service taxing districts for fire prevention and control.

LIGHTING DISTRICTS – To account for taxes levied within municipal service taxing district for street lighting.

911 ENHANCEMENT FEE – To account for fees levied on each telephone access line in the County for the enhancement of the 911 emergency telephone system.

TOURIST DEVELOPMENT – To account for the 5% tourist development tax.

STATE HOUSING INITIATIVE PARTNERSHIP – To account for state revenues received to provide affordable residential housing for very low to moderate income persons and those who have special housing needs.

800 MHZ INTERGOVERNMENTAL RADIO COMMUNICATIONS PROGRAM FUND – To account for moving traffic violation surcharges received to fund the County's intergovernmental radio communications program.

STATE COURT ADMINISTRATION – To account for County monies used to fund the operation of the court system.

CONFISCATED PROPERTY – To account for the accumulation and expenditure of proceeds from the sale of property confiscated by the Sheriff.

GAC LAND SALES, ROADS AND CANALS – To account for principal and settlement fees received from a 1977 settlement with GAC Properties, Inc., and interest thereon to be expended for the restoration and maintenance of roads, facilities and drainage improvements in the Golden Gate Estates area.

UTILITY FEE – To account for fees to be used to effectively and efficiently regulate private water and wastewater utilities operating within the unincorporated areas of Collier County and the City of Marco Island.

CONSERVATION COLLIER – To account for the acquisition and management of environmentally sensitive lands.

COURT INFORMATION TECHNOLOGY – To account for the accumulation of resources to enhance and increase access to court information.

COURT SERVICES – To account for the accumulation of revenues associated with the function of the local court system.

UNIVERSITY EXTENSION – To account for fund accumulation to meet the educational goals of the Collier County UF/IFAS extension.

COURT FACILITIES FEE – To account for the accumulation of resources to improve court facilities.

AFFORDABLE HOUSING – To account for fees to be used to provide for affordable housing related projects.

ECONOMIC AND INNOVATION ZONE – To account for the accumulation of resources for economic development in accordance with an approved tax increment financing plan.

OTHER COURT SPECIAL REVENUE FUNDS – To account for the statutory surcharge on recording documents to be paid to the Clerk of the Circuit Court for modernization.

FINANCIAL SECTION

Nonmajor Governmental Funds

OTHER PUBLIC SAFETY SPECIAL REVENUE FUNDS – To account for the accumulation of resources for the Sheriff's Inmate Welfare, Federal Equitable Sharing and other statutory revenues paid to the Sheriff to fund various inmate welfare, crime prevention and training programs.

OTHER SPECIAL REVENUE FUNDS – To account for the accumulation of resources for the following programs:

Miscellaneous Florida Statutes Fee Collections	Euclid and Lakeland Assessment
Adoption Awareness	Legal Aid Society
Teen Court	Law Enforcement Training
Animal Control	Domestic Violence
Public Library	Juvenile Assessment Center
Law Library	Driver Education
Freedom Memorial	Crime Prevention
County Drug Abuse	

Permanent Funds

RESOURCE RECOVERY PARK ENDOWMENT – To account for the permanent endowment established for the benefit of the County's land conservation program.

PEPPER RANCH CONSERVATION BANK – To account for the permanent endowment established for the benefit of establishing and maintaining a panther habitat land conservation bank.

Debt Service Funds

POOLED COMMERCIAL PAPER PROGRAM – To account for the accumulation of resources and payment of interest and principal on variable rate debt incurred for the acquisition of land for the County's amateur sports park.

GAS TAX REFUNDING REVENUE BONDS – To account for the accumulation of resources and payment of interest and principal on the Series 2012 Gas Tax Refunding Revenue Bonds and Series 2014 Gas Tax Refunding Revenue Bond (bank term loan) incurred in the refinancing of Gas Tax Revenue Bonds.

COMMUNITY REDEVELOPMENT TAXABLE NOTE – To account for the accumulation of resources and payment of interest and principal on taxable long-term debt incurred for the acquisition of land in the Bayshore Gateway Community Redevelopment Agency.

FOREST LAKES LIMITED GENERAL OBLIGATION BONDS – To account for the accumulation of resources and payment of interest and principal on the Series 2007 Forest Lakes Limited General Obligation Bonds debt incurred to finance the cost of certain roadway lighting, drainage and restoration in the Forest Lakes Municipal Services Taxing Unit.

SPECIAL OBLIGATION REFUNDING REVENUE BONDS – To account for the accumulation of resources and payment of interest and principal on the Series 2010, 2010B, 2011 and 2013 Special Obligation Refunding Revenue Bonds and the Series 2017 Special Obligation Refunding Revenue Note (bank term loan) incurred in the refinancing of variable rate commercial paper loans and revenue bonds. Also used to account for the accumulation of resources and payment of interest and principal on the Series 2019 Taxable Special Obligation Revenue Note (bank term loan) used to purchase the Golden Gate Golf Course.

TOURIST DEVELOPMENT TAX REVENUE BONDS – To account for the accumulation of resources and payment of interest and principal on the Series 2018 Tourist Development Tax Revenue Bonds incurred to pay the cost of the development, acquisition, construction and equipping of a regional tournament caliber amateur sports complex.

Capital Project Funds

COUNTY-WIDE CAPITAL IMPROVEMENTS – To account for capital projects, designated by the Board of County Commissioners, to be funded by a County-wide one third mil levy.

PARKS IMPROVEMENTS – To account for the expenditure of funds raised specifically for improvements to parks. Projects include land acquisition, design, construction and equipping of certain Community Park sites in the unincorporated areas of the County. Primary funding is ad valorem taxes.

COUNTY-WIDE LIBRARY IMPACT FEES – To account for the receipt and expenditure of library impact fees collected from all qualifying new construction. These impact fees must be used for acquisition of County-wide library facilities.

CORRECTIONAL FACILITIES IMPACT FEES – To account for the receipt and expenditure of correctional facilities impact fees collected from all qualifying new construction. These impact fees must be used for the acquisition/construction of correctional facilities.

EMERGENCY MEDICAL SERVICES IMPACT FEES – To account for the receipt and expenditure of emergency medical service impact fees collected from all qualifying new construction. These impact fees must be used for acquisition/construction of emergency service facilities.

WATER MANAGEMENT – To account for the receipt and expenditure of funds raised specifically for water management purposes. Primary funding is ad valorem taxes.

PELICAN BAY CAPITAL IMPROVEMENTS – To account for the receipt and expenditure of funds raised specifically for water management purposes and the restoration of the Clam Bay estuary in the Pelican Bay Development. Primary funding is a special assessment.

PARKS IMPACT DISTRICTS – To account for the receipt and expenditure of parks impact fees collected from all qualifying new construction. The impact fees must be used for the acquisition/construction of park facilities.

ROAD IMPACT DISTRICTS – To account for the receipt and expenditure of road impact fees collected from all qualifying new construction. The impact fees must be used for the acquisition/construction of roads.

ROAD CONSTRUCTION – To account for the receipt and expenditure of gas taxes. Projects include, but are not limited to, right-of-way acquisition, design and construction of various transportation improvements.

GOVERNMENT FACILITIES IMPACT FEES – To account for the receipt and expenditure of government facilities impact fees collected from qualifying new construction. The impact fees must be used for the acquisition and construction of government facilities.

LAW ENFORCEMENT IMPACT FEES – To account for the receipt and expenditure of law enforcement impact fees collected from all qualifying new construction. The impact fees must be used for the acquisition and construction of law enforcement related facilities.

ALL TERRAIN VEHICLE PARK – To account for the receipt and expenditure of funds for the creation of an All Terrain Vehicle park.

AMATEUR SPORTS COMPLEX – To account for major capital expenditures related to the new Amateur Sports Complex.

OTHER CAPITAL PROJECTS – To account for major capital expenditures financed from resources other than proceeds from the issuance of long-term debt and the one third mil levy.

Property is assessed as of January 1, and taxes based on these assessments are levied and become due on the following November 1. Therefore, assessments and levies applicable to a certain tax year are collected in the fiscal year ending during the next succeeding calendar year. (1) The basis of assessed value required by the state is 100% of actual value including tax exemptions.

Basis for property tax rates is 1 mill per \$1,000 of assessed value. Property is assessed as of January 1 and taxes based on those assessments are levied according to the tax rate in effect that tax year and become due on November 1. Therefore, assessments and levies applicable to a certain tax year are collected in the fiscal year ending during the following calendar year.

2021	389,754	415,562	400,531	96.4%	1,106

Property taxes levied apply only to General, Special Revenue, Debt Service Funds and Capital Projects Funds.

Property tax levies are based on assessed values as of January 1st and become due and payable on November 1st of each year. A four percent discount is allowed if the taxes are paid by November 30, with the discount declining by one percent each month thereafter. Accordingly, taxes collected are not 100 percent of the amount levied. Taxes become delinquent on April 1st of each year and tax certificates for the unpaid taxes must be sold no later than June 1st of each year.

Property taxes receivable and a corresponding reserve for uncollectible property taxes are not included in the financial statements as there are no significant delinquent taxes as of September 30, 2021.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable Board of County Commissioners
Collier County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Collier County, Florida (County), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated March 7, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

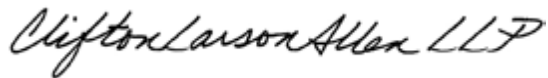

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CliftonLarsonAllen LLP

Naples, Florida
March 7, 2022

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT, REPORT ON INTERNAL CONTROL OVER COMPLIANCE, AND REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.550, RULES OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

Honorable Board of County Commissioners
Collier County, Florida

Report on Compliance for Each Major Federal Program and State Project

We have audited Collier County, Florida's (County) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the State of Florida Department of Financial Services' *State Projects Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs and state projects for the year ended September 30, 2021. The County's major federal programs and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal and state statutes, regulations, and the terms and conditions of its federal awards and state projects applicable to its federal programs and state projects.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, Rules of the Auditor General *Local Governmental Entity Audits* (Chapter 10.550). Those standards, the Uniform Guidance, and Chapter 10.550 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of the County's compliance.

Opinion on Each Major Federal Program and State Project

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2021.

Report on Internal Control Over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program or state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

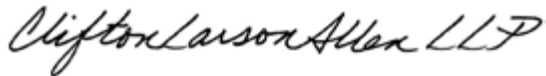

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards and State Financial Assistance Required by the Uniform Guidance and Chapter 10.550, Rules of the Auditor General

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the County as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the County's basic financial statements.

Honorable Board of County Commissioners
Collier County, Florida

We issued our report thereon dated March 7, 2022, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the basic financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards and state financial assistance is presented for purposes of additional analysis as required by the Uniform Guidance and Chapter 10.550 and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, based on our audit, the procedures described above, the schedule of expenditure of federal awards and state financial assistance is fairly stated in all material respects in relation to the basic financial statements as a whole.

COLLIER COUNTY, FLORIDA
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL
AWARDS AND STATE FINANCIAL ASSISTANCE
Year Ended September 30, 2021

1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the Schedule) includes the Federal and State grant activity for Collier County, Florida (the County) and is presented on the modified accrual basis of accounting for expenditures accounted for in the governmental funds and the accrual basis of accounting for expenditures in proprietary funds. Under the modified accrual basis, revenue is recognized if it is both measurable and available for use during the fiscal year and expenditures are recognized in the period liabilities are incurred, if measurable. Under the accrual basis, expenditures are recognized in the period liabilities are incurred.

The information in the schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and Section 215.97, Florida Statutes, with the exception of Assistance Listing 21.019, which follows criteria determined by the Department of Treasury for allowability of costs. Therefore, some amounts presented in the Schedule may differ from amounts presented, or used in the preparation of, the basic financial statements for the fiscal year ended September 30, 2021.

2. Contingency

The grant revenue amounts received are subject to audit and adjustment. If any expenditures or expenses are disallowed by the grantor agencies as a result of such an audit, any claim for reimbursement to the grantor agencies would become a liability of the County.

3. Indirect Cost Rate

The County has not elected to use the 10 percent de minimus cost rate allowed under the Uniform Guidance.

4. Disaster Grants - Public Assistance (Presidentially Declared Disasters) (97.036)

After a presidentially declared disaster, FEMA provides Disaster Grants – Public Assistance (Presidentially Declared Disasters) (Assistance Listing 97.036) to reimburse eligible costs associated with debris removal, emergency protective measures and the repair, restoration, reconstruction or replacement of public facilities or infrastructure damaged or destroyed. Reimbursements are provided in the form of cost-shared grants. Hurricane Irma (FEMA-4337-DR) made landfall in Collier County on September 10, 2017. In 2021, \$9 million in eligible expenditures were incurred from 2017 through 2020 and are included in the Schedule.

5. Donated Personal Protective Equipment (PPE)

The County received \$100,000 of donated personal protective equipment (PPE) in 2021. Donated PPE is valued at fair market at the time of receipt.

**COLLIER COUNTY, FLORIDA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED SEPTEMBER 30, 2021**

SECTION I - SUMMARY OF AUDITORS' RESULTS

Financial Statements

Type of auditors' report issued?	Unmodified

MANAGEMENT LETTER

Honorable Board of County Commissioners
Collier County, Florida

Report on the Financial Statements

We have audited the financial statements of the Collier County, Florida, (County) as of and for the fiscal year ended September 30, 2021, and have issued our report thereon dated March 7, 2022.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General, which are dated March 7, 2022. We also issued our Independent Auditors' Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control over Compliance and Schedule of Questioned Costs, which are dated June 16, 2022. Disclosures in those reports and schedule should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This information is included in the notes to the basic financial statements.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the County met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the County did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the County. It is management's responsibility to monitor the County's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c., Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Specific Information (*For a dependent special district or an independent special district, or a local government entity that includes the information of a dependent special district*)

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Collier County Airport Authority reported:

- a. The total number of district employees compensated in the last pay period of the district's fiscal year as 16.
- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the district's fiscal year as 21.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$1,119,018.
- d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as \$185,558.
- e. Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project: See Appendix A.
- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes, as \$24,448,101.

Honorable Board of County Commissioners
Collier County, Florida

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Collier County Community Redevelopment Agency reported:

- a. The total number of district employees compensated in the last pay period of the district's fiscal year as 5.
- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the district's fiscal year as 1.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$618,369.
- d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as \$7,140.
- e. Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project: See Appendix A.
- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes, as \$3,964,976.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Collier County Educational Facilities Authority reported:

- a. The total number of district employees compensated in the last pay period of the district's fiscal year as 0.
- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the district's fiscal year as 1.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$0.
- d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as \$5,000.
- e. Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project: None.
- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes, as \$0.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Collier County Health Facilities Authority reported:

- a. The total number of district employees compensated in the last pay period of the district's fiscal year as 0.
- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the district's fiscal year as 1.

Honorable Board of County Commissioners
Collier County, Florida

- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$0.
- d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as \$4,500.
- e. Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project: None.
- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes, as \$0.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Collier County Housing Finance Authority reported:

- a. The total number of district employees compensated in the last pay period of the district's fiscal year as 0.
- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the district's fiscal year as 1.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$0.
- d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as \$4,500.
- e. Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project: None.
- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes, as \$0.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Collier County Industrial Development Authority reported:

- a. The total number of district employees compensated in the last pay period of the district's fiscal year as 0.
- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the district's fiscal year as 1.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$0.
- d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as \$7,500.
- e. Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project: None.

- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes, as \$0.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Collier County Water-Sewer District reported:

- a. The total number of district employees compensated in the last pay period of the district's fiscal year as 433.
- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the district's fiscal year as 126.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$36,185,929.
- d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as \$940,134.
- e. Each construction project with a total cost of at least \$65,000 approved by the district that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project: See Appendix A.
- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the district amends a final adopted budget under Section 189.016(6), Florida Statutes, as \$358,656,806.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of County Commissioners, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT

Honorable Board of County Commissioners
Collier County, Florida

We have examined Collier County, Florida's (County) compliance with Section 218.415, Florida Statutes, regarding the investment of public funds and Section 365.172(10) and 365.172(2)(d), Florida Statutes, regarding emergency communications number E911 system fund during the year ended September 30, 2021. Management of the County is responsible for the County's compliance with the specified requirements. Our responsibility is to express an opinion on the County's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the County complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the County's compliance with specified requirements.

In our opinion, the County complied, in all material respects, with Section 218.415, Florida Statutes, regarding the investment of public funds and Section 365.172(10) and 365.173(2) (d), Florida Statutes, regarding emergency communications number E911 system fund during the year ended September 30, 2021.

This report is intended solely for the information and use of the County and the Auditor General, state of Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.

Notes:

Coverage calculations utilize definitions of Gross Revenues, Net Revenues, System Development Fees and Pledged Funds established in Resolution CWS 85-5, as Amended and Restated.

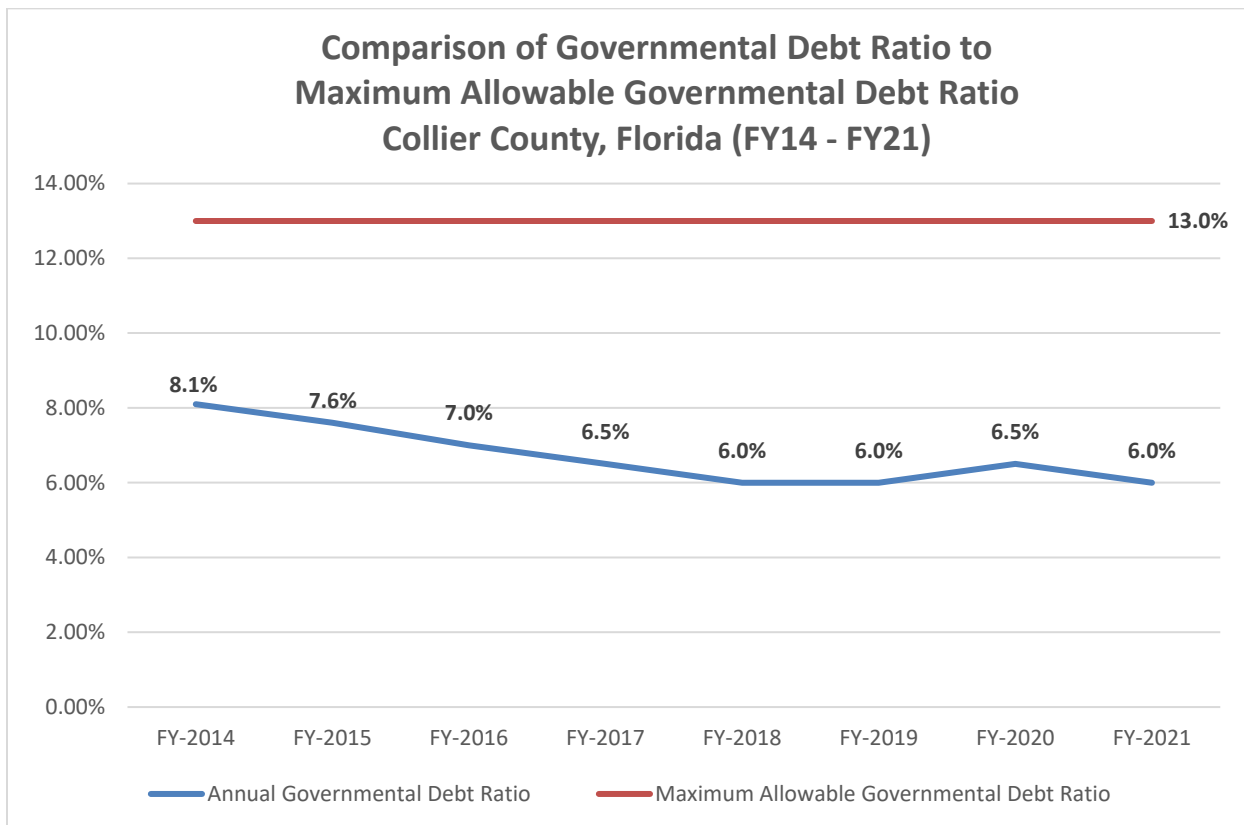

Summary Debt Statement for Fiscal Year 2021

General Governmental Debt:

While the Florida State Constitution and the Florida Statutes set no legal debt limit at the local level, prudent fiscal management requires a self-imposed level of restraint. Collier County's Debt Policy sets the maximum allowable governmental debt ratio at 13.0%, and the County continues to operate below this threshold. The governmental debt ratio is the ratio of debt service requirements to total bondable revenues, as defined by Collier County's Debt Policy. It should be noted that while ad valorem taxes are bondable for purposes of the governmental debt ratio calculation, they may only be pledged pursuant to voter referendum.

