Dear Alina,

First Florida Integrity Bank appreciates the opportunity we had this morning with your selection team.

As a follow up to our meeting, First Florida Integrity Bank will not require the \$25 million balance requirement as originally indicated in the request for proposal.

I have also attached the Positive Pay format that can be used. Please note, our system will customize to your format if the Clerk should so chose.

If you have any other further questions, please feel free to contact me directly at 239-325-3748.

Best regards,
