

TAB VI References (10 points)

“Provide a list of all customers that your firm has fulfilled a similar type consulting services contract in the last five (5) years”

“Provide a listing of at least five (5) customer within the last five (5) years, demonstrate experience of similar size, scope, and goals described in the RFP. The Clerk prefers to have references located in Florida and/or in Public Sector. The Clerk may select one or more of these references and contact them.”

Question – Given the understandable importance of this section, we are asking if we may receive equal consideration if we can provide significant references in the private sector? **Please provide applicable references for customers that your firm has fulfilled a similar type consulting service contract for. The Clerk is seeking Public Sector since there are differences between Private and Public Sector Finance.**