The governmental debt ratio decreased by .5% for the fiscal year ended September 30, 2021, to 6.0% (see Table 1), or less than half of the allowable ratio. This decrease is mainly reflective of increases in ad valorem collections, as well as half cent sales tax and tourist development tax revenues. These revenue increases were offset by a 2.4% increase in debt service related to the newly issued Series 2020 A and B Special Obligation Revenue Bonds. Overall governmental revenues, even with the lingering effects of the COVID-19 pandemic, increased by 11.0% over fiscal year 2020. This increase was largely related to a 6.5% increase in ad valorem collections.

Aggressive debt restructuring over the last ten years, coupled with the growth of general governmental revenues, produced several consecutive years of decreases in the general governmental debt ratio. The trend in the governmental debt ratio is shown in the table below:

Summary of Existing and Newly Issued General Government Debt

Existing General Government Debt

The following table lists outstanding General Governmental Debt as of September 30, 2021:

Issue	Amount	Interest Rates	Final Maturity	Purpose
Series 2010B Special Obligation Refunding Revenue Bonds	\$2,630,000	4.00% - 5.00%	October 1, 2021	Advance refund Series 2002 Capital Improvement Revenue Bonds.
Series 2011 Special Obligation Refunding Revenue Bonds	\$39,360,000	3.00% - 5.00%	October 1, 2029	Advance refund portions of the Series 2003 and 2005 Capital Improvement and Refunding Revenue Bonds.
Series 2013 Special Obligation Refunding Revenue Bonds	\$73,805,000	3.50% - 4.00%	October 1, 2035	Advance refund remaining portions of the Series 2003 and 2005 Capital Improvement and Refunding Revenue Bonds.
Series 2017 Special Obligation Refunding Revenue Note (Term Loan)	\$40,577,000	3.09%	July 1, 2034	Advance refund a portion of the Series 2010 Special Obligation Revenue Bonds.
Series 2019 Special Obligation Revenue Note (Taxable Term Loan)	\$28,060,000	2.74%	October 1, 2029	Fund the purchase of the Golden Gate Golf Course.
Series 2020A Special Obligation Revenue Bonds	\$75,100,000	4.00% - 5.00%	October 1, 2045	Fund stormwater capital improvements, parks capital improvements and refinance loan related to sports complex land purchase.
Series 2020B Special Obligation Revenue Bonds (Taxable)	\$24,075,000	2.00%	October 1, 2029	Fund the purchase of the HHH Ranch and the Camp Keais property.
Series 2012 Gas Tax Refunding Revenue Bonds	\$7,375,000	3.00% - 5.00%	June 1, 2023	Advance refund Series 2003 Gas Tax Revenue Bonds.
Series 2014 Gas Tax Refunding Revenue Bond (Term Loan)	\$42,945,000	2.33%	June 1, 2025	Advance refund a portion of the Series 2005 Gas Tax Revenue Bonds.
Series 2018 Tourist Development Tax Revenue Bonds	\$60,785,000	4.00% - 5.00%	October 1, 2048	Fund the construction and equipping of a regional tournament caliber amateur sports complex.

New General Government Debt

On November 3, 2020, Collier County issued the Series 2020A Special Obligation Revenue Bonds in the par amount of \$75,100,000. The proceeds of the Series 2020A Bonds will be used to finance the acquisition, construction and equipping of various stormwater capital improvements, aquatic and other park related improvements, refinance prior indebtedness related to land purchased for the Paradise Coast Sports Complex and pay issuance costs. The final maturity of the Series 2020A Bonds is October 1, 2045. The bonds are due on installments of \$165,000 to \$6,045,000 and bear coupon rates of 4.00% and 5.00%, depending upon the maturity. The Series 2020A Special Obligation Revenue Bonds were issued as a competitive public offering, secured by the County's covenant to budget and appropriate in its annual budget, by amendment, if necessary, from non-ad valorem revenues.

On November 3, 2020, Collier County also issued the Series 2020B Taxable Special Obligation Revenue Bonds in the par amount of \$24,075,000. The proceeds of the Series 2020B Bonds will be used to purchase real property, consisting of 967 acres know as the Hussey property, approximately three miles east of Collier Boulevard and directly north of Alligator Alley, and approximately 1,046 acres known as the Camp Keais property located southeast of the intersection of Camp Keais Road and Oil Well Road east of Ave Maria Boulevard and pay issuance costs. The bonds were issued as taxable so that the County has flexibility in determining the future uses of the respective properties. The final maturity of the Series 2020B Bonds is October 1, 2029. The bonds are due on installments of \$2,275,000 to \$2,920,000 and bear coupon rates of 2.00%. The Series 2020B Taxable Special Obligation Revenue Bonds were issued as a competitive public offering, secured by the County's covenant to budget and appropriate in its annual budget, by amendment, if necessary, from non-ad valorem revenues.

Collier County Governmental Bonded Debt Ratings Table:

Current Ratings (as of 3/14/2022)	Fitch	Moody's	Standard & Poor's
Gas Tax Revenue Bonds	AA-	A2	A+
Special Obligation Bonds	AA	Aa1	AAA
Tourist Development Tax Bonds*	AA+	Aa3	-

* Standard & Poor's does not currently rate the Tourist Development Tax Bonds.

A rating of AA by Fitch Ratings denotes the expectations of very low default risk and indicates very strong capacity for payment of financial commitments. This capacity is not significantly vulnerable to foreseeable events. Fitch also uses intermediate +/- modifiers for each AA category.

A Moody's Investors Service rating of Aa is indicative of a high quality investment grade instrument with very low credit risk, whereas an A rating indicative of an upper-medium grade instrument subject to low credit risk. Moody's uses intermediate modifiers of 1 (higher) to 3 (lower) within the Aa and A ranges. Moody's also maintains an Issuer Credit Rating of Aaa for Collier County which indicates excellent overall credit worthiness.

An obligation rated AAA has the highest rating assigned by Standard and Poor’s Global Ratings. The obligor’s capacity to meet its financial commitments on the obligation is extremely strong. An obligation rated A is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor’s capacity to meet its financial commitments on the obligation is still strong. Standard and Poor’s Global Ratings also uses intermediate +/- modifiers for each category to indicate relative standing within the major rating categories.

Collier County Enterprise Debt:

Currently, the Collier County Water and Sewer District (District) is the only County enterprise activity with bonded debt outstanding. The Collier County Debt Policy does not set a maximum allowable enterprise debt ratio, but coverage requirements related to the District’s debt are set by bond covenants. Net revenues, defined as operating revenues plus specific non-operating revenues less operating expenses, excluding depreciation, must cover senior lien bonded debt service at 100%. Total pledged funds, defined as net revenues plus impact fees and special assessments, if applicable, must cover senior lien bonded debt service at 125%. Net revenue coverage on senior lien bonded debt was 509% and total pledged funds coverage on senior lien bonded debt was 639% for FY-2021, down from 545% and 675%, respectively, for FY-2020.

Bonded debt coverages for FY-2021 decreased primarily due to a 6.0% increase in in operations and maintenance costs and a 5.7% decrease in non-operating revenues. Operating expenses increased due to higher costs for emergency repairs and utility and electrical parts used in the maintenance of the system. Non-operating revenues decreased mainly due to decreased interest earnings when compared to FY-2020. The District’s calculated coverage on subordinated debt, all in the form of a bank loan with Synovus Bank, also decreased from 705% to 660% (see Table 2). The total pledged funds coverage required by the subordinated loan agreement is equivalent to 115% of total subordinated debt service in each fiscal year, after payment of bonded senior lien debt service.

User rates for potable water, wastewater and irrigation water, as well as miscellaneous revenues, offset system operating, maintenance, debt service and capital costs. In July of 2018 the District’s governing board adopted rate increases of 2.8% effective October 1, 2018, 2.9% effective October 1, 2019 and 2.9% effective October 1, 2020, for fiscal years 2019, 2020 and 2021, respectively. The District’s current focus is the optimization of resources, risk-based prioritization of capital projects and infrastructure expansion in Golden Gate City and the northeast service area to serve future residents and businesses.

Existing Enterprise Debt

The following table lists outstanding Enterprise Debt as of September 30, 2021:

Issue	Amount	Interest Rates	Final Maturity	Purpose
Series 2015 Water and Sewer Refunding Revenue Bond (Bank Term Loan)	\$4,561,000	1.75%	July 1, 2022	Advance refund a portion of the Series 2006 Water and Sewer Revenue Bonds.
Series 2016 Water and Sewer Refunding Revenue Bonds	\$48,105,000	5.00%	July 1, 2036	Refund remaining portion of the Series 2006 Water and Sewer Revenue Bonds.

Series 2016 Water and Sewer Refunding Revenue Note (Subordinated)	\$50,360,000	1.80%	July 1, 2029	Refund all outstanding State Revolving Fund Loans.
Series 2018 Water and Sewer Revenue Bond (Bank Term Loan)	\$27,555,000	2.41%	July 1, 2029	Fund the purchase of water and wastewater facilities within the Golden Gate Community.
Series 2019 Water and Sewer Revenue Bonds	\$76,185,000	3.00% - 5.00%	July 1, 2039	Fund utility improvements in the northeast area of the District.
Series 2021 Water and Sewer Revenue Bonds	\$128,900,000	4.00% - 5.00%	July 1, 2046	Fund utility improvements in Golden Gate City, the Governmental Operations Business Park and the northeast area of the District.

New Enterprise Debt

On July 27, 2021, the Board of County Commissioners of Collier County, Florida and ex-officio as the governing Board of the Collier County Water-Sewer District (District) issued the Series 2021 Water and Sewer Revenue Bonds in the par amount of \$128,900,000. These bonds were issued for purposes of financing the acquisition, construction and equipping of various utility capital improvements related to Golden Gate City and surrounding areas, the northeast service area and the utilities' portion of the planned Government Operations Business Park. The Series 2021 bonds were issued on a parity with the District's outstanding Water and Sewer Refunding Revenue Bond, Series 2015, Water and Sewer Refunding Revenue Bonds, Series 2016, Water and Sewer Revenue Bond, Series 2018 and Water and Sewer Revenue Bonds, Series 2019. The final maturity of the Series 2021 bonds is July 1, 2046, with interest rates from 4.00% to 5.00%.

Collier County Enterprise Debt Ratings Table:

Current Ratings (as of 3/14/2022)	Fitch	Moody's	Standard & Poor's*
Water and Sewer Revenue Bonds	AAA	Aaa	-

* Standard & Poor's does not currently rate County Water and Sewer Revenue Bonds.

A rating of AAA by Fitch Ratings denotes the lowest expectation of default risk. A rating of AAA is only assigned in cases of exceptionally strong capacity for payment of financial commitments. This capacity is highly unlikely to be adversely affected by foreseeable events.

A Moody's Investors Service rating of Aaa is indicative of an investment grade instrument of the highest quality, with minimum credit risk.

INDEPENDENT AUDITORS' REPORT

Honorable Crystal K. Kinzel
Clerk of the Circuit Court and Comptroller
Collier County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of each major fund and the aggregate remaining fund information of the Collier County, Florida Clerk of the Circuit Court and Comptroller (Clerk), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Clerk's basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Clerk as of September 30, 2021, and the respective changes in financial position and budgetary comparisons for the General Fund, Court Services Fund and Other Special Revenue Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund and the aggregate remaining fund information only for that portion of the major funds and the aggregate remaining fund information of Collier County, Florida that is attributable to the Clerk. They do not purport to, and do not, present fairly the financial position of Collier County as of September 30, 2021, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

During fiscal year ended September 30, 2021, the Clerk adopted GASB Statement No. 84, *Fiduciary Activities*. As a result of the implementation of this standard, the Clerk reported a restatement of beginning fiduciary net position for the change in accounting principal (see Note 12). Our auditors' opinion was not modified with respect to this restatement.

Other Matters

Required Supplementary Information

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Clerk's basic financial statements. The combining statements, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

Honorable Crystal K. Kinzel
Clerk of the Circuit Court and Comptroller

The combining statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 31, 2022, on our consideration of the Clerk's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Clerk's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Clerk's internal control over financial reporting and compliance.

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies

Reporting Entity

The Collier County, Florida Clerk of the Circuit Court and Comptroller (Clerk) is an elected constitutional officer as provided for by the Constitution of the State of Florida. The Clerk's Budget is presented pursuant to Chapter 218, *Florida Statutes*. Additionally, a budget is submitted to the Florida Clerks of Court Operations Corporation for the Court Services Fund.

The financial statements presented include the general fund, special revenue funds, and custodial funds of the Clerk's office. The accompanying financial statements were prepared for the purpose of complying with Section 218.39(2), *Florida Statutes*, and Chapter 10.550, *Rules of the Auditor General - Local Governmental Entity Audits*, which allows the Clerk to only present fund financial statements. These financial statements present only the portion of the funds of Collier County, Florida that are attributable to the Clerk. They are not intended to present fairly the financial position and results of operations of Collier County, Florida in conformity with accounting principles generally accepted in the United States of America.

The financial activities of the Clerk, as a constitutional officer, are included in the Collier County, Florida Comprehensive Annual Financial Report. There are no separate legal entities (component units) for which the Clerk is considered to be financially accountable.

The general operations of the Clerk are funded by fees from third parties, transfer in lieu of fees from the Collier County, Florida Board of County Commissioners (Board), appropriations from the State of Florida, and interest income. Pursuant to Chapter 218 *Florida Statutes*, funds remaining in the general fund at fiscal year-end, in excess of amounts expended, are returned to the Board. Excess revenues returned to the Board are reflected as transfers out in the Clerk's general fund. Court-related operations are funded by the collection of fines, fees, costs and service charges and a child support grant. Any surplus of revenues after expenditures in this fund is remitted to the State in January of the next year. Special revenue funds are retained by the Clerk and budgeted according to requirements of each source.

Measurement Focus, Basis of Accounting, and Basis of Presentation

These fund financial statements report detailed information about the Clerk. The focus of governmental fund financial statements is on major funds rather than reporting funds by type. Each major fund is reported in a separate column.

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Governmental Funds

Governmental funds are accounted for using the flow of current financial resources measurement focus. Only current assets and current liabilities, generally, are included on the balance sheet. Operating statements for these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

The Clerk reports the following major governmental funds:

General Fund – The general fund is used to account for all revenue and expenditures applicable to the general operations of the Clerk, which are not accounted for in another fund. All operating revenue not specifically restricted or designated as to use, is recorded in the general fund.

Court Services Fund – The court services fund is a special revenue fund established to account for court-related filing fees, service charges, fines, court costs, appropriations and expenses of the Clerk as mandated by Section 28.35, *Florida Statutes*.

Other Special Revenue Fund – The other special revenue fund is a special revenue fund used to account for revenues mandated by Section 28.24(12)(d), *Florida Statutes*, to be held in trust by the Clerk and used exclusively for equipment and maintenance of equipment, personnel training, and technical assistance in modernizing the public records system of the office; and revenues mandated by Section 28.24(12)(e) and Section 28.37(5), *Florida Statutes*, to be used exclusively for funding court-related technology needs.

The modified accrual basis of accounting is used by governmental funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become measurable and available to finance liabilities of the current fiscal year). For this purpose, the Clerk considers revenues to be available if they are collected within 60 days after year-end. Expenditures are recorded when the related fund liability is incurred, except for certain compensated absences, which are recognized as expenditures to the extent they have matured.

Charges for services, interest income, and other revenues are recognized as they are earned and become measurable and available to pay liabilities of the current period.

With the implementation of Revision 7 to Article V on July 1, 2004, the Clerk's activities are classified as court-related and non-court-related. The Clerk's general fund activity, which is classified as non-court-related, is funded through service charges for recording instruments and documents into the official records, interest income and through transfers in from the Board of County Commissioners.

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Governmental Funds (continued)

Florida Statutes provide that the amount by which revenues and transfers exceed annual expenditures for the general fund be remitted to the Board immediately following the fiscal year for which the funding was provided or following the fiscal year during which other revenues were recognized. The amount of this distribution is recorded as a liability and as an other financing use in the accompanying purpose financial statements.

Capital outlays expended in governmental funds are capitalized in the basic financial statements of Collier County, Florida rather than in the governmental funds of the Clerk.

Additionally, the Clerk reports the following fund type:

Fiduciary Funds – Custodial Funds – Custodial funds are used to account for assets held by the Clerk in a fiduciary capacity or as an agent for individuals, private organizations, and other governments. Custodial funds are accounted for using the accrual basis of accounting.

Cash Equivalents

Cash equivalents are defined as highly liquid investments with original maturities of three months or less. The Clerk does not currently hold investments.

Compensated Absences

All full-time employees of the Clerk are allowed to accumulate an unlimited number of hours of unused sick leave and up to 240 hours of unused vacation leave (with limited exceptions per the employee manual). Upon termination, employees receive 100% of allowable accumulated vacation hours and a percentage of unused sick leave, depending on years of service. Vacation leave and sick leave are included in governmental funds when the payments are made to employees. The Clerk is not legally required to accumulate financial resources for these un-matured obligations. Accordingly, the liability for compensated absences is not reported in the Clerk's funds, but rather is reported in the basic financial statements of Collier County, Florida.

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Prepaid Expenses

The Clerk has elected to follow GASB Codification 1600.127 *Other Expenditure Recognition Alternatives* and expends maintenance costs as they are incurred and does not allocate the cost between periods.

Use of Estimates

The preparation of these financial statements requires management of the Clerk to make a number of estimates and assumptions relating to the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the period. Actual results could differ slightly from those estimates.

Fund Balance Reporting and Governmental Fund-Type Definitions

Fund balances are classified either as non-spendable or as spendable. Spendable fund balances are further classified in a hierarchy based on the extent to which there are external and/or internal constraints in how fund balance amounts may be spent.

Non-spendable fund balances include amounts that cannot be spent because they are not in spendable form or are legally or contractually required to be maintained intact. There were no non-spendable fund balances at the Clerk as of September 30, 2021.

Spendable fund balances are classified based on a hierarchy of the Clerk's ability to control the spending of these fund balances and are reported in the following categories: restricted, committed, assigned and unassigned. The Clerk's fund balances for the special revenue funds fall into the spendable restricted category. Fund balances maintained in the special revenue funds are restricted pursuant to certain Florida Statutes and have been presented as restricted fund balances in the fund financial statements in accordance with GASB Statement No. 54.

