*Marco Office Supply - *All other items 50% off list unless below cost, then net at cost. Copy of designated catalog price list not submitted with response.

**Marco Office Supply did not quote on item HON HH1018. Had Marco Office Supply quoted this item it would have increased their total price by approximately \$3,000.00

*Smith Office & Computer Supply's Unit Price x Quantity does not equal Total Price for various items. Total Price submitted does not equal actual total of column (should be \$28,839.31). Total Price using Unit Price x Quantity would have exceeded current Total Price of \$29,839.17 submitted by Smith Office.

**Smith Office & Computer Supply quoted less for the extended cost than for the unit cost for item (SAN61234PP). Would not have affected their being the higher bidder.

***Smith Office & Computer Supply did not submit discount pricing percentage for all other items as requested in Bid document. Copy of designated catalog price list not submitted with response.