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Fund Balance Reporting and Governmental Fund-Type Definitions (continued)

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available, the Clerk considers restricted funds to have been spent first.

When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the Clerk considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned funds, as needed, unless the Clerk has provided otherwise in its commitment or assignment actions.

2. Budgetary Process

Florida Statutes govern the preparation, adoption, and administration of the Clerk's annual budget. The Clerk prepares and approves the budget for the Clerk's non-court functions, including special revenue fund and the budget related to the recording function based on anticipated fees. The budget of the Clerk for services to the Board is submitted to the Board.

Pursuant to Section 28.36, *Florida Statutes*, a balanced court-related budget must be prepared on or before June 1 (for the period starting the next October 1 through September 30) and submitted to the Florida Clerks of Court Operations Corporation (Corporation).

If the Clerk estimates that projected revenues are insufficient to meet anticipated expenditures, the Clerk must report the revenue deficit to the Corporation. Once the Corporation verifies the revenue deficit, the Clerk can increase fees up to the maximum amounts specified by law to resolve the deficit. If a deficit is still projected, a request can be submitted to release funds from the Department of Revenue Clerks of the Court Trust Fund. For the year ending September 30, 2021, the Clerk had sufficient revenues to meet expenditures.

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

2. Budgetary Process (continued)

The budget is prepared on a basis consistent with accounting principles generally accepted in the United States of America, except for the classification and presentation of the distribution of excess court revenue to the State for the court services fund, which is treated as other financing use (transfer out) for budgetary purposes and as an expenditure in the statement of revenues, expenditures, and changes in fund balance in the court services fund. The annual budget serves as the legal authorization for expenditures. Any subsequent amendments to the Board approved transfer must be approved by the Board; amendments to the Clerk’s fee budget are at the discretion of the Clerk, and any amendments that increase or decrease the court budget must be approved by the Corporation for the court services fund. Budgetary changes within the court services fund not affecting the overall budget are made at the discretion of the Clerk.

Expenditures may not legally exceed appropriations at the fund level. Appropriations lapse at year-end. Budgetary control is maintained at the departmental major object expenditure level. Budgetary changes within major object expenditure categories are made at the discretion of the Clerk.

The original budget is the first complete appropriated budget. The final budget is the original budget adjusted by all reserves, transfers, allocations, supplemental appropriations, and other legally authorized changes applicable to the fiscal year.

3. Cash and Cash Equivalents

At September 30, 2021, the carrying value of the Clerk’s cash and cash equivalents was as follows:

Type	Maturity	Carrying Value	Credit Rating
Cash on hand	N/A	\$ 9,100	N/A
Demand deposits	N/A	<u>44,681,988</u>	N/A
Total cash and cash equivalents		<u>\$ 44,691,088</u>	

The Clerk maintains a cash pool for the deposits of all governmental and custodial funds. Each fund type’s portion of these balances is presented as cash and cash equivalents in the accompanying financial statements. Interest income is allocated to each fund based on its proportionate balance in the pool.

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

3. Cash and Cash Equivalents (continued)

Cash and cash equivalents as of September 30, 2021 are reported as \$11,262,211 and \$33,428,877 in the governmental funds and fiduciary funds, respectively.

Custodial Credit Risk

At September 30, 2021, the Clerk's deposits were entirely covered by Federal Depository Insurance or by collateral pledged with the State Treasurer pursuant to Chapter 280, *Florida Statutes*. Under this Chapter, in the event of default by a participating financial institution (a qualified public depository), all participating institutions are obligated to reimburse the governmental entity for the loss.

Credit Risk

The Clerk's policy is to follow the guidance in Section 219.075, *Florida Statutes*, regarding the deposit of funds received and the investment of surplus funds. Sections 219.075 and 218.415, *Florida Statutes*, authorize the Clerk to invest in Florida PRIME or any intergovernmental investment pool authorized pursuant to the Florida Inter-local Cooperation Act; Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency; direct obligations of the United States Treasury, federal agencies and instrumentalities, or interest-bearing time deposits or savings accounts in banks organized under the laws of the United States and doing business and situated in the State of Florida, savings and loan associations which are under state supervision, or in federal savings and loan associations located in the State of Florida and organized under federal law and federal supervision, provided that any such deposits are secured by collateral as may be prescribed by law. Additionally, *Florida Statutes* allow local governments to place public funds with institutions that participate in a collateral pool under the Florida Security for Public Deposits Act. The pool is administered by the State Treasurer, who may make additional assessments to ensure that no public funds will be lost.

Interest Rate Risk

Investment of Clerk's funds is based on maintaining 24-hour liquidity. All Clerks funds are held in local banks or short-term investment instruments.

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

4. Interest Income and Investment of County Funds

Pursuant to *Florida Statutes*, Section 28.33, the Clerk invests all County funds in excess of those required to meet expenses. Interest income is allocated to each fund based on its proportionate balance in the pool. Interest income of \$29,256 is reported in the general fund for the year ended September 30, 2021, as the portion of interest earned on Clerk funds.

5. Capital Assets

Capital assets used by the governmental fund type operations are capitalized in the basic financial statements of Collier County, Florida rather than in the governmental funds of the Clerk. Upon acquisition, such assets are recorded as expenditures in the governmental funds of the Clerk and are capitalized at cost in the basic financial statements of Collier County, Florida. Capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated capital assets are valued at acquisition value on the date received.

The Clerk maintains custodial responsibility for capital assets used by the office. No depreciation expense has been provided on capital assets in these financial statements. However, depreciation expense on these assets is recorded in the basic financial statements of Collier County, Florida.

The following is a summary of changes in capital assets, which are reported in the basic financial statements of Collier County, Florida:

	October 1, 2020	Additions	Deductions	Transfer- out	September 30, 2021
Capital assets depreciated:					
Machinery and equipment	\$ 6,917,443	\$ 534,147	\$ (198,404)	\$ 378,600	\$ 7,631,786
Less accumulated depreciation	(5,872,904)	(486,568)	198,404	(378,600)	(6,539,668)
Total capital assets depreciated	<u>1,044,539</u>	<u>47,579</u>	<u>-</u>	<u>-</u>	<u>1,092,118</u>
 Total capital assets, net	 <u>\$ 1,044,539</u>	 <u>\$ 47,579</u>	 <u>\$ -</u>	 <u>\$ -</u>	 <u>\$ 1,092,118</u>

During the year ended September 30, 2021, capital assets totaling \$378,600 were transferred to another department of Collier County, Florida.

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

6. Long-Term Liabilities

The following is a summary of changes in long-term liabilities which are reported in the basic financial statements of Collier County, Florida:

	October 1, 2020	Additions	Deletions	September 30, 2021
Accrued compensated absences	\$ 2,089,231	\$ 869,386	\$ (1,035,372)	\$ 1,923,245

Of these liabilities, \$884,693 is expected to be paid during the fiscal year ending September 30, 2022. These long-term liabilities are not reported in the financial statements of the Clerk since they have not matured.

The Clerk leases assets for various terms under certain agreements that meet the definition of a lease under GASB Statement No. 87 – *Leases*. Detailed information about the Clerk’s leases can be found in the Collier County comprehensive annual financial report or County-wide financial statements.

Leases entered into by the Clerk are included as other financing sources and capital outlay expenditures in the statement of revenues, expenditures, and changes in fund balance in the year of inception. Payments made in accordance with the lease terms are reported as debt service expenditures in the statement of revenues, expenditures, and changes in fund balance as they are incurred.

During the year ended September 30, 2021, the Clerk entered into leases in the amount of \$2,896. During the year ended September 30, 2021, the Clerk’s payments of principal on leases totaled \$35,816.

7. Pension Plans

Background

The Florida Retirement System (FRS) was created by Chapter 121, *Florida Statutes*, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program under the defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan. Chapter 112, *Florida Statutes*, established the Retiree Health Insurance Subsidy (HIS) Program, a

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

7. Pension Plans (continued)

Background (continued)

cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any State-administered retirement system in paying the costs of health insurance.

Essentially all regular employees of the Clerk are eligible to enroll as members of the State-administered FRS. Provisions relating to the FRS are established by Chapters 121 and 122, *Florida Statutes*; Chapter 112, Part IV, *Florida Statutes*; Chapter 238, *Florida Statutes*; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost-sharing, multiple-employer defined benefit plans and other nonintegrated programs. An annual comprehensive financial report of the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from the Florida Department of Management Services' Web site (www.dms.myflorida.com).

Florida Retirement System Pension Plan

Plan Description

The Florida Retirement System Pension Plan (FRS Plan) is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

- *Regular Class* – Members of the FRS who do not qualify for membership in the other classes.
- *Elected County Officers Class* – Members who hold specified elective offices in local government.
- *Senior Management Service Class (SMSC)* – Members in senior management level positions.
- *Special Risk Class* – Members who are special risk employees, such as law enforcement officers, meet the criteria to qualify for this class.

Employees enrolled in the FRS Plan prior to July 1, 2011, vest at 6 years of creditable service and employees enrolled in the FRS Plan on or after July 1, 2011, vest at 8 years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service, except for members classified as special risk who are eligible for normal retirement benefits at age 55 or at any age after 25 years of service. All members enrolled in the FRS Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

7. Pension Plans (continued)

Plan Description (continued)

age 65 or any time after 33 years of creditable service, except for members classified as special risk who are eligible for normal retirement benefits at age 60 or at any age after 30 years of service. Employees enrolled in the FRS Plan may include up to 4 years of credit for military service toward creditable service. The FRS Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The FRS Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments to eligible participants.

DROP, subject to provisions of Section 121.091, *Florida Statutes*, permits employees eligible for normal retirement under the FRS Plan to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Benefits Provided

Benefits under the FRS Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the 5 highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the 8 highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits.

As provided in Section 121.101, *Florida Statutes*, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3% per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3% determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3%. FRS Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

7. Pension Plans (continued)

Benefits Provided (continued)

Detailed information about the County's proportionate share of FRS's net pension liability, deferred outflows/inflows of resources, and pension expense are reported in the government-wide statements of the County.

Retiree Health Insurance Subsidy Program

Plan Description

The Retiree Health Insurance Subsidy Program (HIS Plan) is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, *Florida Statutes*, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided

For the fiscal year ended June 30, 2021, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month, pursuant to Section 112.363, *Florida Statutes*. To be eligible to receive a HIS Plan benefit, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Detailed information about the County's proportionate share of HIS's net pension liability, deferred outflows/inflows of resources, and pension expense are reported in the government-wide statements of the County.

FRS Investment Plan

The Florida State Board of Administration (SBA) administers the defined contribution plan officially titled the FRS Investment Plan (Investment Plan). The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Comprehensive Annual Financial Report.

As provided in Section 121.4501, *Florida Statutes*, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. Clerk employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

7. Pension Plans (continued)

FRS Investment Plan (continued)

Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected County Officers, etc.), as the FRS defined benefit plan. Contributions are directed to individual member accounts and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering plan, including the FRS Financial Guidance Program are funded through an employer contribution of 0.06 percent of payroll and by forfeited benefits of plan members.

For all membership classes, employees are immediately vested in their own contributions and are vested after 1 year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the FRS Pension Plan is transferred to the Investment Plan, the member must have the years of service required for FRS Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Non-vested employer contributions are placed in a suspense account for up to 5 years. If the employee returns to FRS-covered employment within the 5-year period, the employee will regain control over their account. If the employee does not return within the 5-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended June 30, 2021, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the Clerk.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the FRS Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the FRS Pension Plan or remain in the Investment Plan and rely upon that account balance for retirement income.

Contributions

Participating employer contributions are based upon statewide rates established by the State of Florida. The Clerk's contributions made to the plans during the years ended September 30, 2021, 2020, and 2019 were \$1,323,776, \$1,138,484, and \$1,009,015, respectively, equal to the actuarially determined contribution requirements for each year.

Additional information about pension plans can be found in the Collier County comprehensive annual financial report or County-wide financial statements.

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

8. Related Party Transactions

The Board provided funding for the Clerk in the amount of \$8,565,900. The Supervisor of Elections provided funding in the amount of a \$50,000 fee for financial services performed by the Clerk. At September 30, 2021, the Clerk had a payable due to the Board of \$988,554, comprised as follows:

Distribution of excess fees	\$ 630,361
Amounts due for various court fees	<u>358,193</u>
Total due to Board of County Commissioners	<u><u>\$ 988,554</u></u>

9. Risk Management

Collier County, Florida (County) is exposed to various risks of loss, including, but not limited to, general liability, health and life, property and casualty, auto and physical damage, and workers' compensation. The County is substantially self-insured and accounts for and finances its risk of uninsured losses through an internal service fund. All liabilities associated with these self-insured risks are reported in the basic financial statements of the County. During the year ended September 30, 2021, the Clerk was charged \$2,572,693 by the County for participation in the risk management program.

The County retains the first \$500,000 per claim for workers' compensation and has purchased outside excess coverage for up to the statutory limits for each injury and illness. The County also provides coverage for \$250,000 per occurrence for general liability and \$300,000 per occurrence for auto liability coverage and has purchased outside excess coverage for up to \$5 million per claim. Negligence claims in excess of the statutory limits set in Section 768.28, *Florida Statutes*, which provide for limited sovereign immunity of \$200,000/\$300,000 per occurrence can only be recovered through an act of the State Legislature. Property claims are subject to a 3% wind deductible and a \$50,000 deductible for all other perils. The County retains the first \$100,000 per claim/\$200,000 per occurrence for public official errors and omissions and crime coverage and has purchased outside excess coverage for up to \$5 million per claim. There have been no significant reductions in insurance coverage in the last year. Settled claims have not exceeded the insurance provided by third-party carriers in any of the last three years.

The County is self-insured for health claims covering all of its employees and their eligible dependents. The County retains the first \$450,000 per covered member and has purchased outside excess coverage for all claims exceeding this amount. An actuarial valuation is performed each year to estimate the amounts needed to pay prior and future claims and to establish reserves.

Collier County, Florida
Clerk of the Circuit Court and Comptroller

Notes to Financial Statements

September 30, 2021

10. Other Postemployment Healthcare Benefits (OPEB) Plan

In accordance with Section 112.0801, *Florida Statutes*, the Clerk participates with Collier County in offering retiring employees the opportunity to continue participation in the County’s health insurance plan. The participating retirees pay 100% of the premium cost applicable to an active employee. The liability and expense for other postemployment benefits, calculated in accordance with Governmental Accounting Standards Board Statement No. 75 *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, are reported in the financial statements of the County.

11. Claims and Contingencies

Litigation

The Clerk is routinely involved as defendant, plaintiff and as a “party in interest” in carrying out its statutorily and constitutionally assigned tasks. During the year ended September 30, 2021, the Clerk was involved in approximately 120,907 collection cases. These are court actions designed to collect fees and costs imposed by the courts in criminal cases. The Clerk was involved in 226 bond forfeiture actions. Those cases involve collecting forfeitures of criminal appearance bonds. There are 5 active actions for foreclosure of property in which the Clerk has been a named defendant.

In the opinion of the Clerk and legal counsel, the range of potential recoveries or liabilities from matters involving litigation will not materially affect the financial position of the Clerk. The Clerk’s Office carries insurance to protect against loss.

12. Change in Accounting Principle

During the year ended September 30, 2021, the Clerk implemented GASB Statement No. 84, *Fiduciary Activities*. The goal of the statement is to improve financial reporting by establishing specific criteria for identifying activities that should be reported as fiduciary activities. The implementation of the pronouncement required the restatement of the September 30, 2020 fiduciary net position of the custodial funds.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Honorable Crystal K. Kinzel
Clerk of the Circuit Court and Comptroller
Collier County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the Collier County, Florida Clerk of the Circuit Court and Comptroller (Clerk), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Clerk's basic financial statements, and have issued our report thereon dated January 31, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Clerk's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Clerk's internal control. Accordingly, we do not express an opinion on the effectiveness of the Clerk's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Honorable Crystal K. Kinzel
Clerk of the Circuit Court and Comptroller

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Clerk's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

Honorable Crystal K. Kinzel
Clerk of the Circuit Court and Comptroller
Collier County, Florida

Report on the Financial Statements

We have audited the financial statements of the Collier County, Florida Clerk of the Circuit Court and Comptroller (Clerk), as of and for the fiscal year ended September 30, 2021, and have issued our report thereon dated January 31, 2022.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated January 31, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. See Note 1 in the notes to the financial statements.

Honorable Crystal K. Kinzel
Clerk of the Circuit Court and Comptroller

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Clerk and applicable management, and is not intended to be, and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT

Honorable Crystal K. Kinzel
Clerk of the Circuit Court and Comptroller
Collier County, Florida

We have examined the Collier County, Florida Clerk of the Circuit Court and Comptroller's (Clerk) compliance with Section 218.415, *Florida Statutes*, regarding the investment of public funds; Section 61.181, *Florida Statutes*, regarding clerks of the courts alimony and child support payments; and Sections 28.35 and 28.36, *Florida Statutes*, regarding clerks of the courts performance standards and budgets, during the year ended September 30, 2021. Management of the Clerk is responsible for the Clerk's compliance with the specified requirements. Our responsibility is to express an opinion on the Clerk's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Clerk complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Clerk complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Clerk's compliance with specified requirements.

In our opinion, the Clerk complied, in all material respects, with Section 218.415, *Florida Statutes*, regarding the investment of public funds; Section 61.181, *Florida Statutes*, regarding clerks of the courts alimony and child support payments; and Sections 28.35 and 28.36, *Florida Statutes*, regarding clerks of the courts performance standards and budgets during the year ended September 30, 2021.

This report is intended solely for the information and use of the Clerk and the Auditor General, State of Florida and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable Abe Skinner
Property Appraiser
Collier County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the general fund of the Collier County, Florida Property Appraiser (Property Appraiser), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Property Appraiser's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Honorable Abe Skinner
Property Appraiser

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the general fund of the Property Appraiser as of September 30, 2021, and the changes in financial position and budgetary comparison of its general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

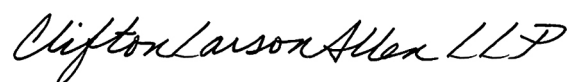

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of the general fund, only for that portion of the major funds of Collier County, Florida that is attributable to the Property Appraiser. They do not purport to, and do not, present fairly the financial position of Collier County, Florida as of September 30, 2021, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to these matters.

Other Matters

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 22, 2021 on our consideration of the Property Appraiser's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Property Appraiser's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Property Appraiser's internal control over financial reporting and compliance.

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies

The following is a summary of significant accounting principles and policies used in the preparation of the financial statements of the Collier County, Florida Property Appraiser (Property Appraiser).

Reporting Entity

The Property Appraiser is an elected official of the County, pursuant to the Constitution of the State of Florida, Article VIII, Section 1(d). The Property Appraiser is part of the primary government of the County. Although the Board and the Florida Department of Revenue approve the Property Appraiser's total operating budget, the Property Appraiser is responsible for the administration and the operation of the Property Appraiser's office. The Property Appraiser's financial statements include only the funds of the Property Appraiser's office.

For financial reporting purposes, the Property Appraiser is deemed to be part of the primary government of the County, and, therefore, is included as such in the County's Annual Comprehensive Financial Report (ACF12). There are no component units included in the Property Appraiser's financial statements.

Measurement Focus, Basis of Accounting, and Basis of Presentation

These financial statements have been prepared for the purpose of complying with Section 218.39(2), *Florida Statutes*, and Chapter 10.550, *Rules of the Auditor General – Local Governmental Entity Audits*, which allows the Property Appraiser to only present fund financial statements. These financial statements present only the portion of the funds of Collier County, Florida that are attributable to the Property Appraiser. They are not intended to present fairly the financial position and results of operations of Collier County, Florida in conformity with accounting principles generally accepted in the United States of America. The financial activities of the Property Appraiser, as a constitutional officer, are included in the County's Annual Comprehensive Financial Report (ACF12).

These fund financial statements report detailed information about the Property Appraiser. The focus of governmental fund financial statements is on major funds rather than reporting funds by type. Each major fund is reported in a separate column.

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Governmental Funds

Governmental funds are accounted for using the flow of current financial resources measurement focus. Only current assets and current liabilities, generally, are included on the balance sheet. Operating statements for these funds' present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets. The Property Appraiser's only governmental fund is the general fund. The general fund is used to account for the general operations of the Property Appraiser.

The modified accrual basis of accounting is used by governmental funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become measurable and available to finance liabilities of the current fiscal year). For this purpose, the Property Appraiser considers revenues to be available if they are collected within 60 days after year-end. Expenditures are recorded when the related fund liability is incurred, except for certain compensated absences, which are recognized as expenditures to the extent they have matured.

Interest revenue and miscellaneous revenue are recognized as they are earned and become measurable and available to pay liabilities of the current period.

Substantially all of the Property Appraiser's revenue is received from taxing authorities. These monies are virtually unrestricted and are revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenue at the time of receipt, earlier if the "susceptible to accrual" criteria are met.

Florida Statutes provide that the amount by which revenues exceed annual expenditures be remitted to each governmental agency or the Board immediately following the fiscal year for which the funding was provided or following the fiscal year during which other revenue was recognized.

Capital outlays expended in the general fund operations are capitalized in the basic financial statements of Collier County, Florida rather than in the governmental fund of the Property Appraiser.

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Refund of “Excess Fees”

Florida Statutes further provide that the excess of revenues over expenditures held by the Property Appraiser be distributed to each governmental agency or the Board in the same proportion as the fees paid by each governmental agency bear to total fee revenues. The amount of this distribution is recorded as a liability and as another financing use-transfer out in the accompanying financial statements.

Cash and Cash Equivalents

Cash and cash equivalents are highly liquid investments with original maturities of three months or less.

Compensated Absences

All full-time employees of the Property Appraiser are allowed to accumulate an unlimited number of hours of unused sick leave and up to 200 hours of unused vacation leave. Upon termination, employees receive 100% of allowable accumulated vacation hours and a percentage of unused sick leave, depending on years of service, not to exceed 1,040 hours. Vacation and sick leave payments are included in operating costs of the general fund when the payments are made to the employees. The Property Appraiser does not, nor is legally required to, accumulate financial resources for these unmatured obligations. Accordingly, the liability for compensated absences is not reported in the general fund of the Property Appraiser, but rather is reported in the basic financial statements of Collier County, Florida.

Prepaid Expenses

The Property Appraiser has elected to follow GASB Codification 1600.127 *Other Expenditure Recognition Alternatives* and expends maintenance costs as they are incurred and does not allocate the cost between periods.

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of the financial statements requires management of the Property Appraiser to make a number of estimates and assumptions relating to the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the period. Actual results could differ from those estimates.

2. Budgetary Process

Florida Statutes govern the preparation, adoption, and administration of the Property Appraiser's annual budget. The Property Appraiser prepares a budget for the general fund and submits it to the Florida Department of Revenue for approval. A copy of the approved budget is provided to the Board. Any subsequent amendments to the Property Appraiser's total budget must be approved by the Florida Department of Revenue. The annual budget serves as the legal authorization for expenditures. Expenditures may not legally exceed appropriations at the fund level. Appropriations lapse at year-end. Budget control is maintained at the departmental major object expenditure level. Budgetary changes within major object expenditure categories are made at the discretion of the Property Appraiser.

The original budget is the first complete appropriated budget. The final budget is the original budget adjusted by all reserves, transfers, allocations, supplemental appropriations, and other legally authorized changes applicable to the fiscal year, whenever legally authorized.

The Property Appraiser's budget is prepared under a budgetary basis of accounting that differs from generally accepted accounting principles (GAAP). Certain revenues received from non-ad valorem commissions, expenditures of such revenue, and other financing uses related to non-ad valorem revenue are not recognized under the budgetary basis of accounting; however, these items have been recognized under GAAP.

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

2. Budgetary Process (continued)

A reconciliation of revenues, expenditures, and other financing uses on a budgetary basis to a GAAP is as follows:

Total revenues - budgetary basis	\$ 8,781,469
Revenues not budgeted:	
Non-ad valorem commissions are not budgeted	1,238,856
Non-ad valorem interest is not budgeted	-
Total revenues - GAAP basis	<u>\$10,020,325</u>
Total expenditures - budgetary basis	\$ 8,254,948
Expenditures not budgeted:	
Non-ad valorem related expenditures are not budgeted	<u>1,140</u>
Total expenditures - GAAP basis	<u>\$ 8,256,088</u>
Total other financing uses - budgetary basis	\$ (526,521)
Other financing uses not budgeted:	
Distribution of non-ad valorem excess fees are not budgeted	<u>(1,237,716)</u>
Total other financing uses - GAAP basis	<u>\$ (1,764,237)</u>

3. Cash

At September 30, 2021, the carrying value of the Property Appraiser's cash was as follows:

Type	Carrying Value
Cash on hand	\$ 125
Demand deposits	<u>1,875,300</u>
Total cash	<u>\$ 1,875,425</u>

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

3. Cash (continued)

Custodial Credit Risk

At September 30, 2021, the Property Appraiser's deposits were entirely covered by Federal Depository Insurance or by collateral pledged with the State Treasurer pursuant to Chapter 280, *Florida Statutes*. Under this Chapter, in the event of default by a participating financial institution (a qualified public depository), all participating institutions are obligated to reimburse the governmental entity for the loss.

Credit Risk

The Property Appraiser's policy is to follow the guidance in Section 219.075, *Florida Statutes*, regarding the deposit of funds received and the investment of surplus funds. Sections 219.075 and 218.415, *Florida Statutes*, authorize the Property Appraiser to invest in Florida PRIME (formerly the Local Government Surplus Funds Trust Fund) or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act; Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency; direct obligations of the United States Treasury; federal agencies and instrumentalities or interest-bearing time deposits or savings accounts in banks organized under the laws of the United States and doing business and situated in the State of Florida, savings and loan associations which are under state supervision; or in federal savings and loan associations located in the State of Florida and organized under federal law and federal supervision, provided that any such deposits are secured by collateral as may be prescribed by law.

Interest Rate Risk

The Property Appraiser has no specific investment policy regarding interest rate risk.

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

4. Capital Assets

Capital assets used by the Property Appraiser are capitalized in the basic financial statements of Collier County, Florida rather than in the governmental funds of the Property Appraiser. Upon acquisition, such assets are recorded as expenditures in the general fund of the Property Appraiser and are capitalized at cost in the basic financial statements of Collier County, Florida. Capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated capital assets are valued at acquisition value on the date received. The Property Appraiser maintains custodial responsibility for the capital assets used by the office. No depreciation expense has been provided on capital assets in these financial statements. However, depreciation expense on these assets is recorded in the basic financial statements of Collier County, Florida.

The following is a summary of changes in capital assets for the year ended September 30, 2021:

	October 1, 2020	Additions	Deductions	September 30, 2021
Improvements other than buildings	\$ 15,332	\$ -	\$ -	\$ 15,332
Machinery and equipment	1,586,914	20,000	(114,471)	1,492,443
Total capital assets	<u>1,602,246</u>	<u>20,000</u>	<u>(114,471)</u>	<u>1,507,775</u>
Less: accumulated depreciation	<u>(1,443,020)</u>	<u>(78,514)</u>	<u>114,471</u>	<u>(1,407,063)</u>
Total capital assets, net	<u>\$ 159,226</u>	<u>\$ (58,514)</u>	<u>\$ -</u>	<u>\$ 100,712</u>

5. Long-Term Liabilities

The following is a summary of changes in long-term liabilities, which are reported in the basic financial statements of Collier County, Florida:

	October 1, 2020	Increase	Decrease	September 30, 2021
Accrued compensated absences	\$ 577,683	\$ 389,359	\$ (434,780)	\$ 532,262

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

5. Long-Term Liabilities (continued)

Of these liabilities, approximately \$150,000 is expected to be paid during the fiscal year ending September 30, 2021, which will be included in the operating costs of the general fund when expended. These long-term liabilities are not reported in the financial statements of the Property Appraiser since they have not matured.

6. Pension Plans

Background

The Florida Retirement System (FRS) was created by Chapter 121, *Florida Statutes*, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program under the defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan. Chapter 112, *Florida Statutes*, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any State-administered retirement system in paying the costs of health insurance.

Essentially all regular employees of the Property Appraiser are eligible to enroll as members of the State-administered FRS. Provisions relating to the FRS are established by Chapters 121 and 122, *Florida Statutes*; Chapter 112, Part IV, *Florida Statutes*; Chapter 238, *Florida Statutes*; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost-sharing, multiple-employer defined benefit plans and other nonintegrated programs. A annual comprehensive financial report of the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from the Florida Department of Management Services' Web site (www.dms.myflorida.com).

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

6. Pension Plans (continued)

Florida Retirement System Pension Plan

Plan Description

The Florida Retirement System Pension Plan (FRS Plan) is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

- *Regular Class* – Members of the FRS who do not qualify for membership in the other classes.
- *Elected County Officers Class* – Members who hold specified elective offices in local government.
- *Senior Management Service Class (SMSC)* – Members in senior management level positions.
- *Special Risk Class* – Members who are special risk employees, such as law enforcement officers, meet the criteria to qualify for this class.

Employees enrolled in the FRS Plan prior to July 1, 2011, vest at 6 years of creditable service and employees enrolled in the FRS Plan on or after July 1, 2011, vest at 8 years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62, or at any age after 30 years of service, except for members classified as special risk who are eligible for normal retirement benefits at age 55 or at any age after 25 years of service. All members enrolled in the FRS Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service, except for members classified as special risk who are eligible for normal retirement benefits at age 60 or at any age after 30 years of service. Employees enrolled in the FRS Plan may include up to 4 years of credit for military service toward creditable service. The FRS Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The FRS Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments to eligible participants.

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

6. Pension Plans (continued)

DROP, subject to provisions of Section 121.091, *Florida Statutes*, permits employees eligible for normal retirement under the FRS Plan to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Benefits Provided

Benefits under the FRS Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the 5 highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the 8 highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits.

As provided in Section 121.101, *Florida Statutes*, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3 percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3 percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3 percent. FRS Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

Detailed information about the County's proportionate share of FRS's net pension liability, deferred outflows/inflows of resources, and pension expense are reported in the government-wide statements of the County.

Collier County, Florida

6. Pension Plans (continued)

Retiree Health Insurance Subsidy Program

Plan Description

The Retiree Health Insurance Subsidy Program (HIS Plan) is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, *Florida Statutes*, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided

For the fiscal year ended June 30, 2021, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month, pursuant to Section 112.363, *Florida Statutes*. To be eligible to receive a HIS Plan benefit, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Detailed information about the County's proportionate share of HIS's net pension liability, deferred outflows/inflows of resources, and pension expense are reported in the government-wide statements of the County.

FRS Investment Plan

The Florida State Board of Administration (SBA) administers the defined contribution plan officially titled the FRS Investment Plan (Investment Plan). The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Annual Comprehensive Financial Report.

As provided in Section 121.4501, *Florida Statutes*, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. Property Appraiser employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds.

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

6. Pension Plans (continued)

Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected County Officers, etc.), as the FRS defined benefit plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06 percent of payroll and by forfeited benefits of plan members.

For all membership classes, employees are immediately vested in their own contributions and are vested after 1 year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the FRS Pension Plan is transferred to the Investment Plan, the member must have the years of service required for FRS Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Non-vested employer contributions are placed in a suspense account for up to 5 years. If the employee returns to FRS-covered employment within the 5-year period, the employee will regain control over their account. If the employee does not return within the 5-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended June 30, 2021, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the Property Appraiser.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the FRS Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the FRS Pension Plan, or remain in the Investment Plan and rely upon that account balance for retirement income.

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

6. Pension Plans (continued)

Contributions

The contribution requirements of the Property Appraiser are established and may be amended by the State of Florida. The Property Appraiser's employer contributions to the plan for the years ended September 30, 2021, 2020, and 2019, were \$650,648, \$573,446, and \$512,315, respectively, equal to the required contributions for each year.

Additional information about pension plans can be found in the County's annual comprehensive financial report or County-wide financial statements.

7. Other Postemployment Benefits

In accordance with Section 112.0801, *Florida Statutes*, the Property Appraiser participates with Collier County in offering retiring employees the opportunity to continue participation in the County's health insurance plan. The participating retirees pay 100% of the premium cost applicable to an active employee. The liability and expense for other postemployment benefits, calculated in accordance with Governmental Accounting Standards Board Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, are reported in the financial statements of the County.

8. Transactions with the Board of County Commissioners

During the fiscal year ended September 30, 2021, the Board paid fees to the Property Appraiser that amounted to \$7,822,139. At September 30, 2021, the Property Appraiser had a payable due to the Board as follows:

Distribution of excess commissions and fees	<u>\$ 489,425</u>
---	-------------------

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

9. Risk Management

Collier County, Florida (County) is exposed to various risks of loss including but not limited to, general liability, health and life, property, and casualty, auto and physical damage, and workers' compensation. The County is substantially self-insured and accounts for and finances its risk of uninsured losses through an internal service fund. All liabilities associated with these self-insured risks are reported in the basic financial statements of the County. The Property Appraiser participates in the County's self-insurance program. During the year ended September 30, 2021, the Property Appraiser was charged \$1,247,243 by the County for participation in the risk management program.

The County retains the first \$500,000 per claim for workers' compensation and has purchased outside excess coverage for up to the statutory limits for each injury or illness. The County also provides coverage for up to \$250,000 per occurrence for general liability and \$300,000 per occurrence for auto liability coverage and has purchased outside excess coverage for up to \$5 million per claim. Negligence claims in excess of the statutory limits set in Section 768.20, *Florida Statutes*, which provide for limited sovereign immunity of \$200,000/\$300,000 per occurrence can only be recovered through an act of the State Legislature. Property claims are subject to a 3% wind deductible and a \$50,000 deductible for all other perils. The County retains the first \$100,000 per claim/\$200,000 per occurrence for public official errors and omissions and crime coverage and has purchased outside excess coverage for up to \$5 million per claim. There have been no significant reductions in insurance coverage in the last year. Settled claims have not exceeded the insurance provided by third-party carriers in any of the last three years.

The County is self-insured for health claims covering all its employees and their eligible dependents. The County retains the first \$450,000 per covered member and has purchased outside excess coverage for all claims exceeding this amount. An actuarial valuation is performed each year to estimate the amounts needed to pay prior and future claims and to establish reserves.

10. Commitments and Contingencies

Litigation

The Property Appraiser is involved as a defendant or plaintiff in certain litigation and claims arising from the ordinary course of operations. In the opinion of the Property Appraiser and legal counsel, the range of potential recoveries or liabilities will not materially affect the financial position of the Property Appraiser.

Collier County, Florida
Property Appraiser

Notes to Financial Statements

September 30, 2021

10. Commitments and Contingencies (continued)

Leases

The Property Appraiser leases assets for various terms under certain agreements that meet the definition of a lease under GASB Statement No. 87 – *Leases*. Detailed information about the Property Appraiser’s leases can be found in the Collier County annual comprehensive financial report or County-wide financial statements.

Leases entered by the Property Appraiser are included as other financing sources and capital outlay expenditures in the statement of revenues, expenditures, and changes in fund balance in the year of inception. Payments made in accordance with the lease terms are reported as debt service expenditures in the statement of revenues, expenditures, and changes in fund balance as they are incurred.

During the year ended September 30, 2021, the Property Appraiser entered into one lease in the amount of \$22,475. During the year ended September 30, 2021, the Property Appraiser’s payments of principal on leases totaled \$66,216.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Honorable Abe Skinner
Property Appraiser
Collier County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the general fund of the Collier County, Florida Property Appraiser (Property Appraiser), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Property Appraiser's basic financial statements, and have issued our report thereon dated December 22, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Property Appraiser's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Property Appraiser's internal control. Accordingly, we do not express an opinion on the effectiveness of the Property Appraiser's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

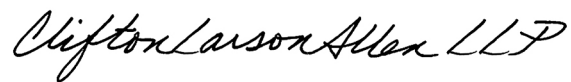

Honorable Abe Skinner
Property Appraiser

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Property Appraiser's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Property Appraiser's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Property Appraiser's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

Honorable Abe Skinner
Property Appraiser
Collier County, Florida

Report on the Financial Statements

We have audited the financial statements of the Collier County, Florida Property Appraiser (Property Appraiser) as of and for the year ended September 30, 2021, and have issued our report thereon dated December 22, 2021.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Florida Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports which are dated December 22, 2021 should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Property Appraiser is a separately elected county official established pursuant to the Constitution of the State of Florida. There are no component units related to the Property Appraiser.

Honorable Abe Skinner
Property Appraiser

Financial Management

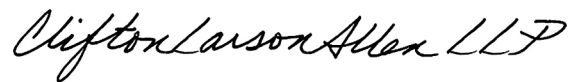

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, and the Property Appraiser and applicable management and is not intended to be, and should not be, used by anyone other than these specified parties.

CliftonLarsonAllen LLP

Naples, Florida

INDEPENDENT ACCOUNTANTS' REPORT

Honorable Abe Skinner
Property Appraiser
Collier County, Florida

We have examined the Collier County Property Appraiser, Collier County, Florida's (Property Appraiser) compliance with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2021. Management of the Property Appraiser is responsible for the Property Appraiser's compliance with the specified requirements. Our responsibility is to express an opinion on the Property Appraiser's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Property Appraiser complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Property Appraiser complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Property Appraiser's compliance with specified requirements.

In our opinion, the Property Appraiser complied, in all material respects, with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2021.

This report is intended solely for the information and use of the Property Appraiser and the Auditor General, State of Florida and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable Kevin Rambosk
Sheriff
Collier County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of each major fund and the aggregate remaining fund information of the Collier County, Florida Sheriff (Sheriff), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Sheriff's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information for the Sheriff as of September 30, 2021, and the respective changes in financial position and, where applicable, cash flows and budgetary comparison thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matters

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund, and the aggregate remaining fund information, only for that portion of the major funds, and the aggregate remaining fund information, of Collier County that is attributable to the Sheriff. They do not purport to, and do not, present fairly the financial position of Collier County as of September 30, 2021, and the changes in its financial position, or, where applicable, its cash flows for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

During fiscal year ended September 30, 2021, the Sheriff adopted GASB Statement No. 84, *Fiduciary Activities*. As a result of the implementation of this standard, the Sheriff reported a restatement of beginning fiduciary net position for the change in accounting principle (see Note 1). Our auditors' opinion was not modified with respect to the restatement.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Schedule of Changes in Total OPEB Liability and Related Ratios, as listed in the table of contents, be presented to supplement the financial statements. Such information, although not a required part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or

Honorable Kevin Rambosk
Sheriff

historical context. Our opinion on the basic financial statements is not affected by this missing information.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Sheriff's financial statements. The combining statements, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements. The combining statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining statements are fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 26, 2022 on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Sheriff's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Sheriff's internal control over financial reporting and compliance.

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies

Reporting Entity

The Collier County, Florida Sheriff (Sheriff) is an elected constitutional officer as provided for by the Constitution of the State of Florida. Pursuant to Chapter 129, *Florida Statutes*, the Sheriff's budget is submitted to the Collier County, Florida Board of County Commissioners (Board) for approval. The Sheriff is the chief law enforcement officer of Collier County, Florida (County) and is responsible for operating the County's corrections facilities.

The financial statements include the general fund, special revenue funds, proprietary fund (internal service fund), and custodial funds of the Sheriff's office. The accompanying financial statements were prepared for the purpose of complying with Section 218.39(2), *Florida Statutes*, and Chapter 10.550, *Rules of the Auditor General - Local Governmental Entity Audits*, which allows the Sheriff to only present fund financial statements. These financial statements present only the portion of the funds of Collier County, Florida that are attributable to the Sheriff. They are not intended to present fairly the financial positions and results of operations of Collier County, Florida in conformity with accounting principles generally accepted in the United States of America. There are no separate legal entities (component units) for which the Sheriff is financially accountable.

Chapter 10.550, *Rules of the Auditor General - Local Governmental Entity Audits*, requires the Sheriff to only present fund financial statements. Accordingly, due to the omission of government-wide financial statements and related disclosures, including management's discussion and analysis, these financial statements do not constitute a complete presentation of the financial position of the Sheriff as of September 30, 2021 and the changes in its financial position and its cash flows, where applicable, for the year then ended, in conformity with Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*, but otherwise constitute financial statements prepared in conformity with accounting principles generally accepted in the United States of America.

As a result of the budgetary oversight by the Board and the financial dependency on the Board, the financial activities of the Sheriff are included in the Collier County, Florida Annual Comprehensive Financial Report.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Measurement Focus, Basis of Accounting, and Basis of Presentation

Transfers are provided by appropriations from the Board pursuant to law. Estimated receipts and budgeted fund balances must equal appropriations. The Sheriff is required to refund to the Board all excess appropriations annually; therefore, no unappropriated general fund balance is carried forward.

The fund financial statements report detailed information about the Sheriff. The focus of governmental fund financial statements is on major funds rather than reporting funds by type. Each major fund is reported in a separate column.

Governmental Funds

Governmental funds are accounted for using the flow of current financial resources measurement focus. Only current assets and current liabilities, generally, are included on the balance sheet. Operating statements for these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

The modified accrual basis of accounting is used by governmental funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become measurable and available to finance liabilities of the current fiscal year). For this purpose, the Sheriff considers revenues to be available if they are collected within 60 days after year-end with the exception of grants, which have a period of availability of one year. Grants are recognized as revenue as soon as all eligibility requirements have been met. Expenditures are recorded when the related fund liability is incurred, except for compensated absences, which are recognized as expenditures to the extent they have matured.

Substantially all of the Sheriff's funding is appropriated by the Board. In applying the susceptible to accrual concept to intergovernmental revenue, there are essentially two types of revenue. In one, money must be expended on the specific purpose or project before any amounts will be paid to the Sheriff; therefore, revenue is recognized based upon the expenditures incurred. In the other, money is virtually unrestricted and is revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenue at the time of receipt, or earlier, if the "susceptible to accrual" criteria are met.

Other revenue is recognized as earned and becomes measurable and available to pay liabilities of the current period.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Governmental Funds (continued)

Florida Statutes provide that the amount by which revenues and transfers exceed annual expenditures be remitted to the Board immediately following the fiscal year for which the funding was provided or following the fiscal year during which other revenue was recognized. The amount of this distribution is recorded as a liability and as another financing use in the accompanying financial statements.

Capital outlays expended in governmental fund operations are capitalized in the basic financial statements of Collier County, Florida rather than in the governmental funds of the Sheriff.

The Sheriff has three major governmental funds:

General Fund – The general fund is used to account for the general operations of the Sheriff and includes all transactions which are not accounted for in another fund.

Grant Special Revenue Fund – This fund is used to account for the proceeds of federal and state grant revenues that are legally restricted to specified purposes. It also includes funds donated to the Collier County Sheriff's Office. Donated funds are used in accordance with how each donor designates the use of funds. The majority of donated funds are usually designated for youth programs, however, funds have also been donated for officer safety, use by specific districts/substations for community activities, or other programs/activities in the community.

Prisoner Welfare Fund – This fund is used to account for the proceeds of inmate-related services and is legally restricted to specified purposes, which benefit the inmate population.

The Sheriff also has the following non-major funds:

Reported as Other Non-major Special Revenue Funds

Confiscated Trust Fund – This fund is used to account for the proceeds of funds collected pursuant to Florida Statute 932.705. Funds are generally used for local match for grants, drug abuse education and prevention programs, and for other law enforcement purposes as the Board deems appropriate.

Civil Citation – This fund is used to account for the proceeds of funds collected pursuant to Florida Statute 775.083. Funds are used for local match for grants and to defray the costs for crime prevention programs in the county.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Governmental Funds (continued)

Education Trust Fund – This fund is used to account for the proceeds of funds collected pursuant to Florida Statute 943.25. Funds are used to defray training costs.

E911 – This fund is used to account for the proceeds of funds collected pursuant to Florida Statute 365.172. Funds are used to pay certain costs associated with the Emergency 911 System.

Criminal Justice Education and Training – This fund is used to account for the proceeds of funds collected pursuant to Florida Statute 943.25. Funds are used to defray training costs.

Domestic Violence Training Fund – This fund is used to account for the proceeds of funds collected pursuant to Florida Statute 938.08. Funds are used to defray of incarcerating persons sentenced under Florida Statute 741.283 and to provide additional training to law enforcement personnel in combating domestic violence.

Federal Equitable Sharing Fund – The revenue from this fund is the result of joint investigations with federal agencies that result in the equitable sharing of the net proceeds of the forfeiture.

Fund balances reported in these funds are to be used for the specified purpose of the respective fund.

Fiduciary Funds

Fiduciary Funds – Private-Purpose Trust Fund – This fund is used to account for assets held by the Sheriff as an agent for individuals participating the Sheriff's flexible-spending plan. This fund is accounted for using the accrual basis of accounting.

Fiduciary Funds – Custodial Funds – These funds are used to account for assets held by the Sheriff as an agent for individuals, private organizations, and other governments. Custodial funds are custodial in nature. Custodial funds are accounted for using the accrual basis of accounting.

For Fiscal Year Ending September 30, 2021, the Collier County Sheriff's Office adopted GASB 84 Fiduciary Activities reporting standards. During this implementation, the financial statements were restated which created a beginning fiduciary net position as of October 1, 2020 in the amounts of \$272,912 in the Private-Purpose Trust Fund and \$273,835 in the Custodial Funds.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

Proprietary Fund

Internal Service Fund – This fund is used to account for the health and dental insurance services provided to departments and retirees of the Sheriff on a cost-reimbursement basis. Proprietary funds are accounted for using the economic resources measurement focus and the accrual basis

1. Summary of Significant Accounting Policies (continued)

of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Cash Equivalents and Investments

Cash equivalents are defined as highly liquid investments with original maturities of three months or less.

The Sheriff invests funds throughout the year with Florida PRIME, an investment pool administered by the State Board of Administration (SBA), under the regulatory oversight of the State of Florida. Investments in Florida PRIME are made pursuant to Chapter 125.31, *Florida Statutes*. Florida PRIME is considered a qualifying external investment pool that meets all the necessary criteria to elect to measure all of the investments at amortized cost. Therefore, the fair value of the Sheriff's position in the pool is the same as the value of the pool shares. The investments are not categorized because they are not evidenced by securities that exist in physical or book entry form. Throughout the year, and as of September 30, 2021, Florida PRIME contained certain floating and adjustable rate securities. These investments represented 4.4% of Florida PRIME's portfolio at September 30, 2021.

In accordance with GASB Statement No. 79, as a participant in a qualifying external investment pool, the Sheriff should disclose the presence of any limitations or restrictions on withdrawals such as redemption notice periods, maximum transaction amounts, and the qualifying external investment pool's authority to impose liquidity fees or redemption gates in the notes to the financial statements.

With regards to redemption gates, Chapter 218.409(8)(a), *Florida Statutes*, states that "The principal, and any part thereof, of each account constituting the trust fund is subject to payment at any time from the moneys in the trust fund. However, the Executive Director may, in good faith, on the occurrence of an event that has a material impact on liquidity or operations of the trust fund, for 48 hours limit contributions to or withdrawals from the trust fund to ensure that the Board can invest moneys entrusted to it in exercising its fiduciary responsibility. Such action must be immediately disclosed to all participants, the Trustees, the Joint Legislative Auditing

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

Committee, the Investment Advisory Council, and the Participant Local Government Advisory council. The Trustees shall convene an emergency meeting before the expiration of the 48-hour moratorium on contributions and withdrawals, the moratorium may be extended by the Executive Director until the Trustees are able to meet to review the necessity for the moratorium. If the Trustees agree with such measures, the Trustees shall vote to continue any such measures

1. Summary of Significant Accounting Policies (continued)

before the expiration of the time limit set, but in no case may the time limit set by the Trustees exceed 15 days.”

With regard to liquidity fees, Florida Statute 218.409(4) provides authority for the SBA to impose penalties for early withdrawal, subject to disclosure in the enrollment materials of the amount and purpose of such fees. At present, no such disclosure has been made.

At September 30, 2021, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant’s daily access to 100 percent of their account value.

Compensated Absences

All full-time employees of the Sheriff are allowed to accumulate an unlimited number of hours of unused sick time and up to 500 hours of unused vacation leave. Upon termination, employees receive 100% of allowable accumulated vacation hours. If the member leaves in good standing they will also receive a percentage of unused sick leave, depending on years of service, not to exceed 2,000 hours. Vacation time and sick leave are included in operating costs when the payments are made to the employees. The Sheriff does not, nor is the Sheriff legally required to, accumulate expendable financial resources for these unmatured obligations. Accordingly, the liability for compensated absences is not reported in the governmental funds, but rather is reported in the basic financial statements for the County.

Use of Estimates

The preparation of the financial statements requires management of the Sheriff to make a number of estimates and assumptions relating to the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the period. Significant items subject to such estimates and assumptions include the self-insurance claims payable. Actual results could differ from those estimates.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

Fund Balance Reporting and Governmental Fund-Type Definitions

Fund balances are classified either as non-spendable or as spendable. Spendable fund balances are further classified in a hierarchy based on the extent to which there are external and/or internal constraints in how fund balance amounts may be spent.

1. Summary of Significant Accounting Policies (continued)

Non-spendable fund balances include amounts that cannot be spent because they are not in spendable form or are legally or contractually required to be maintained intact. The Sheriff did not have any non-spendable fund balances as of September 30, 2021.

Spendable fund balances are classified based on a hierarchy of the Sheriff's ability to control the spending of these fund balances and are reported in the following categories: restricted, committed, assigned, and unassigned. The Sheriff's fund balances for the Grant Special Revenue Fund, and Prisoner Welfare Fund fall into this category.

Fund balances maintained in the Grant Special Revenue Fund and Prisoner Welfare Fund are constrained for specific purposes that are externally imposed by donors, grantors, laws, or regulations or imposed by law through constitutional provisions or enabling legislation, and are reported as restricted fund balances.

2. Budgetary Process

Florida Statutes govern the preparation, adoption, and administration of the Sheriff's annual budget. The Sheriff prepares a budget for the general fund and submits it to the Board for approval. The budget is prepared on a basis consistent with accounting principles generally accepted in the United States of America, except that the proceeds from leases and the related capital outlay are not budgeted and certain expenditures for long-term projects which are reimbursed by the Board are also not budgeted. Any subsequent amendments to the budget must be approved by the Board. The annual budget serves as the legal authorization for expenditures.

Expenditures may not legally exceed appropriations at the fund level. Appropriations lapse at year-end. Budgetary control is maintained at the departmental major object expenditure level. Budgetary changes within the major object expenditure categories are made at the discretion of the Sheriff.

The Sheriff does not budget for the grant special revenue fund as it is funded by federal and state grants and is governed by those documents. Additionally, the prisoner welfare fund does not have a legally adopted budget.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

The original budget is the first complete appropriated budget. The final budget is the original budget adjusted by all reserves, transfers, allocations, supplemental appropriations, and other legally authorized changes applicable to the fiscal year, whenever legally authorized.

September 30, 2021

3. Cash, Cash Equivalents and Investments (continued)

The total cash, cash equivalent and investments balances at September 30, 2021, were as follows:

General fund	\$ 12,661,812
Grant special revenue fund	1,583,722
Prisoner welfare fund	2,894,784
Internal service fund	14,382,313
Custodial funds	595,658
	<u>\$ 32,118,289</u>

Custodial Credit Risk

At September 30, 2021, the Sheriff's demand deposits were entirely covered by Federal Depository Insurance or by collateral pledged with the State Treasurer pursuant to Chapter 280, *Florida Statutes*. Under this Chapter, in the event of default by a participating financial institution (a qualified public depository), all participating institutions are obligated to reimburse the government entity for the loss.

The investments in the Internal Service Fund are part of the Florida Sheriffs Employer Benefits Trust (FSEBT) and are administered by FSEBT. FSEBT's policy requires execution of a third-party custodial safekeeping agreement for purchased securities and collateral, and requires that securities be held in the Sheriff's name.

Credit Risk

The Sheriff's policy is to follow the guidance in Sections 218.415 and 219.075, *Florida Statutes*, regarding the deposit of funds received and the investment of surplus funds. The Sheriff's Investment Policy authorizes investments in Florida PRIME (formerly the Local Government Surplus Funds Trust Fund), or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act, as provided in s. 163.01, F.S.; Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency; interest-bearing time deposits or savings accounts in qualified public depositories, as defined in s. 280.02, F.S.; and direct obligations of the U.S. Treasury.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

3. Cash, Cash Equivalents and Investments (continued)

Credit Risk (continued)

Additionally, *Florida Statutes* allow local governments to place public funds with institutions that participate in a collateral pool under the Florida Security for Public Deposits Act. The pool is administered by the State Treasurer, who may make additional assessments to ensure that no public funds will be lost.

Florida PRIME is administered by the State Board of Administration. Florida PRIME consisted of money market appropriate assets. At September 30, 2021, the Sheriff had \$799,089 invested in Florida PRIME. Florida PRIME is rated “Aaa” by Moody’s Ratings Services.

Interest Rate Risk

The Sheriff has no specific investment policy regarding interest rate risk.

Concentration of Credit Risk

The Sheriff’s investments are included in the internal service fund which is used to account for the Sheriff’s self-insured health plan. FSEBT administers the investments for the Sheriff’s self-insured health plan and has an investment policy that allows for the investment of funds that exceed one month’s required funding by more than \$100,000. Investments can be made in government securities. The Sheriff’s portfolio managed by FSEBT includes investments in U.S. government instrumentalities, and demand deposits. There are also demand deposits that are not managed by FSEBT and are available dollars managed by the Sheriff to cover daily operations.

The portion of the Sheriff’s portfolio invested in FSEBT is detailed as follows, at September 30, 2021:

	<u>% of Portfolio</u>
Money Market	1%
Treasury Note	27%
Certificate of Deposit	4%
Federal Home Loan Mortgage Corp.	8%
Federal Home Loan Mortgage Assn.	4%
Federal Home Loan Bank	25%
Federal Farm Credit Bank	31%
Total	<u>100%</u>

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

3. Cash, Cash Equivalents and Investments (continued)

Fair Value Measurements

The Sheriff categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

The Sheriff has the following recurring fair value measurements as of September 30, 2021:

- U.S. Treasury Notes classified as level 1 of the fair value hierarchy are valued using prices quoted in active markets for those securities.
- U.S. Agency obligations classified as level 2 of the fair value hierarchy are valued using quoted prices for similar assets in active markets.

4. Capital Assets

Capital assets used by the Sheriff are capitalized in the basic financial statements of Collier County, Florida rather than in the governmental funds of the Sheriff. Upon acquisition, such assets are recorded as expenditures in the governmental funds of the Sheriff and are capitalized at cost in the basic financial statements of the County. Capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated capital assets are recorded at acquisition value on the date received. The Sheriff maintains custodial responsibility for the capital assets used by his office. No depreciation expense has been provided on capital assets in these financial statements. However, depreciation expense on these assets is recorded in the basic financial statements of Collier County, Florida.

5. Long-Term Liabilities

The following is a summary of changes in long-term liabilities, which are reported in the basic financial statements of Collier County, Florida:

	<u>October 1, 2020</u>	<u>Additions</u>	<u>Deductions/ Reclassifications</u>	<u>September 30, 2021</u>
Compensated Absences	\$21,837,448	\$4,561,192	(\$3,806,720)	\$ 22,591,920

Of these liabilities, approximately \$1,050,000 is expected to be paid during the fiscal year ending September 30, 2022. These long-term liabilities are not reported in the financial statements of the Sheriff since they have not matured.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

5. Long-Term Liabilities continued

The Sheriff leases assets for various terms under certain agreements that meet the definition of a lease under GASB Statement No. 87 – *Leases*. Detailed information about the Sheriff’s leases can be found in the Collier County Annual Comprehensive Financial Report or County-wide financial statements.

Leases entered into by the Sheriff are included as other financing sources and capital outlay expenditures in the Statement of Revenues, Expenditures, and Changes in Fund Balance in the year of inception. Payments made in accordance with the lease terms are reported as debt service expenditures in the Statement of Revenues, Expenditures, and Changes in Fund Balance as they are incurred.

During the year ended September 30, 2021, the Sheriff entered into leases in the amount of \$202,222. During the year ended September 30, 2021, the Sheriff’s principal and interest payments on leases totaled \$174,256.

6. Interfund Balances and Transfers

Due from and due to other funds at September 30, 2021, were as follows:

	<u>Due From</u>	<u>Due To</u>
General Fund	\$ 430,642	\$ 1,200,000
Prisoner Welfare Fund	28,729	92,191
Internal Service Fund	1,200,000	–
Other non-major special revenue funds	–	325,630
Custodial funds	–	41,550
Total	<u>\$ 1,659,371</u>	<u>\$ 1,659,371</u>

Interfund receivables and payables generally represent recurring activities between funds.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

7. Related Party Transactions

The Board provided funding for the Sheriff for the year of \$206,622,700. At September 30, 2021, the Sheriff had a payable due to the Board of \$90,273 comprised of the following:

General fund:

Distributions of excess appropriations	\$ 44,199
Distribution of interest collected	10,851
Miscellaneous payables	35,223
Total	<u>\$ 90,273</u>

Additionally, the Sheriff had a receivable from the Board related to services provided to the County of \$482,067 at September 30, 2021.

8. Pension Plans

Background

The Florida Retirement System (FRS) was created by Chapter 121, *Florida Statutes*, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program under the defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan. Chapter 112, *Florida Statutes*, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any State-administered retirement system in paying the costs of health insurance.

Essentially all regular employees of the Sheriff are eligible to enroll as members of the State-administered FRS. Provisions relating to the FRS are established by Chapters 121 and 122, *Florida Statutes*; Chapter 112, Part IV, *Florida Statutes*; Chapter 238, *Florida Statutes*; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost-sharing, multiple-employer defined benefit plans and other nonintegrated programs. An annual comprehensive financial report of the FRS, which includes its financial statements,

required supplementary information, actuarial report, and other relevant information, is available from the Florida Department of Management Services' Web site (www.dms.myflorida.com).

8. Pension Plans (continued)

Florida Retirement System Pension Plan

Plan Description

The Florida Retirement System Pension Plan (FRS Plan) is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

- *Regular Class* – Members of the FRS who do not qualify for membership in the other classes.
- *Elected County Officers Class* – Members who hold specified elective offices in local government.
- *Senior Management Service Class (SMSC)* – Members in senior management level positions.
- *Special Risk Class* – Members who are special risk employees, such as law enforcement officers, meet the criteria to qualify for this class.
- *Renewed Membership Class* – Members who retired from July 1, 1991 through June 30, 2010, and are reemployed in a regularly established position with a covered employer, upon vesting again, are eligible for an additional retirement benefit based on service as a renewed member. Retirees of the FRS Investment Plan who are employed on or after July 1, 2017 are eligible for renewed membership in the Investment Plan.

Employees enrolled in the FRS Plan prior to July 1, 2011, vest at 6 years of creditable service and employees enrolled in the FRS Plan on or after July 1, 2011, vest at 8 years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service, except for members classified as special risk who are eligible for normal retirement benefits at age 55 or at any age after 25 years of service. All members enrolled in the FRS Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service, except for members classified as special risk who are eligible for normal retirement benefits at age 60 or at any age after 30 years of service. Employees enrolled in the FRS Plan may include up to 4 years of credit for military service toward creditable service. The FRS Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The FRS Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments to eligible participants.

DROP, subject to provisions of Section 121.091, *Florida Statutes*, permits employees eligible for normal retirement under the FRS Plan to defer receipt of monthly benefit payments while

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

8. Pension Plans (continued)

Plan Description (continued)

continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Benefits Provided

Benefits under the FRS Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the 5 highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the 8 highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits.

As provided in Section 121.101, *Florida Statutes*, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3 percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3 percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3 percent. FRS Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

Detailed information about the County's proportionate share of FRS's net pension liability, deferred outflows/inflows of resources, and pension expense are reported in the government-wide statements of the County.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

8. Pension Plans (continued)

Benefits Provided (continued)

Retiree Health Insurance Subsidy Program

Plan Description

The Retiree Health Insurance Subsidy Program (HIS Plan) is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, *Florida Statutes*, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided

For the fiscal year ended June 30, 2021, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month, pursuant to Section 112.363, *Florida Statutes*. To be eligible to receive a HIS Plan benefit, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Detailed information about the County's proportionate share of HIS's net pension liability, deferred outflows/inflows of resources, and pension expense are reported in the government-wide statements of the County.

FRS Investment Plan

The Florida State Board of Administration (SBA) administers the defined contribution plan officially titled the FRS Investment Plan (Investment Plan). The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Annual Comprehensive Financial Report.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

8. Pension Plans (continued)

Benefits Provided (continued)

As provided in Section 121.4501, *Florida Statutes*, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. Sheriff employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected County Officers, etc.), as the FRS defined benefit plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06 percent of payroll and by forfeited benefits of plan members.

For all membership classes, employees are immediately vested in their own contributions and are vested after 1 year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the FRS Pension Plan is transferred to the Investment Plan, the member must have the years of service required for FRS Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Non-vested employer contributions are placed in a suspense account for up to 5 years. If the employee returns to FRS-covered employment within the 5-year period, the employee will regain control over their account. If the employee does not return within the 5-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended June 30, 2021, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the Sheriff.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the FRS Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the FRS Pension Plan, or remain in the Investment Plan and rely upon that account balance for retirement income.

Collier County, Florida
Sheriff

8. Pension Plans (continued)

Contributions

Participating employer contributions are based upon statewide rates established by the State of Florida. The Sheriff's contributions made to the plans during the years ended September 30, 2021, 2020, and 2019 were \$20,409,973, \$19,677,937, and \$18,763,457, respectively, equal to the actuarially determined contribution requirements for each year.

Additional information about pension plans can be found in the County's annual comprehensive financial report.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

9. Other Postemployment Benefits

The Sheriff follows the provisions of GASB Statement No. 75 *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, for its other postemployment benefits (OPEB). The liability, expense, deferred outflows of resources and deferred inflows of resources for OPEB, calculated in accordance with GASB Statement No. 75, are reported in the financial statements of the County.

Plan Description

The Sheriff administers a single-employer defined benefit plan (OPEB Plan) and can amend the benefit provisions. Prior to 2010, the Sheriff offered an OPEB Plan that subsidized the cost of health care for retirees who have six years of creditable service with the Sheriff and who receive a monthly retirement benefit from the Florida Retirement System. The Sheriff subsidizes approximately 26% for both single coverage and family coverage for qualifying individuals. In 2010, the subsidy was no longer made available to eligible retirees who chose to continue their health insurance coverage. Approximately 22% of retirees receive the subsidy. Additionally, in accordance with Florida Statute 112.0801, Sheriff's employees who retire and immediately begin receiving benefits from the FRS have the option of paying premiums to continue in the Sheriff's health insurance plan at the same group rate as for active employees.

Participant Data

At September 30, 2021, the Sheriff's plan participation consisted of:

Active employees	1,150
Inactive employees or beneficiaries currently receiving benefit payments	141

Funding Policy

The Sheriff has the authority to establish and amend funding policy. The OPEB Plan is currently being funded on a pay-as-you go basis. No trust or custodial fund has been established for the plan.

Collier County, Florida
Sheriff

9. Other Postemployment Benefits (continued)

Total OPEB Liability

The Sheriff's OPEB liability of \$28,169,914 was measured as of September 30, 2021, and was determined by an actuarial valuation as of October 1, 2020. The following table shows the changes in the Sheriff's total OPEB liability for the year ended September 30, 2021.

	Total OPEB Liability
Balance, as of October 1, 2020	\$ 27,920,433
Changes:	
Service cost	777,037
Interest	448,520
Differences between expected and actual experience	451
Changes in assumptions or other inputs	353,427
Benefit payments	(1,329,954)
Net changes	249,481
Balance, as of September 30, 2021	\$ 28,169,914

The following presents the total OPEB liability of the Sheriff, as well as what the Sheriff's total OPEB liability would be if it were calculated using a discount rate one percentage point lower or one percentage point higher than the current discount rate:

	1% Decrease 0.50%	Discount Rate 1.50%	1% Increase 2.50%
Total OPEB Liability	\$ 30,800,891	\$ 28,169,914	\$ 25,840,363

The following presents the total OPEB liability of the Sheriff, as well as what the Sheriff's total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1% point lower (4% decreasing to 3%) or 1% point higher (6% decreasing to 5%) than the current healthcare cost trend rates:

	Healthcare rate sensitivity		
	1% Decrease (4% decreasing to 3%)	Discount Rate (5% decreasing to 4%)	1% Increase (6% decreasing to 5%)
Total OPEB Liability	\$ 25,637,156	\$ 28,169,914	\$ 31,082,145

Collier County, Florida
Sheriff

Notes to Financial Statements

9. Other Postemployment Benefits (continued)

Deferred Outflows and Inflows of Resources Related to OPEB

For the year ended September 30, 2021, the Sheriff's OPEB expense was \$2,574,820. In addition the Sheriff reported deferred outflow of resources and deferred inflow of resources from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 5,735,347	\$ 38,168
Changes in assumptions	2,784,663	522,836
Total	\$ 8,520,010	\$ 561,004

Amounts reported as deferred inflows of resources and deferred outflows of resources as an increase/decrease to OPEB expense will be recognized as follows:

Year beginning October 1	Deferred Outflows of Resources	Deferred Inflows of Resources
2021	\$ 1,536,775	\$ 136,740
2022	1,536,775	136,740
2023	1,536,775	136,740
2024	1,536,775	129,469
2025	1,299,645	21,315
Thereafter	1,073,265	-

Actuarial Methods and Assumptions

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

Collier County, Florida
Sheriff

Notes to Financial Statements

September 30, 2021

9. Other Postemployment Benefits (continued)

Actuarial Methods and Assumptions (continued)

Calculations for financial reporting purposes are based on the benefits provided under terms of the plan as understood by the employer and the plan members in effect at the time of each valuation and on the pattern of sharing of costs between the employer and plan members to that point. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations on the pattern of cost sharing between the employer and plan members in the future. Actuarial calculations reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

The actuarial methods are:

Actuarial cost method	Entry Age Actuarial
-----------------------	---------------------

The actuarial assumptions are:

Discount rate	1.5% (Based on 20 year AA municipal bond rate)
Healthcare cost trend rate	5%
Salary increase	None
New employees	None

Mortality rates were based on the Pri-2012 Mortality Fully Generational tables using Projection Scale MP-2020.

The following changes have been made since the prior year valuation:

- The discount rate was changed from 1.6% to 1.5%
- The healthcare cost trend rate was changed from 6% to 5%
- The mortality assumption has been updated from RP-2014 Mortality Fully Generational using Projection Scale MP-2019 to Pri-2012 Mortality Fully Generational using Projection Scale MP-2020.

Sheriff

Notes to Financial Statements

September 30, 2021

10. Self-Insurance Program

The Sheriff's Office participates in the Statewide Florida Sheriff's Self-Insurance Fund (the Fund) for its professional liability insurance. The Fund is managed by representatives of the participating Sheriff offices and provides professional liability insurance to participating agencies. The Fund provides liability insurance coverage subject to the following limitations: \$5,000,000 for any one incident, and \$10,000,000 for an annual aggregate. The Sheriff also participates in the Fund for workers' compensation coverage. The Florida Sheriffs Workers' Compensation Self Insurance Program is a self-insurance program providing coverage for the first \$1,000,000 of every claim. Reinsurance is purchased by the Program to cover claims exceeding \$1,000,000 (or \$500,000 or \$350,000 where applicable, based upon occurrence year of claim) up to \$18,000,000. Reinsurance coverage up to \$20,000,000 for any one person on a catastrophic basis is available when applicable. Settled claims have not exceeded the insurance provided by third-party carriers in any of the past three years.

Premiums charged to participating Sheriffs are based upon amounts believed by the Fund management to meet the estimated annual payout during the fiscal year and to pay for the estimated operating costs of the program. All liabilities associated with these self-insured risks are reported in the basic financial statements of the Fund.

The Sheriff has also established a self-funded employee health plan for active employees and retirees. An internal service fund is used to account for the activities of the plan. Excess coverage has been purchased which provides specific claim excess coverage for any one incident exceeding \$200,000. In FY21 there was one covered individual who had a higher deductible amount because of a history of high claims. This individual had a deductible of \$1,185,000. Specific claim excess coverage for this individual is for claims exceeding \$1,185,000. The maximum annual individual stop loss payment amount is unlimited. Payments to the internal service fund are based on actuarial estimates of amounts needed to pay prior year and current year claims including claims incurred but not yet reported.

The Sheriff's Office uses a Third-Party Administrator (TPA) to administer and pay claims for the health plan. Meritain Health, Inc. has been the TPA since July 1, 2013.

Changes in the balance of estimated insurance claims payable for the fiscal year ended September 30, 2021 and 2020 are as follows:

Fiscal year ending:	Balance October 1	New Claims and Changes in Estimates	Claim Payments	Balance September 30
2020	\$2,946,000	\$26,017,032	(\$26,062,032)	\$2,901,000
2021	\$2,901,000	\$30,590,007	(\$30,255,007)	\$3,236,000

Notes to Financial Statements

September 30, 2021

11. Commitments and Contingencies

Litigation

The Sheriff is involved in various claims and legal actions arising in the ordinary course of operations. In the opinion of management, the ultimate disposition of these matters will not have a material adverse effect on the Sheriff.

Federal and State Grants

Grant funds received by the Sheriff are subject to audit by grantor agencies. Audits of these grants may result in disallowed costs, which may constitute a liability of the Sheriff. In the opinion of management, disallowed costs, if any, would be immaterial to the financial position of the Sheriff.

Purchase Commitment

On May 17, 2021, the Sheriff signed a Letter of Intent with Florida Bullet, Inc. to purchase several rounds of ammunition for \$284,858.50 obligating the Sheriff to purchase this ammunition. Delivery of this ammunition is scheduled for January – March 2022. Payment is to be made within 30 days of delivery.

On July 19, 2021, the Sheriff signed a Letter of Intent with Life Proof Boats by IMS to purchase a 31WC120-PRO Police Boat for \$348,945.55 obligating the Sheriff to purchase this boat. Delivery of this boat is scheduled for June 2022. Payment is to be made within 30 days of delivery.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Honorable Kevin Rambosk
Sheriff
Collier County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the Collier County, Florida Sheriff (Sheriff), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Sheriff's basic financial statements, and have issued our report thereon dated February 26, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Sheriff's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control. Accordingly, we do not express an opinion on the effectiveness of Sheriff's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

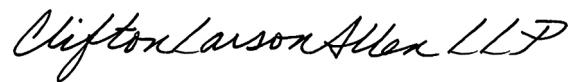

Honorable Kevin Rambosk
Sheriff

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Sheriff's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

Honorable Kevin Rambosk
Sheriff
Collier County, Florida

Report on the Financial Statements

We have audited the financial statements of the Collier County, Florida Sheriff (Sheriff), as of and for the fiscal year ended September 30, 2021, and have issued our report thereon dated February 26, 2022.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; and our Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated February 26, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. See Note 1 in the notes to the financial statements.

Honorable Kevin Rambosk
Sheriff

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, and the Sheriff and applicable management, and is not intended to be, and should not be, used by anyone other than these specified parties.

CliftonLarsonAllen LLP

INDEPENDENT ACCOUNTANTS' REPORT

Honorable Kevin Rambosk
Sheriff
Collier County, Florida

We have examined the Collier County, Florida Sheriff's (Sheriff) compliance with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2021. Management of the Sheriff is responsible for the Sheriff's compliance with the specified requirements. Our responsibility is to express an opinion on the Sheriff's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Sheriff complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Sheriff complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Sheriff's compliance with specified requirements.

In our opinion, the Sheriff complied, in all material respects, with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2021.

This report is intended solely for the information and use of the Sheriff and the Auditor General, State of Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT

Honorable Kevin Rambosk
Sheriff
Collier County, Florida

We have performed the procedures enumerated below on the Collier County, Florida Sheriff's (Sheriff) policies and procedures as defined by the Sheriff over its investigative funds for the year ended September 30, 2021. The Sheriff is responsible for those policies and procedures.

The Sheriff has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of policies and procedures as defined by the Sheriff over its investigative funds. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and the associated findings are as follows:

1. We randomly selected 25 investigative fund disbursements during the fiscal year ended September 30, 2021 (the population sampled included transactions from October 1, 2020 through September 30, 2021), and performed the following procedures with respect to the Sheriff's policies and procedures over investigative funds:
2. We obtained the "Disbursement for Investigation" form and observed the form was properly completed and authorized by appropriate personnel. No exceptions were noted.
3. We obtained the "Purchase of Evidence/Information Voucher" and observed the form was properly completed to reflect the expenses incurred within the investigation procedures, the investigative expenditures were properly supported, and the use of funds was for authorized purposes. No exceptions were noted.
4. We observed the unused funds returned, if applicable, agreed to the corresponding deposit and bank statement detail and observed the amount deposited agreed to the amount returned per the "Receipt for Funds Received" form detail. No exceptions were noted.

We were engaged by the Collier County, Florida Sheriff (Sheriff) to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the AICPA. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Sheriff's policies and procedures over the investigative funds. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of Collier County Sheriff (Sheriff) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of the Sheriff and the management of the Sheriff and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable Jennifer J. Edwards
Supervisor of Elections
Collier County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of each major fund of the Collier County, Florida Supervisor of Elections (Supervisor), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Supervisor's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund of the Supervisor as of September 30, 2021, and the respective changes in financial position and budgetary comparison of its general fund thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund, only for that portion of the major funds of Collier County, Florida that is attributable to the Supervisor. They do not purport to, and do not, present fairly the financial position of Collier County, Florida as of September 30, 2021, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Management has omitted management’s discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated February 15, 2022 on our consideration of the Supervisor’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Supervisor’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Supervisor’s internal control over financial reporting and compliance.

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies

Reporting Entity

The Collier County, Florida Supervisor of Elections (Supervisor) is an elected constitutional officer as provided for by the Constitution of the State of Florida. Pursuant to Chapter 129, *Florida Statutes*, the Supervisor of Elections' budget is submitted to the Collier County, Florida Board of County Commissioners (Board) for approval.

The financial statements presented include the general fund and grant special revenue fund of the Supervisor's office. The accompanying financial statements have been prepared for the purpose of complying with Section 218.39(2), *Florida Statutes*, and Chapter 10.550, *Rules of the Auditor General – Local Governmental Entity Audits*, which allows the Supervisor to only present fund financial statements. These financial statements present only the portion of the funds of Collier County, Florida that are attributable to the Supervisor. They are not intended to present fairly the financial position and results of operations of Collier County, Florida in conformity with accounting principles generally accepted in the United States of America.

The financial activities of the Supervisor, as a constitutional officer, are included in the Collier County, Florida Comprehensive Annual Financial Report. There are no separate legal entities (component units) for which the Supervisor is considered to be financially accountable.

The general operations of the Supervisor are funded by appropriations from the Collier County, Florida Board of County Commissioners (Board), and grant revenue is funded from the State of Florida. Pursuant to Chapter 218, *Florida Statutes*, funds remaining in the general fund at fiscal year-end, in excess of amounts expended, are returned to the Board. Excess revenues returned to the Board are reflected as transfers out in the Supervisor's general fund. The special revenue fund of the Supervisor is not budgeted and is governed by grant agreements.

As a result of the budgetary oversight by the Board and financial dependency on the Board, the financial activities of the Supervisor are included in the Collier County, Florida Comprehensive Annual Financial Report.

Measurement Focus, Basis of Accounting, and Basis of Presentation

These fund financial statements report detailed information about the Supervisor. The focus of governmental fund financial statements is on major funds rather than reporting funds by type. Each major fund is reported in a separate column.

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Governmental Funds

Governmental funds are accounted for using the flow of current financial resources measurement focus. Only current assets and current liabilities, generally, are included on the balance sheet. Operating statements for these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

The Supervisor has the following major governmental funds:

General Fund – The general fund is used to account for the general operations of the Supervisor and includes all revenues and expenditures which are not accounted for in another fund.

Grant Special Revenue Fund – The grants fund is used to account for the activities of voter education and poll worker training grants from the State of Florida.

The modified accrual basis of accounting is used by governmental funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become measurable and available to finance liabilities of the current fiscal year). For this purpose, the Supervisor considers revenues to be available if they are collected within 60 days after year-end. Expenditures are recorded when the related fund liability is incurred, except for compensated absences, which are recognized as expenditures to the extent they have matured.

The appropriations from the Board are the primary source of funds considered to be susceptible to accrual.

Intergovernmental revenues are recognized when eligibility requirements are met and related amounts are available from the grantor.

Interest income and other revenues are recognized as they are earned and become measurable and available to pay liabilities of the current period.

Florida Statutes provide that the amount by which revenues and transfers exceed annual expenditures be remitted to the Board immediately following the fiscal year for which the funding was provided or following the fiscal year during which other revenue was recognized. The amount of this distribution is recorded as a liability and as an other financing use in the accompanying financial statements.

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Governmental Funds (continued)

Capital outlays expended in general fund operations are capitalized in the basic financial statements of Collier County, Florida rather than in the governmental funds of the Supervisor.

Cash Equivalents

Cash equivalents are defined as highly liquid investments with original maturities of three months or less.

Compensated Absences

All full-time employees of the Supervisor are allowed to accumulate an unlimited number of hours of unused sick time and up to 440 hours of unused vacation leave. Effective October 1, 2007, the vacation leave limit was increased to 480 hours, with Supervisor approval. Upon termination, employees receive 100% of allowable accumulated vacation hours and a percentage of unused sick leave, depending on years of service. Vacation time and sick leave are included in operating costs of the general fund when the payments are made to employees. The Supervisor does not, nor is legally required to accumulate financial resources for these unmatured obligations. Accordingly, the liability for compensated absences is not reported in the general fund of the Supervisor, but rather is reported in the basic financial statements of Collier County, Florida.

Use of Estimates

The preparation of the financial statements requires management of the Supervisor to make a number of estimates and assumptions relating to the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the period. Actual results could differ from those estimates.

Fund Balance Reporting and Governmental Fund-Type Definitions

Fund balances are classified either as non-spendable or as spendable. Spendable fund balances are further classified in a hierarchy based on the extent to which there are external and/or internal constraints in how fund balance amounts may be spent.

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Fund Balance Reporting and Governmental Fund-Type Definitions (continued)

Non-spendable fund balances include amounts that cannot be spent because they are not in spendable form or are legally or contractually required to be maintained intact. The Supervisor did not have any non-spendable fund balances as of September 30, 2021.

Spendable fund balances are classified based on a hierarchy of the Supervisor's ability to control the spending of these fund balances and are reported in the following categories: restricted, committed, assigned and unassigned. The Supervisor's fund balances for the Grant Special Revenue Fund fall into the spendable restricted category. Fund balances maintained in the Grant Special Revenue Fund are restricted pursuant to specific grant agreements and have been presented in the fund financial statements in accordance with GASB Statement No. 54.

2. Budgetary Process

Florida Statutes govern the preparation, adoption and administration of the Supervisor's annual budget. The Supervisor submits a budget for the general fund to the Board for approval. The budget is prepared on a basis consistent with accounting principles generally accepted in the United States of America. The annual budget serves as the legal authorization for expenditures. Any subsequent amendments to the Supervisor's total budget must be approved by the Board.

Expenditures may not legally exceed appropriations at the fund level. Appropriations lapse at year-end. Budgetary control is maintained at the departmental major object expenditure level. Budgetary changes within major object expenditure categories are made at the discretion of the Supervisor.

The Supervisor does not budget for the grant special revenue fund as it is funded by state grants and is governed by those documents.

The original budget is the first complete appropriated budget. The final budget is the original budget adjusted by all reserves, transfers, allocations, supplemental appropriations, and other legally authorized changes applicable to the fiscal year, whenever legally authorized.

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

3. Cash and Cash Equivalents

At September 30, 2021, the carrying value of the Supervisor's cash and cash equivalents was as follows:

<u>Type</u>	<u>Carrying Value</u>	<u>Credit Rating</u>
Cash on hand	\$ 200	N/A
Demand deposits	261,339	N/A
Total cash and cash equivalents	<u>\$ 261,539</u>	

Custodial Credit Risk

At September 30, 2021, the Supervisor's deposits were entirely covered by Federal Depository Insurance or by collateral pledged with the State Treasurer pursuant to Chapter 280, *Florida Statutes*. Under this Chapter, in the event of default by a participating financial institution (a qualified public depository), all participating institutions are obligated to reimburse the governmental entity for the loss.

Credit Risk

The Supervisor's policy is to follow the guidance in Section 219.075, *Florida Statutes*, regarding the deposit of funds received and the investment of surplus funds. Sections 219.075 and 218.415, *Florida Statutes*, authorize the Supervisor to invest in Florida PRIME (formerly the Local Government Surplus Funds Trust Fund) or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act; Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency; direct obligations of the United States Treasury; federal agencies and instrumentalities or interest-bearing time deposits or savings accounts in banks organized under the laws of the United States and doing business and situated in the State of Florida, savings and loan associations which are under state supervision, or in federal savings and loan associations located in the State of Florida and organized under federal law and federal supervision, provided that any such deposits are secured by collateral as may be prescribed by law. The pool is administered by the State Treasurer, who may make additional assessments to ensure that no public funds will be lost.

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

3. Cash and Cash Equivalents (continued)

Interest Rate Risk

The Supervisor has no specific investment policy regarding interest rate risk.

4. Capital Assets

Capital assets used by the Supervisor are capitalized in the basic financial statements of Collier County, Florida rather than in the governmental funds of the Supervisor. Upon acquisition, such assets are recorded as expenditures in the governmental funds of the Supervisor and are capitalized at cost in the basic financial statements of Collier County, Florida. Capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated capital assets are valued at acquisition value on the date received.

The Supervisor maintains custodial responsibility for the capital assets used by the office. No depreciation expense has been provided on capital assets in these financial statements. However, depreciation expense is recorded in the basic financial statements of Collier County, Florida.

The following is a summary of changes in capital assets, which are reported in the basic financial statements of Collier County, Florida:

	October 1, 2020	Additions	Deductions	September 30, 2021
Machinery and equipment	\$ 1,044,573	\$ 71,746	\$ (68,878)	\$ 1,047,441
Less accumulated depreciation	(651,424)	(143,112)	68,878	(725,658)
Machinery and equipment, net	<u>\$ 393,149</u>	<u>\$ (71,366)</u>	<u>\$ -</u>	<u>\$ 321,783</u>

5. Long-Term Liabilities

The following is a summary of changes in long-term liabilities, which are reported in the basic financial statements of Collier County, Florida:

	October 1, 2020	Additions	Deductions	September 30, 2021
Accrued Compensated Absences	\$ 214,678	\$ 124,610	\$ (119,849)	\$ 219,439

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

5. Long-Term Liabilities (continued)

Of these liabilities, approximately \$120,691 is expected to be paid during the fiscal year ending September 30, 2022, which will be included in the operating costs of the general fund when expended. These long-term liabilities are not reported in the financial statements of the Supervisor since they have not matured.

The Supervisor leases assets for various terms under certain agreements that meet the definition of a lease under GASB Statement No. 87 – *Leases*. Detailed information about the Supervisor’s leases can be found in the Collier County comprehensive annual financial report or County-wide financial statements.

Leases entered into by the Supervisor are included as other financing sources and capital outlay expenditures in the statement of revenues, expenditures, and changes in fund balance in the year of inception. Payments made in accordance with the lease terms are reported as debt service expenditures in the statement of revenues, expenditures, and changes in fund balance as they are incurred.

During the year ended September 30, 2021, the Supervisor entered into a lease in the amount of \$27,338. During the year ended September 30, 2021, the Supervisor’s payments of principal on leases totaled \$2,731.

6. Pension Plans

Background

The Florida Retirement System (FRS) was created by Chapter 121, *Florida Statutes*, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program under the defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan. Chapter 112, *Florida Statutes*, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any State-administered retirement system in paying the costs of health insurance.

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

6. Pension Plans (continued)

Background (continued)

Essentially all regular employees of the Supervisor are eligible to enroll as members of the State-administered FRS. Provisions relating to the FRS are established by Chapters 121 and 122, *Florida Statutes*; Chapter 112, Part IV, *Florida Statutes*; Chapter 238, *Florida Statutes*; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost-sharing, multiple-employer defined benefit plans and other nonintegrated programs. An annual comprehensive financial report of the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from the Florida Department of Management Services' Web site (www.dms.myflorida.com).

Florida Retirement System Pension Plan

Plan Description

The Florida Retirement System Pension Plan (FRS Plan) is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

Regular Class – Members of the FRS who do not qualify for membership in the other classes.

Elected County Officers Class – Members who hold specified elective offices in local government.

Senior Management Service Class (SMSC) – Members in senior management level positions.

Special Risk Class – Members who are special risk employees, such as law enforcement officers, meet the criteria to qualify for this class.

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

6. Pension Plans (continued)

Florida Retirement System Pension Plan (continued)

Plan Description (continued)

Employees enrolled in the FRS Plan prior to July 1, 2011, vest at 6 years of creditable service and employees enrolled in the FRS Plan on or after July 1, 2011, vest at 8 years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62, or at any age after 30 years of service, except for members classified as special risk who are eligible for normal retirement benefits at age 55 or at any age after 25 years of service. All members enrolled in the FRS Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service, except for members classified as special risk who are eligible for normal retirement benefits at age 60 or at any age after 30 years of service. Employees enrolled in the FRS Plan may include up to 4 years of credit for military service toward creditable service. The FRS Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The FRS Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments to eligible participants.

DROP, subject to provisions of Section 121.091, *Florida Statutes*, permits employees eligible for normal retirement under the FRS Plan to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

6. Pension Plans (continued)

Florida Retirement System Pension Plan (continued)

Benefits Provided

Benefits under the FRS Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the 5 highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the 8 highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits.

As provided in Section 121.101, *Florida Statutes*, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3 percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3 percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3 percent. FRS Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

Detailed information about the County's proportionate share of FRS's net pension liability, deferred outflows/inflows of resources, and pension expense are reported in the government-wide statements of the County.

Retiree Health Insurance Subsidy Program

Plan Description

The Retiree Health Insurance Subsidy Program (HIS Plan) is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, *Florida Statutes*, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

6. Pension Plans (continued)

Retiree Health Insurance Subsidy Program (continued)

Benefits Provided

For the fiscal year ended June 30, 2021, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month, pursuant to Section 112.363, *Florida Statutes*. To be eligible to receive a HIS Plan benefit, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Detailed information about the County's proportionate share of HIS's net pension liability, deferred outflows/inflows of resources, and pension expense are reported in the government-wide statements of the County.

FRS Investment Plan

The Florida State Board of Administration (SBA) administers the defined contribution plan officially titled the FRS Investment Plan (Investment Plan). The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Annual Comprehensive Financial Report.

As provided in Section 121.4501, *Florida Statutes*, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. Supervisor employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected County Officers, etc.), as the FRS defined benefit plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering the plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06 percent of payroll and by forfeited benefits of plan members.

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

6. Pension Plans (continued)

FRS Investment Plan (continued)

For all membership classes, employees are immediately vested in their own contributions and are vested after 1 year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the FRS Pension Plan is transferred to the Investment Plan, the member must have the years of service required for FRS Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Non-vested employer contributions are placed in a suspense account for up to 5 years. If the employee returns to FRS-covered employment within the 5-year period, the employee will regain control over their account. If the employee does not return within the 5-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended June 30, 2021, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the Supervisor.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the FRS Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the FRS Pension Plan or remain in the Investment Plan and rely upon that account balance for retirement income.

Contributions

Participating employer contributions are based upon statewide rates established by the State of Florida. The Supervisor's contributions made to the plans during the years ended September 30, 2021, 2020, and 2019, were \$181,001, \$154,299, and \$137,524 respectively, equal to the actuarially determined contribution requirements for each year.

Additional information about pension plans can be found in the County's comprehensive annual financial report.

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

7. Related-Party Transactions

For the year ended September 30, 2021, the Board provided funding for the Supervisor that amounted to \$4,168,500. At September 30, 2021, the Supervisor had a payable due to the Board of \$159,380 comprised as follows:

Distribution of excess appropriations	\$	116,508
Distribution of interest earnings		1,404
Amounts due for various services		41,467
Total due to Board of County Commissioners	\$	<u>159,379</u>

8. Risk Management

Collier County, Florida (County) is exposed to various risks of loss including, but not limited to, general liability, health and life, property and casualty, auto and physical damage and workers' compensation. The County is substantially self-insured and accounts for and finances its risk of uninsured losses through an internal service fund. All liabilities associated with these self-insured risks are reported in the basic financial statements of the County. The Supervisor participates in the County's self-insurance program. During the year ended September 30, 2021, the Supervisor was charged \$358,423 by the County for participation in the risk management program.

The County retains the first \$500,000 per claim for workers' compensation and has purchased excess coverage for up to statutory limit for each injury or illness. The County also provides coverage for up to \$500,000 per occurrence for general liability and \$300,000 per occurrence for auto liability coverage and has purchased outside excess coverage for up to \$5 million per claim. Negligence claims in excess of the statutory limits set in Section 768.28, *Florida Statutes*, which provide for limited sovereign immunity of \$200,000/\$300,000 per occurrence can only be recovered through an act of the State Legislature. Property claims are subject to a 5 percent wind deductible and a \$50,000 deductible for all other perils. The County retains the first \$300,000 per claim for general liability, public official errors and omissions, automobile liability, and crime coverage and has purchased excess coverage for up to \$5 million per claim. There have been no significant reductions in insurance coverage in the last year. Settled claims have not exceeded the insurance provided by third-party carriers in any of the last three years.

Collier County, Florida
Supervisor of Elections

Notes to Financial Statements

September 30, 2021

8. Risk Management (continued)

The County is self-insured for health claims covering all of its employees and their eligible dependents. The County retains the first \$1,000,000 per covered member and has purchased outside excess coverage for all claims exceeding this amount. An actuarial valuation is performed each year to estimate the amounts needed to pay prior and future claims and to establish reserves.

9. Other Postemployment Benefits

In accordance with Section 112.0801, *Florida Statutes*, the Supervisor participates with Collier County in offering retiring employees the opportunity to continue participation in the County's health insurance plan. The participating retirees pay 100% of the premium cost applicable to an active employee. The liability and expense for other postemployment benefits, calculated in accordance with Governmental Accounting Standards Board Statement No. 75 *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, are reported in the financial statements of the County.

10. Contingencies

Grant funds received by the Supervisor are subject to audit by grantor agencies. Audits of these grants may result in disallowed costs, which may constitute a liability of the office of the Supervisor. In the opinion of management, disallowed costs, if any, would not have a significant impact on the financial position of the Supervisor.

11. Transfers

Transfers between funds are for the purpose of providing matching funds to the Supervisor's grants. Transfers were not required for the year ending September 30, 2021.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Honorable Jennifer J. Edwards
Supervisor of Elections
Collier County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund of the Collier County, Florida Supervisor of Elections (Supervisor), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Supervisor's basic financial statements, and have issued our report thereon dated February 15, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Supervisor's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Supervisor's internal control. Accordingly, we do not express an opinion on the effectiveness of the Supervisor's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Honorable Jennifer J. Edwards
Supervisor of Elections

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Supervisor's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CliftonLarsonAllen LLP

MANAGEMENT LETTER

Honorable Jennifer J. Edwards
Supervisor of Elections
Collier County, Florida

Report on the Financial Statements

We have audited the financial statements of each major fund of the Collier County, Florida Supervisor of Elections (Supervisor) as of and for the fiscal year ended September 30, 2021 and have issued our report thereon dated February 15, 2022.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Florida Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated February 15, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations reported in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. See Note 1 in the notes to the financial statements.

Honorable Jennifer J. Edwards
Supervisor of Elections

Financial Management

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Supervisor and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

CliftonLarsonAllen LLP

Naples, Florida
February 15, 2022

INDEPENDENT ACCOUNTANTS' REPORT

Honorable Jennifer J. Edwards
Supervisor of Elections
Collier County, Florida

We have examined the Collier County, Florida Supervisor of Elections' (Supervisor) compliance with Section 218.415, *Florida Statutes*, regarding the investment of public funds, during the year ended September 30, 2021. Management of the Supervisor is responsible for the Supervisor's compliance with the specified requirements. Our responsibility is to express an opinion on the Supervisor's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Supervisor complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Supervisor complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Supervisor's compliance with specified requirements.

In our opinion, the Supervisor complied, in all material respects, with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2021.

This report is intended solely for the information and use of the Supervisor and the Auditor General, State of Florida and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

Honorable Rob Stoneburner
Tax Collector
Collier County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the general fund and the aggregate remaining fund information of the Tax Collector, Collier County, Florida (Tax Collector), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Tax Collector's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Honorable Rob Stoneburner
Tax Collector

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the general fund and the aggregate remaining fund information of the Tax Collector as of September 30, 2021, and the respective changes in financial position for the year then ended and the budgetary comparison for the general fund thereof for the year ended September 30, 2021, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the Rules of the Auditor General of the State of Florida. In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position of each major fund, and the aggregate remaining fund information, only for that portion of the major funds, and the aggregate remaining fund information, of Collier County, Florida that is attributable to the Tax Collector. They do not purport to, and do not, present fairly the financial position of Collier County, Florida as of September 30, 2021, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 8, 2022 on our consideration of the Tax Collector's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Tax Collector's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Tax Collector's internal control over financial reporting and compliance.

Collier County, Florida
Tax Collector

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies

Reporting Entity

The Tax Collector is an elected official of the County, pursuant to the Constitution of the State of Florida, Article VIII, Section 1(d). The Tax Collector is part of the primary government of the County. Although the Florida Department of Revenue approves the Tax Collector's operating budget, the Tax Collector is responsible for the administration and the operation of the Tax Collector's office. Upon approval, the operating budget is provided to the Collier County Board of County Commissioners (Board). The Tax Collector's financial statements include only the funds of the Tax Collector's office. There are no separate legal entities (component units) for which the Tax Collector is considered to be financially accountable.

Measurement Focus, Basis of Accounting, and Basis of Presentation

These financial statements have been prepared for the purpose of complying with Section 218.39(2), *Florida Statutes*, and Chapter 10.550, *Rules of the Auditor General – Local Governmental Entity Audits*, which allows the Tax Collector to only present fund financial statements. These financial statements present only the portion of the funds of Collier County, Florida that are attributable to the Tax Collector. They are not intended to present fairly the financial position and results of operations of Collier County, Florida in conformity with accounting principles generally accepted in the United States of America.

The financial activities of the Tax Collector, as a constitutional officer, are included in the Collier County, Florida Comprehensive Annual Financial Report.

These fund financial statements report detailed information about the Tax Collector. The focus of governmental fund financial statements is on major funds rather than reporting funds by type.

Collier County, Florida
Tax Collector

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Governmental Funds

Governmental funds are accounted for using the flow of current financial resources measurement focus. Only current assets and current liabilities, generally, are included on the balance sheets. Operating statements for these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets. The Tax Collector's only governmental fund is the general fund. The general fund is used to account for the general operations of the Tax Collector and includes all transactions not accounted for in another fund.

The modified accrual basis of accounting is used by governmental funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become measurable and available to finance liabilities of the current fiscal year). For this purpose, the Tax Collector considers revenues to be available if they are collected within 60 days after year-end. Expenditures are recorded when the related fund liability is incurred, except for certain compensated absences, which are recognized as expenditures to the extent they have matured.

Interest income and other revenue are recognized as they are earned and become measurable and available to pay liabilities of the current period.

Substantially all of the Tax Collector's revenue is received from taxing authorities. These monies are virtually unrestricted and are revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenue at the time of receipt, earlier if the "susceptible to accrual" criteria are met.

Florida Statutes provide that the amount by which revenues exceed annual expenditures be remitted to each governmental agency or the Board immediately following the fiscal year for which the funding was provided or following the fiscal year during which other revenue was recognized.

Capital outlays expended in the general fund operations are capitalized in the basic financial statements of Collier County, Florida rather than in the governmental funds of the Tax Collector.

Collier County, Florida
Tax Collector

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Fiduciary Funds

Custodial funds – Fiduciary funds are used to account for assets held by the Tax Collector in a trustee capacity or as an agent for individuals, private organizations, and other governments. Custodial funds are accounted for using the accrual basis of accounting.

Refund of “Excess Fees”

Florida Statutes further provide that the excess of revenues over expenditures held by the Tax Collector be distributed to each governmental agency or the Board in the same proportion as the fees paid by each governmental agency bear to total fee revenues. The amount of this distribution is recorded as a liability and as an other financing use-transfer out in the accompanying financial statements.

Compensated Absences

All full-time, non-exempt employees of the Tax Collector are allowed to accumulate an unlimited number of hours of unused sick leave and up to 240 hours of unused vacation leave. Exempt employees do not accrue sick time, however, many of them have a balance that will remain until they terminate employment, and vacation accrual is the same for both classes of employees. Upon termination, employees receive 100% of allowable accumulated vacation hours and a percentage of unused sick leave, depending on years of service. Vacation and sick leave payments are included in operating costs of the general fund when the payments are made to the employees. The Tax Collector does not, nor is legally required to, accumulate financial resources for these unmatured obligations. Accordingly, the liability for compensated absences is not reported in the general fund of the Tax Collector, but rather is reported in the basic financial statements of Collier County, Florida.

Collier County, Florida
Tax Collector

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Property Taxes

Property taxes in Collier County are levied by the Board and other taxing authorities. The millage levies are determined on the basis of estimates of revenue needs and the total taxable valuations within the jurisdiction of the Board and other taxing authorities. No aggregate ad valorem tax millage in excess of 10 mills on the dollar can be levied by the Board against property in the County as specified in *Florida Statutes*, Section 200.071.

Each year the total taxable property valuation is established by the Collier County, Florida Property Appraiser, and the list of property assessments is submitted to the State Department of Revenue for approval. Taxes, assessed as of January 1 of each year, are due and payable on November 1 of each year or as soon thereafter as the assessment roll is opened for collection. Pursuant to Florida law, all owners of property have the responsibility of ascertaining the amount due and paying it before April 1 of the year following the year in which the tax was assessed.

Chapter 197, *Florida Statutes*, governs property tax collections as follows:

Current Taxes

All property taxes become due and payable on November 1, and are delinquent on April 1 of the following year. Discounts are allowed for early payment of 4% in November; 3% in December; 2% in January; and 1% for payment in February.

Unpaid Taxes – Sale of Tax Certificates

The Tax Collector advertises, as required by *Florida Statutes*, and sells tax certificates on all real property for unpaid taxes. The taxes assessed on the property are struck off the tax roll to the purchaser of the tax certificate. Certificates not sold are struck off to the County. The Tax Collector must receive payment before the certificates are delivered. Any person owning land upon which a tax certificate has been sold may redeem the tax certificate by paying the Tax Collector the face amount of the tax certificate plus interest and other costs.

Tax Deeds

Two years after the purchase of a tax certificate the owner may file an application for tax deed sale. The County, as a certificate owner, exercises similar procedures. Tax deeds are issued to the highest bidder for the property which is sold at public auction. The Clerk of the Circuit Court administers these sales.

Collier County, Florida
Tax Collector

Notes to Financial Statements

September 30, 2021

1. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of these financial statements requires management of the Tax Collector to make a number of estimates and assumptions relating to the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the period. Actual results could differ from those estimates.

New Accounting Standard

During the year ended September 30, 2021, the Collier County Tax Collector implemented GASB Statement No. 84, “*Fiduciary Activities*”. The goal of the statement is to improve financial reporting by establishing specific criteria for identifying activities that should be reported as fiduciary activities. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. Separate criteria are included to identify fiduciary component units and postemployment benefit arrangements that are fiduciary activities. The requirements of GASB 84 are effective for reporting periods beginning after December 15, 2019. A statement of fiduciary net position and a statement of changes in fiduciary net position are required to be presented for these activities. This Statement describes four fiduciary funds that should be reported: (1) pension (and other employee benefit) trust funds, (2) investment trust funds, (3) private-purpose trust funds, and (4) custodial funds (formerly agency funds). The implementation of the pronouncement did not require the restatement of the September 30, 2020 net position of the custodial funds.

2. Budgetary Process

Florida Statutes govern the preparation, adoption, and administration of the Tax Collector’s annual budget. The Tax Collector submits a budget for the general fund to the Florida Department of Revenue for approval. A copy of the approved budget is provided to the Board. Any subsequent amendments to the Tax Collector’s total budget must be approved by the Florida Department of Revenue. The budget for the general fund is prepared on a basis consistent with accounting principles generally accepted in the United States of America. The annual budget serves as the legal authorization for expenditures.

Collier County, Florida
Tax Collector

Notes to Financial Statements

September 30, 2021

2. Budgetary Process (continued)

Expenditures may not legally exceed appropriations at the fund level. Appropriations lapse at year-end. Budget control is maintained at the departmental major object expenditure level. Budgetary changes within major object expenditure categories are made at the discretion of the Tax Collector.

The original budget is the first complete appropriated budget. The final budget is the original budget adjusted by all reserves, transfers, allocations, supplemental appropriations, and other legally authorized changes applicable to the fiscal year, whenever legally authorized.

3. Cash

At September 30, 2021, the carrying value of the Tax Collector's cash was as follows:

Type	2021 Carrying Value
Cash on hand	\$ 29,640
Demand deposits	16,069,021
Total cash and cash equivalents	\$ 16,098,661

Such amounts are reported as \$11,002,007 and \$5,096,654 for 2021 in the general and fiduciary funds, respectively.

Custodial Credit Risk

At September 30, 2021, the Tax Collector's deposits were entirely covered by Federal Depository Insurance or by collateral pledged with the State Treasurer pursuant to Chapter 280, *Florida Statutes*. Under this Chapter, in the event of default by a participating financial institution (a qualified public depository), all participating institutions are obligated to reimburse the governmental entity for the loss.

Collier County, Florida
Tax Collector

Notes to Financial Statements

September 30, 2021

3. Cash (continued)

Credit Risk

The Tax Collector's policy is to follow the guidance in Section 219.075, *Florida Statutes*, regarding the deposit of funds received and the investment of surplus funds. Sections 219.075 and 218.415, *Florida Statutes*, authorize the Tax Collector to invest in Florida PRIME or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act; Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency; direct obligations of the United States Treasury; federal agencies and instrumentalities or interest-bearing time deposits or savings accounts in banks organized under the laws of the United States and doing business and situated in the State of Florida, savings and loan associations which are under state supervision, or in federal savings and loan associations located in the State of Florida and organized under federal law and federal supervision, provided that any such deposits are secured by collateral as may be prescribed by law.

Interest Rate Risk

The Tax Collector has no specific investment policy regarding interest rate risk.

4. Capital Assets

Capital assets used by the Tax Collector are capitalized in the basic financial statements of Collier County, Florida rather than in the governmental funds of the Tax Collector. Upon acquisition, such assets are recorded as expenditures in the general fund of the Tax Collector, and are capitalized at cost in the basic financial statements of Collier County, Florida. Capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated capital assets are valued at acquisition value on the date received.

The Tax Collector maintains custodial responsibility for the capital assets used by the office. No depreciation expense has been provided on capital assets in these financial statements. However, depreciation expense on these assets is recorded in the basic financial statements of Collier County, Florida.

Collier County, Florida
Tax Collector

Notes to Financial Statements

September 30, 2021

4. Capital Assets (continued)

The following is a summary of changes in capital assets for the year ended September 30, 2021:

	October 1, 2020	Additions	Deletions/ Reclassifications	September 30, 2021
Capital assets not depreciated:				
Construction in progress	\$ 791,908	\$ 9,403,376	\$ (187,728)	\$ 10,007,556
Total assets not depreciated	<u>791,908</u>	<u>9,403,376</u>	<u>(187,728)</u>	<u>10,007,556</u>
Infrastructure	21,988	-	-	21,988
Improvements other than buildings	105,093	-	-	105,093
Machinery and equipment	1,886,435	-	(69,823)	1,816,612
Total capital assets	<u>2,805,424</u>	<u>9,403,376</u>	<u>(257,551)</u>	<u>11,951,249</u>
Less accumulated depreciation:	(1,722,128)	(107,311)	69,823	(1,759,616)
Total capital assets, net	<u>\$ 1,083,296</u>	<u>\$ 9,296,065</u>	<u>\$ (187,728)</u>	<u>\$ 10,191,633</u>

During the fiscal year ended September 30, 2021, costs related to completed leasehold improvements totaling \$187,728 were transferred to Collier County, Florida.

5. Long-Term Liabilities

The following is a summary of changes in long-term liabilities which are reported in the basic financial statements of Collier County, Florida:

	October 1, 2020	Increase	Decrease	September 30, 2021
Accrued compensated absences	\$ 1,363,632	\$ 681,581	\$ (789,780)	\$ 1,255,433

Of these liabilities, approximately \$868,000 is expected to be paid during the fiscal year ending September 30, 2022, which will be included in the operating costs of the general fund when expended. These long-term liabilities are not reported in the financial statements of the Tax Collector since they have not matured.

Collier County, Florida
Tax Collector

Notes to Financial Statements

September 30, 2021

6. Pension Plans

Background

The Florida Retirement System (FRS) was created by Chapter 121, *Florida Statutes*, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program under the defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan. Chapter 112, *Florida Statutes*, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any State-administered retirement system in paying the costs of health insurance.

Essentially all regular employees of the Tax Collector are eligible to enroll as members of the State-administered FRS. Provisions relating to the FRS are established by Chapters 121 and 122, *Florida Statutes*; Chapter 112, Part IV, *Florida Statutes*; Chapter 238, *Florida Statutes*; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost-sharing, multiple-employer defined benefit plans and other nonintegrated programs. A comprehensive annual financial report of the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from the Florida Department of Management Services' Web site (www.dms.myflorida.com).

Collier County, Florida
Tax Collector

Notes to Financial Statements

September 30, 2021

6. Pension Plans (continued)

Florida Retirement System Pension Plan

Plan Description

The Florida Retirement System Pension Plan (FRS Plan) is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

- *Regular Class* – Members of the FRS who do not qualify for membership in the other classes.
- *Elected County Officers Class* – Members who hold specified elective offices in local government.
- *Senior Management Service Class (SMSC)* – Members in senior management level positions.
- *Special Risk Class* – Members who are special risk employees, such as law enforcement officers, meet the criteria to qualify for this class.

Employees enrolled in the FRS Plan prior to July 1, 2011, vest at 6 years of creditable service and employees enrolled in the FRS Plan on or after July 1, 2011, vest at 8 years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62, or at any age after 30 years of service, except for members classified as special risk who are eligible for normal retirement benefits at age 55 or at any age after 25 years of service. All members enrolled in the FRS Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service, except for members classified as special risk who are eligible for normal retirement benefits at age 60 or at any age after 30 years of service. Employees enrolled in the FRS Plan may include up to 4 years of credit for military service toward creditable service. The FRS Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The FRS Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments to eligible participants.

Collier County, Florida
Tax Collector

Notes to Financial Statements

September 30, 2021

6. Pension Plans (continued)

Florida Retirement System Pension Plan (continued)

Plan Description (continued)

DROP, subject to provisions of Section 121.091, *Florida Statutes*, permits employees eligible for normal retirement under the FRS Plan to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Benefits Provided

Benefits under the FRS Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the 5 highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the 8 highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits.

As provided in Section 121.101, *Florida Statutes*, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3% per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3% determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3%. FRS Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

Detailed information about the County's proportionate share of FRS's net pension liability, deferred outflows/inflows of resources, and pension expense are reported in the government-wide statements of the County.

6. Pension Plans (continued)

Retiree Health Insurance Subsidy Program

Plan Description

The Retiree Health Insurance Subsidy Program (HIS Plan) is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, *Florida Statutes*, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided

For the fiscal year ended June 30, 2021, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month, pursuant to Section 112.363, *Florida Statutes*. To be eligible to receive a HIS Plan benefit, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Detailed information about the County's proportionate share of HIS's net pension liability, deferred outflows/inflows of resources, and pension expense are reported in the government-wide statements of the County.

FRS Investment Plan

The Florida State Board of Administration (SBA) administers the defined contribution plan officially titled the FRS Investment Plan (Investment Plan). The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Comprehensive Annual Financial Report.

6. Pension Plans (continued)

FRS Investment Plan (continued)

As provided in Section 121.4501, *Florida Statutes*, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. Tax Collector employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected County Officers, etc.), as the FRS defined benefit plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06% of payroll and by forfeited benefits of plan members.

For all membership classes, employees are immediately vested in their own contributions and are vested after 1 year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the FRS Pension Plan is transferred to the Investment Plan, the member must have the years of service required for FRS Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Non-vested employer contributions are placed in a suspense account for up to 5 years. If the employee returns to FRS-covered employment within the 5-year period, the employee will regain control over their account. If the employee does not return within the 5-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended June 30, 2021, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the Tax Collector.

6. Pension Plans (continued)

FRS Investment Plan (continued)

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the FRS Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the FRS Pension Plan, or remain in the Investment Plan and rely upon that account balance for retirement income.

Contributions

Participating employer contributions are based upon statewide rates established by the State of Florida. The Tax Collector's contributions made to the plans during the years ended September 30, 2021, 2020, and 2019 were \$992,718, \$843,840, and \$768,338, respectively, equal to the actuarially determined contribution requirements for each year.

Additional information about pension plans can be found in the County's comprehensive annual financial report or County-wide financial statements.

7. Other Postemployment Benefits (OPEB)

In accordance with Section 112.0801, *Florida Statutes*, the Tax Collector participates with Collier County in offering retiring employees the opportunity to continue participation in the County's health insurance plan. The participating retirees pay 100% of the premium cost applicable to an active employee. The liability and expense for other postemployment benefits, calculated in accordance with Governmental Accounting Standards Board Statement No. 75 *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, are reported in the financial statements of the County.

8. Related Party Transactions

During the fiscal year ended September 30, 2021, the Board paid commissions and fees to the Tax Collector that amounted to \$18,998,458.

At September 30, 2021, the Tax Collector had a payable due to the Board of \$8,519,964 comprised as follows:

	<u>2021</u>
Distribution of unused commissions and fees	\$ 6,375,976
Tax and fee collections due to the Board	<u>2,143,988</u>
Total	<u>\$ 8,519,964</u>

9. Risk Management

Collier County, Florida (County) is exposed to various risks of loss including but not limited to, general liability, health and life, property and casualty, auto and physical damage, and workers' compensation. The County is substantially self-insured and accounts for and finances its risk of uninsured losses through an internal service fund. All liabilities associated with these self-insured risks are reported in the basic financial statements of the County. The Tax Collector participates in the County's self-insurance program. During the year ended September 30, 2021 the Tax Collector was charged \$3,182,343 by the County for participation in the risk management program.

9. Risk Management (continued)

The County retains the first \$500,000 per claim for workers' compensation and has purchased excess coverage for up to statutory limit for each injury or illness. The County also provides coverage for up to \$500,000 per occurrence for general liability and \$300,000 per occurrence for auto liability coverage and has purchased outside excess coverage for up to \$5 million per claim. Negligence claims in excess of the statutory limits set in Section 768.28, *Florida Statutes*, which provide for limited sovereign immunity of \$200,000/\$300,000 per occurrence can only be recovered through an act of the State Legislature. Property claims are subject to a 5 percent wind deductible and a \$50,000 deductible for all other perils. The County retains the first \$300,000 per claim for general liability, public official errors and omissions, automobile liability and crime coverage and has purchased excess coverage for up to \$5 million per claim. There have been no significant reductions in insurance coverage in the last year. Settled claims have not exceeded the insurance provided by third-party carriers in any of the last three years.

The County is self-insured for health claims covering all of its employees and their eligible dependents. The County retains the first \$1,000,000 per covered member and has purchased outside excess coverage for all claims exceeding this amount. An actuarial valuation is performed each year to estimate the amounts needed to pay prior and future claims and to establish reserves.

10. Commitments and Contingencies

Leases

The Collier County Tax Collector leases assets for various terms under certain agreements that meet the definition of a lease under GASB Statement No. 87 - Leases. Detailed information about the Collier County Tax Collector's leases can be found in the Collier County Annual Comprehensive Financial Report or County-wide financial statements.

Leases entered into by the Collier County Tax Collector are included as other financing sources and capital outlay expenditures in the statement of revenues, expenditures, and changes in fund balance in the year of inception. Payments made in accordance with the lease terms are reported as debt service expenditures in the statement of revenues, expenditures, and changes in fund balance as they are incurred.

Tax Collector

Notes to Financial Statements

September 30, 2021

10. Commitments and Contingencies (continued)

Leases (continued)

During the year ended September 30, 2021, the Collier County Tax Collector did not enter into any new leases. During the year ended September 30, 2021, the Collier County Tax Collector's payments on leases totaled \$216,859.

Litigation

The Tax Collector is involved as a defendant or plaintiff in certain litigation and claims arising from the ordinary course of operations. In the opinion of the Tax Collector and legal counsel, the range of potential recoveries or liabilities will not materially affect the financial position of the Tax Collector.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Honorable Rob Stoneburner
Tax Collector
Collier County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the general fund and the aggregate remaining fund information of the Tax Collector, Collier County, Florida (Tax Collector), as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Tax Collector's basic financial statements, and have issued our report thereon dated February 8, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Tax Collector's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Tax Collector's internal control. Accordingly, we do not express an opinion on the effectiveness of the Tax Collector's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Honorable Rob Stoneburner
Tax Collector

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Tax Collector's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Tax Collector's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Tax Collector's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

Honorable Rob Stoneburner
Tax Collector
Collier County, Florida

Report on the Financial Statements

We have audited the financial statements of the general fund and the aggregate remaining fund information of the Collier County, Florida Tax Collector (Tax Collector) as of and for the year ended September 30, 2021, and have issued our report thereon dated February 8, 2022.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, Rules of the Florida Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountants' Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports which are dated DATE should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no such findings reported in the prior audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. See Note 1 in the notes to the financial statements.

Honorable Rob Stoneburner
Tax Collector

Financial Management

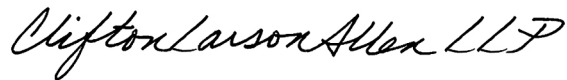

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Tax Collector and applicable management and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT

Honorable Rob Stoneburner
Tax Collector
Collier County, Florida

We have examined the Collier County Tax Collector, Collier County, Florida's (Tax Collector) compliance with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2021. Management of the Tax Collector is responsible for the Tax Collector's compliance with the specified requirements. Our responsibility is to express an opinion on the Tax Collector's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Tax Collector complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Tax Collector complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Tax Collector's compliance with specified requirements.

In our opinion, the Tax Collector complied, in all material respects, with Section 218.415, *Florida Statutes*, regarding the investment of public funds during the year ended September 30, 2021.

This report is intended solely for the information and use of the Tax Collector and the Auditor General, State of Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.
